IMPROVEMENT OF WILLOW TREE ALLEY.

CITIZENS WANT IT MADE A STREET

A Crooked, Unpaved Thoroughfare, and Muddy in Bad Weather—Tenleytown Car Service—Reopening a Police Case.

Residents of Willow Tree Alley are tired of the designation of the thoroughfare on which they live, and have renewed their request to the District Commissioners to have the name changed.

The Main Alley Unpaved. It appears from reports submitted to the Commissioners that the main alley is unpaved for two-thirds of its width on the B Street side...

Colonel Biddle, the Engineer Commissioner, in making his report, states that he visited the alley during bad weather and he thinks that the thoroughfare would be much improved by being paved.

Citizens residing along the line of the Georgetown and Tenleytown Street Railway continue to express dissatisfaction with the service given by the operating company.

The matter was brought to the attention of the Commissioners a few days ago by a letter from Louis L. Hooper.

Each report has been made before, and yet they have not been satisfied. The Tenleytown Road who have occasion to come to the city and are delayed in their passage between their homes and Georgetown.

CRUTCH-BOUND

The man with the crutch never fails to arouse the deepest sympathy and awaken the tenderest emotions of his more fortunate fellow being.

Rheumatism should not be neglected because the pains at first are wandering and slight. These are only the rumblings of an approaching storm of pains and aches that may transfer you from a life of activity to the ranks of the crutch-bound cripples.

Rheumatism is due to acrid gritty particles being deposited in the joints, muscles and nerves by an impure and too-acid blood...

Helpless From Rheumatism. I was terribly afflicted with Rheumatism for eighteen months, and during my sickness tried the skill of many good physicians...

The correct treatment—the true cure for Rheumatism—is a remedy that will dissolve and wash out this inflammatory matter and expel it from the system...

S. S. S. contains no Potash, Opium, Anodyne or mineral of any description, but is a Guaranteed Purely Vegetable Compound.

S. S. S. not only purifies the blood, but at the same time invigorates and tones up the whole system, increases the appetite, strengthens the digestion and restores the rheumatic sufferer to sound health again.
