AMUSEMENTS.

NATIONAL THEATRE.—To-night Mr. James Carden, who personated so satisfactorily the poetic creation of Tennyson for the past two nights appears as Ingomar in Maria Lovell's translation of Theodore Hahn's play of "Ingomar, the Barbarian." Theodore Hahn is, however, a man of straw—a pseudonyme used by the author, whose real name is not recollected. The character of Parthenia is lovely, and as it will be represented by Annie Waite (it is presumed she will personate it) will be an excellent picture of a spirited loveable daughter and sweetheart.

MRS. FRANCIS ANNIE KEMBLE, the renowned reader of Shaksperean plays, will appear at Metzerott Hall, on Tuesday evening next, reading "Richard II," and will remain in this city long enough to give three additional readings, viz: Midsummer Night's Dream," "The Winter's Tale," and "Othello." It is now nearly twenty years since we heard her read "The Winter's Tale"—a play not popular for stage representation, but admirably adapted to her fine elocution and dramatic capabilities. No more refined and intellectual treat was ever offered to a Washington audience than that which is promised by Mrs. Kemble's contemplated visit; and this popular hall for mental and musical recreation will doubtless be filled to overflowing.

DAN RICE'S CIRCUS.—This world renown showman is coming among us with his grand menagerie and circus. He will spread his tent on Monday, March 30th, on Sixth street below Pennsylvania avenue. This menageric is a rare collection of animals educated to do many wonderful feats, and his circus will present a combination in the line of equestrianism unrivaled in this or any other country. What is to be regretted is Mr. Rice advertises that this is his farewell visit to the capital, so we may expect that when he has entertained our citizens for a brief period that he will, "Like the Arab fold his tents and pass silently away." Let all take warning from this timely notice and hasten to witness for the last time the show of this prince of showmen.

ANOTHER CIRCUS.—Thayer & Noyes are to follow Dan Rice, so that for two weeks our people can take their fill of circus, and Washington is not slow in bestowing its patronage upon these masters of equestrian sports. Messrs. Thayer & Noyes announce to the public that they will open their circus on Sixth street below Pennsylvania avenue, April 6th. These gentlemen are so well known that a lengthy notice can scarcely do them any good. Our people will be sure to give them a call.

WALL'S OPERA HOUSE.—Professor Haselmayer, the great magician, made his second appearance before a Washington audience last evening at Wall's. The audience was larger than on Monday evening, and the Professor's tricks were very clever. Curiosity was kept on tip-toe for the entire evening, and the remark of everybody was, how wonderful. When all was so good, it is extremely difficult to particularize. The Professor is an adept in legerdemain, and has the happy faculty of pleasing his audiences to the top of their bent.

ODD-FELLOWS' HALL.—Blind Tom had a large and highly intelligent audience last night, and delighted as well as astonished it. He is a wonder. Many "wonders" have claimed to be the *eighth* wonder of the world, but if any claimant has an indisputable right to the addition to the seven wonders of Grecian origin, Blind Tom is the legitimate claimant. This afternoon and night is stated to be the last of his performances in this city at present. We trust his stay will be prolonged during the whole week. Everybody should see and hear him.

NEW ADVERTISEMENTS.

HARVEY & CO., the well-known oyster dealers, whose establishment is justly patronized by all the best epicures of the city, gives due notice that he is daily receiving those famous Point Lookout and Smith Creek's, with Jones', Langley's and Potter's Coves oysters. Messrs. Harvey & Co. have also purchased the sole right to the beds where those delicious bivalves recline and fatten for the epicures of the patrons of their establishment.

LOCAL DEPARTMENT.

THE POTOMAC.—*Seventh Street Wharf.*—The steamer Arrow, Capt. Thos. Stackpole, left this wharf at 10 a. m. for Mount Vernon, returning at 4 p. m. She carried quite a number of first-class passengers both ways, stopping at Alexandria, Fort Foot and Fort Washington. The captain proposes to make regular trips daily, nothing preventing.

Cronche's Wharf.—Arrived—Schooners Benj. Fox, A. Franklin, from Matawoman creek, with lime consigned to Benj. W. Fox; A. W. Martin, Bryan; *Riley's Wharf.*—Arrived—Schooner Mariner, Turner, from Choppawansie, with lumber for C. H. Church.

Capt. Jacob Faunce had his fine seine-boat, Mount Vernon, which we described some time since, launched at the foot of Twelfth street yesterday. She was built by Messrs. Ragan & Evans.

Mr. Wm. Stewart had a fine seine-boat, Arlington, launched at the foot of Thirteen-and-a-half street. It was built by Mr. John Cumberland.

