Special Dispatch.

New York, Dec. 20.—The market was strong early in the morning on Union Pacific, but subsequently on a rumor that the Delaware and Lackawanna had refused to come into the pool, and on large sales in this stock by Soutter & Co. and E. K. Willard, the market weakened, Lackawanna selling down to 116 1/4 and Union Pacific receding to 75 1/2.

The meeting of the Union Pacific directors resulted in their ratification of the tripartite agreement, and this strengthened the entire market; Union Pacific selling up to 77.

Conservative brokers said last night that the market had been manipulated by bears who had manifested some uneasiness.

President Cady says: "Everything looks well out west. I think Union Pacific will ratify tripartite agreement; then the other roads will come into a new pool. By the way, the Wabash had not come in, but is reported, I expect to go west to-morrow."

It is reported that the tripartite agreement is intended to pave the way for a new pool, including all competitive business west of the Missouri river.

A broker, who is doing a large clique business, said last night that insiders had not covered shorts in strangers, and he was certain prices would do little before the Iowa pool matters were fixed up.

L. Cahn & Co. have been large buyers of Union Pacific, Hamilton & Conner sold a small amount, Boston houses buying Union Pacific, and advance being made to be based on assurance that the directors will ratify the tripartite agreement.

The Northern Pacific have been sold on poor statement of earnings. Lockwood & Co. advanced one share to 95 1/2.

Resolutions were unanimously adopted at the Union Pacific meeting to-day, instructing general managers of all competing roads to come into the combination on equal terms.

Gold said there was a good deal of discussion on the resolution to buy a new pool, and he thinks the resolution a good thing, and that all the roads will come in.

New Orleans and New Orleans company to-day applied for listing \$3,000,000 stock, \$1,500,000 first, \$2,000,000 first, and \$500,000 Texas stock, and bonds to be issued to \$1,500,000.

The Oregon Transcontinental has applied for listing of \$2,000,000 bonds issued against a deposit of \$100,000 in cash.

The resolution adopted at the Union Pacific meeting contains thirty-two pages and terms of contract between Rock Island, St. Paul, and Union Pacific, and approves the action of the general manager in making the contract and adopts it as action of the company.
