

MAINTAIN WHEAT PRICE, IS PLEA

Julius Barnes, U. S. Grain Official, Says Nation Must Support Farmers.

It is "unthinkable" that Congress, having placed a guarantee on the price of wheat, should in any manner neglect to keep faith with the farmers of the country...

Authority to buy, if necessary, in the regular commercial manner, pledging the credit of the government...

As to broad policies, Mr. Barnes said the grain corporation did not believe America's surplus wheat should be sold abroad at a lower price than paid by her own consumers...

Chairman Lever made it clear that nothing else was intended by the committee than that faith be kept with the farmers and the guarantee of \$2.25 per bushel made good.

DRAFT MACHINE CENSUS TAKER

Recommendation by Gen. Crowder in Report of Selective Service Act.

Emphasizing the enrollment by the selective draft machinery of 15,000,000 in one day, Provost Marshal General Crowder, in his current annual report, recommends to the government that the next census be handled through the War Department draft process.

Kidney disease is no respecter of persons. A majority of the ill affecting people today can be traced back to the kidney trouble.

Gen. Crowder says that on the date of the signing of the armistice the War Department had produced an army of 2,810,286 men. Had mobilization lasted five days longer the selective service organization would have placed with the colors more than 3,000,000 soldiers.

FLYERS DROP BOMBS ON RIVER TARGETS

Naval Aviators Make Experimental Flight Down Potomac. Yesterday was an ideal flying day, aviators at the Anacostia Naval Air Station said.

The weather conditions permitted the first flying in several days. Three hydroplanes were dispatched down the Potomac to conduct bomb tests, under the command of Lieut. U. G. Shipman, U. S. N. Bombs weighing 25 pounds were released by the hydroplane piloted by Lieut. E. B. Taylor, U. S. N., flew low over the southeastern part of the city yesterday afternoon. It was stated last night that this plane was taking a series of photographs.

The one thing you've always wished a cigarette would do—SATISFY. Chesterfields do it. They touch the "smoke-spot." They let you know you're smoking. They satisfy. Yet, they are mild! That's some combination for a cigarette to "put across." But Chesterfields do it! It's the blend, a new blend of pure Imported and Domestic tobaccos—and the blend can't be copied. Try Chesterfields—today.