Mr. Jno. Lacy is having a No. 1 sand boat built on Monument Point. When completed, it will be 65 feet in length by 18 in width. Wm. F. Frazier, builder.

Mr. C. H. Walker had a scow launched, on Monday evening, in the canal, near Tenth street bridge. Built by Geo. W. Thomas.

We noticed quite a neat craft, Witch of the Wave, on I street south, between Four-and-a-half and Sixth, and, on inquiry, we learned that it was modeled by and belongs to Messrs. Smithson & Barron. It has a keel of 30 feet, 50 feet beam, and is three feet deep. It was fitted out by Mr. Geo. W. Thomas, and casts a good reflection on that gentleman as a mechanic. It was built expressly for sporting purposes.

PLEASANT SOCIABLE.—Some of the ladies connected with the new Baptist congregation, which worships at Odd Fellows' Hall, Navy Yard, met last evening at the house of the Pastor, Rev. John Bray, to organize a "Sociable." Mrs. General Hovey was elected president; Mrs. Wright, vice president; Miss Ann S. Bray, secretary, and Miss S. Bray, treasurer. The initiation fee is fixed at 25 cents, and all moneys thus collected, we understand, are to be set aside in aid of the church building, which this young and vigorous congregation contemplate erecting during the coming summer.

The new congregation is the result of four months' effort on the part of the Rev. Dr. Bray, late of the Navy Yard Baptist church. The new church is to be called the "Mount of Olives Baptist church" of East Washington. The Sabbath school numbers about 60 children and 15 teachers, and it has a new and valuable library. The congregation has quite a number of young and earnest people as members, and is continually increasing in numbers.

The first or initiatory meeting of the "Sociable" was well attended, and augurs well for the future.

The music was excellent, and could not well be surpassed, and was furnished principally by the following gentlemen: Mr. John Bray, jr., 1st violin; Mr. M. Cole, 2d violin; Mr. John Driggs, flute; Mr. Theophilus Bray, guitar. The Misses Bray presided at the piano.

Altogether, the ladies of this new and flourishing congregation have cause for congratulation that their efforts have been crowned with such flattering success, and we wish them many happy "sociables."

DETECTIVE MCDEVITT, we regret to say, is lying quite ill at his residence in south Washington, having been taken sick about a week since. We hope to see him out soon, and after the "knocks."

FIFTH WARD REPUBLICAN ASSOCIATION.—A meeting of the above association was held last night at Israel Methodist church, south of the Capitol, and was called to order by Mr. John R. Arrison, president, with Mr. A. P. Clark as secretary.

The meeting was opened by singing and prayer, by Rev. Boswell Brown, (colored.)

The object of the meeting was to reorganize the Fifth Ward Club for the opening of the campaign; and elect officers to serve for the ensuing six months.

The Chair said the term of office had long since expired, and the first duty was to elect officers, after which important matters would come before the meeting. He thanked the club for the uniform kindness extended him during his term of office, and moved that a temporary chairman be appointed until the election of officers took place.

On motion, Mr. E. G. Atkinson, (colored,) was appointed temporary chairman.

Mr. Arrison moved that the old constitution be the basis of organizing the new club.

The motion was agreed to.

Nominations of officers were then made, and Mr. A. Herbert, (colored,) was elected president *vice* ——, who, on taking the chair, made an appropriate address, thanking the club for the honor conferred.

Messrs. Samuel Williams and A. P. Clark, were nominated for first vice president, and the question being taken on the first named, about a dozen voices were heard in the affirmative and about half a dozen in the negative.

A division was called for, but the president decided Mr. Williams was elected, without taking a vote for Mr. Clark.

Considerable discussion ensued on this decision, a number contending that the decision was not parliamentary, while others contended to the contrary.

A motion was then made and seconded that Mr. Williams be declared unanimously elected. Carried.

Mr. Horace Merryman was elected second vice president; A. P. Clark, recording secretary; Samuel Nichols, colored, financial secretary; and Leonidas Scott, colored, treasurer.

On motion, the Chair was authorized to appoint an executive committee.

Mr. Brown, colored, offered a resolution providing for the appointment of a committee of nine to represent the club in the emancipation convention, to be held in Georgetown to-morrow night.

The reading of the resolution gave rise to considerable debate, Mr. Marshall, colored, contending that it could not be offered at this meeting, as it was called for the purpose of organizing the club for political purposes, and not to celebrate the emancipation proclamation.

A communication was read from the Republican General Committee, requesting the club to select two delegates and four alternates to the Chicago convention.

