Looking 'Em Over

BY LOUIS A. DOUGHERY

American League baseball is sure to be seen next summer, but it may be postponed with the other sports and samples of the same dolt.

However, the average baseball fan knows all interested in these matters. He cares only for what he does in the diamond. The average baseball writer thinks as the fan, that when the players arrive he will be working on the game.

Furthermore, the average baseball writer thinks as the fan, that when the players arrive he will be working on the game.

Ban Johnson, backed by five clubs, has used steam-roller tactics to defeat the efforts of the Yankees to appoint an umpire. He was identified with the organization. It depends upon the American people. The organization known as the American League will have this ease in the eyes of the fans by curtailing certain tests as best possible, but baseball itself cannot be injured. It belongs to the American people, not to Ban Johnson or his club owners, the Big Three or the others.

"Hard Boiled Egg" Is Jack Doyle's Own

John D. Doyle has been a hard boiled man, the kind whose head has a porcupine at all times and always a thorn. He has never been known to go into the field without a book of his own, and he has remained in his element. But it is not personal to his sons, or personal to his own, or personal to his town. He has been identified with the organization. It depends upon the American people. The organization known as the American League it have this ease in the eyes of the fans by curtailing certain tests as best possible, but baseball itself cannot be injured. It belongs to the American people, not to Ban Johnson or his club owners, the Big Three or the others.
