IMMIGRATION BILL STRONG.
Senate Takes Up Consideration by Vote of 80 to 10.
The strength of the immigration bill in the Senate was demonstrated yesterday when the Senate voted to proceed to the consideration of the measure by a vote of fifty to ten.
When it was proposed to agree upon January 4 as the date for the vote on the bill, Mr. O'Gorman declared there had not been enough debate on the "lit-aggy test" and withheld his consent. Senator John Sharp Williams gave notice of an amendment he will offer to waive the literacy test for five years in the case of Belgian refugees.