A motion was made to go into an election for the delegates.

Mr. E. G. Atkinson (colored) offered the following as an amendment:

Whereas, the members of national conventions represent districts and States, and not wards or precincts; therefore be it

Resolved, That the Republican Central Committee be requested to call a convention to elect delegates to represent the District in the Chicago convention.

Mr. Marshall (colored) opposed the sending of delegates to Chicago, because they would have no vote, and he doubted whether they would be even admitted to seats on the floor.

A voice. Yes, they will, for Brown says so.

Mr. Arrison said he wanted delegates elected that they might give an expression of the District sentiment.

The question being called for the amendment was adopted.

The resolution relating to delegates to the emancipation convention at Georgetown, to-morrow night, was then called for, when several persons contended that the club could not legislate for the whole people; but that it must resolve itself into a mass meeting as this was a political organization.

The Chair said the matter was with the club, and they could do as they pleased.

Mr. A. P. Clark here introduced a series of resolutions endorsing Edwin M. Stanton, expressing delight with the result of the New Hampshire election favoring General Grant for the Presidency, and indorsing the Sumner charter bill; which were unanimously adopted.

The subject of the emancipation convention was then taken up for the third time.

On motion of Mr. E. G. Atkinson, (colored,) the meeting adjourned, and, resolving itself into a citizens' mass-meeting, the emancipation convention came up for the fourth time, and was likely, from the wrangling, to be laid aside and brought up for one hundred times at least, as several of the speakers declared that another mass-meeting was being held in another part of the ward for the purpose of selecting delegates to the emancipation convention; and when we left (11 o'clock) the question was being discussed in a lively manner by Mr. Marshall, (colored,) who was opposed to two meetings being held at one time in the same ward; and it seemed to us that the mass meeting would remain in session until after the aforesaid emancipation convention had met and adjourned.

PROVIDENT AID SOCIETY.—This association met at the Board of Trade Rooms, at 2 o'clock p. m., yesterday, Hon Peter Parker in the chair, and S. F. Kaufman secretary.

The minutes of the last meeting were read and approved.

The Chair said he had called on Generals O. O. and Charles H. Howard, but did not see them. He did see the Adjutant General, who said he could not state whether General Howard would assume the debts of the soup-houses or not, as desired, but felt sure that he would do what was right as far as possible. As to the $15,000 appropriated by Congress, Gen. Howard had received none of it in consequence of the hitch between the War Department and the Executive.

Mr. A. R. Shepherd stated that there were between $400 and $600 debts unpaid as yet.

Mr. Kaufman moved that the committee be empowered to see Gen. Howard again, and report to this society.

Rev. Dr. Hall moved to adjourn to meet at the same place on next Tuesday at 2 p. m.

Mr. George Savage said, if such was the case, he would move that the money now in hand be paid out *pro rata*.

Rev. Dr. Hall said that they needed all the facts before them to settle the matter properly, and he would press his motion to adjourn.

Mr. Thos. E. Lloyd remarked that if the soup houses had been closed as directed, no debts would now be hanging on them.

Rev. Dr. Hall pressed his motion, and the society adjourned, as above indicated.

TWENTY PER CENT.—The joint resolution which was introduced in the House on Monday by Mr. Orth, read twice and referred to the Committee of the Whole on the state of the Union and ordered to be printed, provides: That there be paid for the fiscal year ending the 30th of June, 1868, to the several clerks, messengers, laborers, and other employees in the several executive departments in the city of Washington, or residing there, female employees whose pay has been raised to $900 per annum under the act of July 23, 1866, and to the photographer and assistant photographer of the Treasury Department, and to the clerks and other employees of the city post office and the Agricultural Department, and to civilians who are clerks and temporary employees in the office of the Coast Survey and Naval Observatory, and in the office of the Capitol Extension in the city of Washington, a graduated percentum upon the amount of their salary or other compensation of the following character and with the following restrictions and limitations, to wit: To all who receive a compensation of less than $1,200 per annum, 20 per cent. on the amount of such compensation. To all who receive $1,200 and less than $1,600, 15 per cent. To all who receive $1,600 and less than $2,000, 10 per cent.; and to all who receive $2,000 and less than $3,000 per annum, 5 per cent. on the amount of their annual salary, to be paid out of any money in the Treasury not otherwise appropriated.

