The Common Council.

We publish in another column a full and accurate report of the doings in the Council chambers yesterday. To that report we refer our readers, preferring to await a calmer moment for the comments which the occasion provokes.

By an oversight we included the County of Allegheny among those whose Members of Assembly signed the Resignation with Improvements Address.

The attendance on the course was very large, estimated at sixty to seventy-five thousand.

Some accidents occurred, but none very serious. The letting was pretty heavy; the odds on the side of Boston.

By an oversight we included the County of Allegheny among those whose Members of Assembly signed the Resignation with Improvements Address.

As to the creature Shaler who—singly beaten as a candidate for Alderman, being elected of three on the poll, though endorsed as the regular candidate of Tammany, and having all the power of acting Alderman to aid him—now thrusts himself into the seat to which another has been fairly chosen, and claims to sit and vote as its Representative of a Ward which has elected him by a vote of three to one, we have no hesitations strong enough to characterize the infamy of his usurpation.

Of course we have yet reached only the beginning of the end! The Board of Aldermen have adjourned to next Monday evening, when the Whig ascendency in that Board will be fully vindicated.

The Editor of the Courier and Enquirer imputes to us an excess of good temper and discretion. This is a compliment which we certainly cannot reciprocate.

In getting up and getting into quarrels and predicaments, our senior of the Courier is a great way ahead of us. In assailing our own Political friends, bullying Congress and assuming the drivership of the Whig party, we do not aspire to compete with him.

In regard to his controversy with Mr. Marshall, we happen to know that the first blow was struck by the Editor of the Courier himself, by writing and publishing in his paper a pretended communication, charging certain Whig Members of Congress, colleagues and friends of Mr. Marshall, by the plainest and grossest insinuation, with being bribed with heavy sums of foreign gold to unite in the repeal of the Bankrupt Law.

This flagrant and most reckless outbreak came very near destroying that Law, and we believe did contribute essentially to secure its repeal by the House.—That it was utterly unfounded, we need not say; that it was made without believing or suspecting it to be true, we have not a doubt. Mr. Marshall, a leading opponent of the Law, repelled the gross aspersion on his conduct as he had a perfect right to do; that he resented it in kind was very natural, to say the least; and that the Courier is wholly in the wrong in the origin and entire course of its four personal attacks on him, the public will well understand. Enough of this.

Correspondence of The Tribune.

NEW-BRUNSWICK, N. J., May 10th, 1842.

FRIEND GREENEY: Our City Charter Election came off yesterday, and for the first time the Locos hauled down their flag and surrendered without a struggle.

Was not that kind of them—after boasting of the great reactions in New-Jersey, and that Whigism was prostrated last spring—upon the first trial to abandon the field? The Opposition last spring elected their Mayor by 60 majority, and a portion of the Common Council; but, alas!

And besides, the Claytons of our soil are unpropitious to the growth of Toryism. Doct. F. R. SMITH is the Mayor elect.

We have in type further interesting intelligence from the Medians. It is crowded out today.

The Defence of Alexander Poyel appears in the Madisonian of yesterday.

Valuation of Imports.

I saw an article in the Courier and Enquirer a few weeks since, recommending a Tariff law that should allow any one to take goods at the invoice price of the importer and pay him for them—

through this would guard against under-valuation. A most excellent plan, this for two reasons in company: one to be the importer, the other to take them at the valuation. This plan, I think, would help the revenue about as much as Col. Webb's support does Henry Clay and the Whigs.

OLD will hold a Home Industry State Convention at Columbus on the 4th of July.

The old Albany Daily Advertiser has changed editors—Orville L. Holley taking hold instead of Rufus King, both good men and true. The Daily hosts the broad banner of HENRY CLAY.

The Whigs of Claiborne Co., Miss., were to hold a meeting at Port Gibson on the 23rd ult., to send their good wishes to 'Harry of the West'.

In Washington Co. Pa. on the 6th instant Thomas M. T. McKenna was nominated the Whig candidate to represent that district in Congress, in the place of the late Hon. Jos. Lawrence. He has often represented the district, and was never yet beaten.

