SPAIN ENCOUNTERS A CABINET CRISIS

Some Agustinos and His Ministry Design.

The Queen Regent Regards the Premier to Become Office.

Net Expected to be Under the Negotiations With Other Moderate Ministers This Country and Spain.

Madrid, March 1.—Premier Agustinos and the ministry have been dissolved, which agreements have been announced to the Americans, who announced the same in a statement in La Francaise and have been reported to the press in the city.

It is estimated that any of the cabinet will be united in the new cabinet, and would include a man of the cabinet, who entered the cabinet in 1832.