SIGNS OF INDUSTRY AND PROSPERITY.—On stepping into the boot and shoe store of Mr. G. H. Wilson, under Odd Fellows' Hall, Seventh street, yesterday, we were surprised to see that, notwithstanding the fact that nearly all our merchants and other business men are complaining of the dullness of the times, and the slack state of business generally, he has enlarged the dimensions of his business commodious storeroom, making it twenty feet front by a depth of one hundred feet. This spacious store is literally crowded with the best and latest styles of every description of boots and shoes, embracing all qualities, from the heavy brogan to the finest and neatest ladies' slipper, and Mr. Wilson is determined to sell his assortment at prices that will suit purchasers, no matter whether times are bright or dull. Give him a call. He has really gentlemanly clerks.

ATTEMPT AT ROBBERY.—Yesterday morning, about 11 o'clock, there was quite an excitement in and around Pennsylvania avenue, near Tenth street, caused by a boy, aged about fifteen years, attempting to extract a large roll of "greenbacks" from the pocket of a countryman in the auction room of Mr. Mark Ezekiels; but being detected by Mr. E., was prevented from so doing. The would-be-thief brandished a large knife in Mr. Ezekiels' face, stating that he would have revenge as he had "shown him up" in public on previous occasions. There was a white and one colored boy in "cahoot" with him. Lieut. Skippon, of the Fourth precinct, happening to be passing in that vicinity, with several citizens, gave chase, but with no avail, as they all made good their escape.

PRISONERS GONE TO THE ALBANY PENITENTIARY.—Warden Hunetis, with several guards of the jail, started on Monday evening for Albany with nine prisoners convicted at the present term of the Criminal Court, and sentenced to the Albany penitentiary. The following are the names of the convicts: E. W. Howell, counterfeiting, 5 years; Chas. O. Rourke, manslaughter, (killing his wife,) 1 year; John Harris, A. J. Marquis and Jno. Wagner, Conrad Sahr, burglary, 3 years each; James M. Smith alias "Slim Jim," burglary, 5 years; Lewis Cass, robbery, 3 years; Isaac Wiles and Mary McGibben, grand larceny, 18 months each.

TRUNKS.—Stephens & Co., No. 310 Pennsylvania avenue, have just received a large and superior assortment of trunks, among which may be particularly mentioned the large packing trunk, the ladies' Saratoga trunk, and the sole-leather trunk, together with every variety of satchels, traveling bags, and valises for ladies, all of which are offered at the very lowest prices. Those contemplating traveling should call and examine stock at Stephens & Co.

COLUMBIAN HARMONIAL CEMETERY ASSOCIATION—WASHINGTON, D. C., March 16, 1867.—On the above date, at the instance of the president, the few surviving members of the association met at the residence of their late fellow member, Mr. William Slade, in order to have an interview in relation to the funeral of their deceased friend and brother. Mr. David Fisher in the chair; Benj. M. McCoy, secretary. On motion, it was resolved, unanimously,

That we all attend the funeral and take our appropriate place in the procession as a society.

Resolved, That the president be authorized to procure suitable crape and black silk gloves for the use of the society, and that each member wear crape on the left arm for the space of thirty days in token of respect for the deceased.

Resolved, That the association employ four carriages, one to be used by the society and three to be tendered to Mrs. Slade for the use of the family, and the cost of the same to be paid by the general agent out of any funds that may be in his possession belonging to the association.

Resolved, That the secretary draft a preamble and resolutions of condolence to be submitted at our next meeting.

Resolved, That we adjourn to meet on next Monday afternoon at 5:30 o'clock, at the business place of the president, Mr. D. Fisher.

D. FISHER, President.

BENJ. M. MCCOY, Secretary.

At a meeting of the association, held on the 23d inst., the following preamble and resolutions were submitted by the secretary, Mr. B. M. McCoy, and unanimously adopted:

Whereas, It hath pleased Almighty God, in the dispensation of his allwise providence, to remove from our midst a worthy and highly esteemed fellow-member and zealous co-laborer in our time-honored institution, the Columbian Harmony Society; one whose zeal has never flagged, but who has always been ready and willing to render assistance and co-operation in advancing the interest of the association by his counsel, his influence and his means, and never shrunk from any responsibility, nor failed to act his part, however irksome the task. That member is brother Wm. Slade, who departed this life on last Monday morning, the 16th inst. Brother Slade has left our little society circle; we shall see his pleasant countenance here no more; we shall have no more of his aid in conducting the affairs of Harmony Society; but as the psalmist David said in consoling himself amidst his lamentations on the decease of a beloved one: "He cannot return to us, but we can go to him." Time is its rapid flight will soon bear us all away. Some of us perhaps very soon. Let us then prepare for join brother Slade, with the many who have gone before us in that better land, where there is no death! No suffering, no parting of friends, no grief, because there there is no sin. In consideration of the foregoing, therefore, be it

Resolved, That while we bow in humble adoration and meek submission before the great Author of our being, and the beneficent Disposer of all events, and acknowledge that in righteousness He hath afflicted us, we cannot suppress the feelings of deep and poignant sorrow for the loss of one with whom we have been so long and so pleasantly associated, and we will ever cherish in our hearts the fond recollection of his many virtues.