The citizens of Danville Co. Pa. favorable to the election of HENRY CLAY to the Presidency in 1844, are to hold a County Convention on the 13th inst.

A great meeting of the Planters of Louisiana, and especially of those interested in the culture of the sugar cane is to be held at Donaldsonville, La., on the 16th inst. to devise measures to revive this almost prostrate branch of the Interests of the Country.

On Saturday night last a murder was committed in a grocery in Baltimore kept by a man named John Whalen. The deceased was a seaman, named Sweden, on board the brig Gaspar.

The body of an unknown man was found in the East River yesterday at the foot of Clinton-st. Nelson was marked on his clothing.

A great meeting in relation to the Tariff and the Public Works of the State, is about to be held at Mercer, Pa.

The Erie Railroad Company made their trip this morning, from Gothen to this City, in four hours and five minutes, bringing 100 passengers, 79 of which came over the Railroad.

A man named Thomas Bell has been arrested at Baltimore charged with robbing the Mail in Washington City.

The Cause of Protection.

MESSRS GREENEY & MELABATH I have with much pleasure your second No. of the "American Laborer." It is the very thing wanted not only here but throughout the country.

I handed the paper to some of our Working Men, and had them to give me their views on the subject. They have improved on the hint, and have just handed me the enclosed \$20 to pay for 40 copies.

FRANCIS LANGRISH—There is no doubt that Manesty's admirable plan for teaching foreign languages is far the best that has been discovered, and we advise those who wish to acquire the French without the tedium and drudgery of having to learn roots and phrases by rote like a parrot, to adopt the system. We can recommend the teacher who advertisement will be found in another column on this page.

Rhode Island. Correspondence of The Tribune. PROVIDENCE, May 9, 1842. You will see by the papers that Benjamin Arnold jr. another of the Representatives to the General Assembly under the "People's Constitution" has been arrested. He refused to give bail and was committed to the county jail. Mr. Dorr has left the State; he went through Gloucester to the Norwich and Worcester Railroad, and is now probably in New-York or Washington. His friends say that he will return by Friday or Saturday and give himself up. Other warrants are out, and arrests will probably be made to-day or to-morrow. The General Assembly meets on Wednesday at Newport to receive the reply of the President to the requisition.

CASINOES.—The great match race of Boston, vs. Fashion, for \$40,000, originating in a challenge of the owners of the famous racer Boston to run him against any thing under a steam locomotive, for \$20,000 a side, was run over the Union Course yesterday. Boston is a Virginia horse, nine years old; Fashion a Jersey mare of five—both in tip-top condition. Contrary to the more prevalent expectation, Fashion proved the winner in two heats, taking the first by a length, and the second by four or five of them. The time was decidedly the best ever made in this country, and we understand the best on record, viz:

H. K. Talbot vs. William Gilman, in Fashion, 11 1/2
W. R. Johnson (James Long's) in Boston, 22
Time—7 1/2—22—4 1/2
Knappe and Henry's time, 7 3/4—7 1/4.

The attendance on the course was very large, estimated at sixty to seventy-five thousand. Some accidents occurred, but none very serious.

The letting was pretty heavy; the odds on the side of Boston. We hear that much dissatisfaction was excited by the inadequate arrangements of the Railroad, and that some damage was done to the cars. Our city is full of strangers, many of them from the South. The Races will continue several days.

By an oversight we included the County of Allegheny among those whose Members of Assembly signed the Resignation with Improvements Address. Allegany didn't give a tenth part of the majority last year she will give this; but she sent two excellent Whigs to the Legislature, as usual heretofore and hereafter.

