GREETINGS!

THE Chesapeake and Potomac Telephone Company extends its greetings. May you be truly happy in this time of general rejoicing. May you go about spreading good will among your neighbors and thus gain the full spirit of the holiday. May laughter, kindliness and forgiveness fill your hearts.

Merry Christmas and a Happy New Year to you all.

First Presentation Will Be Great Monday Night—Production Touring Big Cities.

One of the biggest attractions in theatrical circles in Washington is the announcement made by Poli that the play may be presented by the Poli company. The play was written by the famous playwright, and it is expected to be a great success. The Poli company has already had a number of successes with this play, and it is expected that it will be a great success in Washington.

MARRIAGE LICENSES

In this district for the last year, the number of marriage licenses issued has been quite small. This is due to the fact that many people prefer to get married in other places. In this district, there have been only two marriages, and both of these were performed by the same minister. In other districts, the number of marriages has been much larger. In some places, there have been as many as ten marriages in a single day.

A charming player—4 people—clever characters—smart repartee and real laughs.
