ORATORY AND EXPLOITS

The Progress of More Elementary Than Ever in the World of Speeches at the Great Opera House. Events in the World of Speeches.

A glittering Temperance Day is about to come to the world of speeches. A great day for the world of speeches. A great day for the world of speeches.

Catharina Poehlman, who will address the world of speeches, is a great temperance lecturer. She will address the world of speeches.

She will address the world of speeches with great eloquence and force. She will address the world of speeches with great eloquence and force.

The audience will be spellbound by her eloquence and force. The audience will be spellbound by her eloquence and force.

The speeches will commence promptly. The speeches will commence promptly. The speeches will commence promptly.

A great day for the world of speeches. A great day for the world of speeches. A great day for the world of speeches.

THE MORNING TIMES, SUNDAY, JULY 4, 1897.
