

"The Busy Corner." "The Smith Building." S. KANN, SONS & CO. ALWAYS THE BEST OF EVERYTHING FOR THE LEAST MONEY.

Our Rebuilding Sale

Another Friday, and another one of those much-talked-of remnant sales which hold sway always on this day of each week at the busiest shopping centre in all Washington.

Mill Remnants from Our Third Floor, Busy Corner Building.

- 2 bales of 27-inch brown muslin, running in lengths from 2 to 20 yards, good strong cloth, suitable for many uses, worth 18c in the piece, for 17c. The balance of our new corded dimities and fine batiste linens representing a full line of light and dark grounds, 8, 10, and 12c value for 7c.

Silk Remnants Cheaper Than Ever.

We have about 1,500 yards of Fine Silk Remnants which we wish to close out at a greater sacrifice than we have ever quoted. We have marked them low in price that we feel assured that they will depart in a notable fact.

A FEW CHILDREN'S GOODS VERY MUCH REDUCED.

Children's Petticoats, 1 lot of Children's Gingham Dresses, striped and checked styles; very neat and perfect fitting; sizes from 1 to 2 years; each for 25c; now 15c.

Three Phenomenal Values in Women's Undergarments.

ONLY A FEW OF A KIND; THEREFORE THE FIRST TO COME WILL HAVE FIRST CHOICE. 3 Women's Long Petticoats, made of good quality chambray in pink, blue, and old rose, with deep and wide ruffles, finished with 6-inch ruffles and 2-inch ruffles and three rows of colored braid, sold from \$1.50 to \$1.50, now 68c.

Odds and Ends from Our Stationery Department.

Here are some very enticing values which ought to force these few items from this department without much effort: 20c quality of crystal bond paper, in beautiful Venetian blue, large square shape only, which we shall close out at per pound 13c.

Our Housefurnishing Department.

The odds and ends which we offer you from this section are really sacrificed—very near every item quoted below is very near half of former selling price. 6 sets of Mme. Pott's and iron, 50c in a set, complete with 25c, slightly damaged, for 30c.

From Our Women's Suit Department, Second Floor, Smith Building.

We just feel as though most anyone would be willing to invest their money in these reduced goods as anything offered in these two columns. The prices which we have made are actually sacrificed. The goods which are offered are clean, slightly merchandise. Not in the least shabby or hurt. The reason for these reductions should be plain to all. Rebuilding and improvements are responsible.
