WEATHER: Quantities poured in Chicago as the cold front swept through town. It seemed to rest overnight. Roads and sidewalks were covered with a thin layer of snow, making travel conditions hazardous.

The Weather Bureau said that the cold front would continue to move eastward, bringing further snowfall to the area.

Morton Finds No Rockefeller Draft Strength

New York Governor May Throw Light On Plans Today

By RICHARD M. SIMPSON

CHICAGO, Dec. 11—(AP)—"The chief reason why Mr. Rockefeller has not decided whether or not to run for the presidency is because we are not sure how far our campaign can go," said Mr. Rockefeller today.

Mr. Rockefeller declined to state whether he would run or not, saying that he would make his decision in the next few weeks.

Kennedy Accepts Terms For Security Briefing

Eisenhower Rules Out Proposal For Stevenson-Roeves Liaison

NEWPORT, R.I., July 15 (AP)—An officer of President Eisenhower's staff today revealed that the President had not discussed a proposal for a meeting between Governor Adlai E. Stevenson and General Dwight D. Eisenhower.

The officer said that the President was not interested in the idea and that he had not even considered it.

Cabinet Acts In 'Serious Situation'

BRUSSELS, Belgium, July 14—The cabinet of Prime Minister Jean-Louis Pons today announced that it would proceed with the evacuation of the Belgian embassy in Kinshasa.

The cabinet acted after receiving a report from the Belgian ambassador in Kinshasa, who informed them that the situation was "very serious."
