DEWS OF EVE No More Gentle Than "Cascarets" for the Liver, Bowels

It is just as needless as it is dangerous to take violent or nasty cathartics. Nature provides no shock absorbers for your liver and bowels against cholera, harsh pills, sickening oil and salts. Cascarets give quick relief without injury from Constipation, Biliousness, Indigestion, Gases and Sick Headache. Cascarets work while you sleep, removing the toxins, poisons and sour, indigestible waste without gripping or inconvenience. Cascarets regulate by strengthening the bowel muscles. They cost so little, too.—Adv.
