BUDGET PLAN LAUNDERED PLANE IS COMING

Today's event is a preliminary to the grand opening of the new Thermopak plant, which will be held on June 1st. The Thermopak plant will be located on the outskirts of the city, and arrangements for the opening ceremony are being made.

Ice Cream is a Food

Ice Cream replaces the strength and maintenance of food with the delicacy and refreshment of the rich dessert. Ice Cream is ideal for health and age. It meets strength and it is equally good in the home and hospital. For convenience it is unsurpassed because of its ease of digestion.

Ice Cream contains more food than an equal weight of meat, fish or eggs. Its freshness is always ensured by its frozen condition.

25c a Quart in a Thermopak

The dealer knows that when you have a Thermopak, he can give you better service and satisfaction with your ice cream. The Thermopak keeps ice cream hard two to four hours without ice or salt. True, it saves time and labor for the dealer, but it saves money for you and gives you ice cream for dinner, as cool and delicious as the moment you bought it and without waste or loss of any kind.

Go in to your confectioner or druggist tomorrow—get a quart of ice cream, put it up in a Thermopak. You will have the pleasure of ice cream, ice cold for dinner. Your home will have for years to come the hundreds of advantages and economies that the Thermopak gives.

The Thermopak keeps liquids and solids hot or cold. It is better for better than a refrigerator. It maintains the temperature of hot coffee, ice, sherberts, wrapped cream, gelatins, for many hours. In thousands of homes the Thermopak is relieving the annoyance and disappointment of poor deserts on hot days.

Purpose of National Ice Cream Day

The remarkably low price made possible by the Thermopak Company to encourage wider use of ice cream as a food in the home and to demonstrate the usefulness of the Thermopak. Order your favorite brand—Carr's Ice Cream, Fuselli-Young Ice Cream, The "Velvet Kind."
