The German president's great gift to the American people.

The President of the People's Republic of Germany presented to the American government a book that had been the property of the Emperor Frederick II of Germany, as well as a number of other valuable volumes. The gift was in recognition of the services rendered by the American nation in the enforcement of the treaty of 1850, which provided for the removal of the German people from the United States.

Columbia Law School

Columbia Law School is one of the oldest and most respected law schools in the United States. It was founded in 1857 and has educated many of the nation's top lawyers and judges.
