The Even Spotligh

By Paul V. Collins

From the days of Queen Elizabeth I to the present, when the American public is ready to acclaim the progress of civilization, the spirit of William Shakespeare is nowhere more alive than in the United States. One of the best-known Englishmen to whom we are indebted for much of our national character is the late British poet, John Milton. The Earl of Pembroke, who was the foremost English poet of his time, has left us a wealth of poetry which is still read and appreciated today. The Earl of Pembroke was the last of the marshals of the English royal family, and the most accomplished of them, in the world of literature. The Earl of Pembroke was a man of great energy and a great wit, and his poetry is still enjoyed by many who have long been dead. The Earl of Pembroke was a man of great spirit and a great poet, and his poetry is still enjoyed by many who have long been dead.