FOREIGN EVANGELICAL SOCIETY.—This Society held its Third Anniversary last evening at the Dutch Reformed Church, corner of Fourth-st. and Lafayette Place. Hon. THOMAS FREELING presided. The exercises were opened with prayer by Rev. Mr. BRISMADE. The Treasurer's Report was then read by Mr. CHESTER. It presented the following aggregate:

Amount of Receipts for the year.....\$13,751
Expenses for same.....12,127
Leaving in the Treasury.....\$1,624

The Report of the Executive Committee was then read by Bro. E. N. KIRK, Corresponding Secretary. It presented the purposes and the progress of the Society in a full and lucid manner. The object proposed is to instruct in the principles and lead to the practice of Christianity those natives of Europe nominally Christian, but under the influence of Papacy. The countries to which its operations have been chiefly confined are France, Spain, Italy, Belgium, Germany, Switzerland, &c.

During the past year 32 colporteurs, or Bible distributors, have been steadily employed in France and one in Belgium, and more than 200 have been engaged for longer or shorter periods. It is now 27 years since the first Bible Society was established in France, and they have distributed within that time 2,072,014 Bibles. Since the last Anniversary above 30 evangelist preachers have been employed; more than 100,000 Bibles have been distributed in Belgium. After the reading of these reports was concluded, excellent addresses were delivered by Rev. Geo. B. CHEEVER, Rev. G. W. BETHUNE and Rev. E. N. KIRK.

NEW-YORK AND AMERICAN SUNDAY SCHOOL UNION.—The anniversary of this Institution was held last evening at the Broadway Tabernacle. The Report of the Executive Committee was read by Rev. Mr. PACKARD. The expenses of the Union for the year have been \$1,750. They have sustained during the year 37 Schools, which have been attended by 16,373 children, of whom 8,333 read the Scriptures; and 4,924 have been admitted since the late of the last Report. Of the whole number 2,015 are Professors of Religion, of whom 129 have become so since the last Report. They have in their various libraries 30,627 volumes. The meeting was addressed by Rev. Messrs. STOXES, EYKINS and WICKOFF.

AMERICAN ANTI-SLAVERY SOCIETY.—This Society held its ninth Annual Meeting at the Broadway Tabernacle yesterday at 10 o'clock. A. M. JAMES FULLER, of Skaneateles, one of the Vice Presidents, in the Chair. Prayer was offered by Rev. FRANCIS HAWLEY, and Rev. J. M. SEARS, of Westmouth, Mass. The Report of the Executive Committee, (understood to be from the pen of Mr. CHILDS) was read by JOSEPH C. HADLEY, of Farmington. It alluded to the peculiar difficulties and embarrassments resulting from the division of the Society two years ago—to the operations of the Society during the past year—and to the present aspects of the cause. JAMES S. GIBBONS read the aggregate of the Treasurer's Report, from which it appeared that the receipts during the year amounted to \$10,031 67; the expenditures to \$9,700 00; leaving a balance in the Treasury of \$381 67. The receipts were greater by about \$3,000 than they were last year. The National Anti-Slavery Standard, edited by Mrs. CHILDS, has nearly doubled its circulation during the year. Addresses were delivered by C. C. BURTON of Philadelphia, WENDELL PHILLIPS of Boston, and Gov. BRADFORD of Nantucket.

AMERICAN AND FOREIGN ANTI-SLAVERY SOCIETY.—This Society held its second Anniversary in the church, corner of Delancy and Chrystie-streets, last evening. A large audience of respectable citizens listened to the services with apparent interest and gratification. ARTHUR TAPPAN presided. The meeting was opened with prayer by Rev. Theodore S. Wright of this City. The annual report was read by Rev. S. S. Jocelyn, the Corresponding Secretary, and Lewis Tappan offered a set of resolutions, that were unanimously adopted. The closing address was made by the Rev. Mr. Pennington, pastor of the Colored Congregation at Hartford, Conn. Interesting intelligence was communicated from the Amistad Africans, at Sierra Leone—from the Missionaries at the West India and Sandwich Islands—from England and France, and letters were read from several distinguished individuals.

The case of the Creole underwent a searching examination, and the language of the Government in its communication to the American Ambassador at London was contrasted with a brilliant passage of an oration delivered on Plymouth Rock in 1820, by Hon. Daniel Webster. An eloquent extract from the blighting influence of slavery was read from a pamphlet by the Hon. Thomas F. Marshall. It was stated that the American missionaries at the