Resolved, That the Columbian Harmonial Cemetery Association has lost, in the demise of brother William Slade, one of its firmest supports; the community at large an influential and useful friend and benefactor; the church a zealous officer, and his family circle a loving husband, a doting parent and a faithful friend and guide.

Resolved, That we deeply sympathize with the bereaved family of our dear departed friend and brother, and we do assure them of our heartfelt condolence in this their sad affliction and distress.

Resolved, That the foregoing preamble and resolutions be entered with the minutes of the association, and a copy be sent to the family of the deceased.

Received and adopted March 23, 1868.

D. FISHER, President.

B. M. MCCOY, Secretary.

THE JOURNEYMEN PLASTERERS.—The difficulty between the employees and journeymen is still unsettled, and the strike, which commenced among the journeymen on Monday week, continues. On Monday evening the Journeymen Plasterers' Association was held at German Hall, which was largely attended. The meeting was presided over by Mr. Jas. Harrett and Mr. J. R. Gill acted as secretary.

Mr. J. W. Mattingly, president of the Workingmen's Assembly, being present by invitation, submitted the following preambles of the Bookbinders' Society, in which sympathy was expressed for the plasterers in their strike, and $50 appropriated for their benefit. Previous to reading the same, Mr. Mattingly addressed the meeting, during which he administered words of encouragement to the plasterers, urging them to stand firm in the position they had taken, and promised an early meeting of the Workingmen's Assembly in order to adopt measures for their relief. The proceedings were then read, ordered to be placed on record, and Messrs. Stephen Gill, Wm. Coyne and James Morrow were appointed a committee to draft a reply.

After a short retirement, the committee returned to the hall, and submitted resolutions returning "the sincere thanks of this association to the Journeymen Bookbinders' Society for the action taken in their behalf."

Messrs. J. R. Gill, Jas. Morrow, and William Coyne were appointed a committee to present the resolutions to the Journeymen Bookbinders' Association.

Mr. Coyne, from the committee of twenty appointed at the last meeting to ascertain what work could be procured, and at what rate of prices, reported that which it was expected that a great deal of work might be contracted for; but as the prices offered were much less than the master plasterers asked, it was deemed inadvisable at this time to make any engagements, and the committee therefore asked to be continued. It was not the purpose of the journeymen to undersell their old employers until every prospect of their acceding to the increase asked for had passed away.

The report was adopted.

Mr. Philips, from the committee appointed to confer with a corresponding committee on the part of the masters, reported that the two committees held a meeting on Friday, but had been unable to effect any satisfactory compromise. The master plasterers had again submitted their original proposition of $4 and $3.50, which was so promptly rejected by the journeymen.

At their request the committee was discharged.

On motion, the sum of $100 was appropriated out of the treasury as a relief fund, and Messrs. Wm. Brick, J. Straub, and James Barrett appointed a disbursement committee.

POLICE ITEMS.—The following cases were disposed of since our last report: Benjamin Prather was arraigned in the second precinct, by Officer Huysman, charged by Henry Green with assault and battery. Justice Thompson required him to give security to keep the peace.

Powell Burk and Christian G. Stoff were arrested, in the Seventh precinct, by Officer Peaster, charged with committing an assault and battery on Wm. Green. They had a hearing before Justice Smith, who, from the evidence produced, found them guilty of the charge, and imposed a fine of $5 on each of them.

Officer Berry, of the same precinct, took Wm. Mathews before the same Justice for making threats of violence. He gave bail to keep the peace.

On complaint of Delia Willis, colored, the same officer arrested Ellen Garrison, colored, charged with petit larceny. Justice Harper held her for a further hearing.

Officer Hill, also of the Seventh precinct, took Jeremiah Sullivan before Justice Harper. He was found guilty of vagrancy and committed to the work-house for thirty days.

Ellen Johnson, colored, was taken in custody by Officer Hickman, of the First precinct, charged with profanity. Justice Tucker taxed her $5.

Officer Yeatman, of the same precinct, arraigned Ann Morrissey, store-keeper, before the same Justice. She was fined $20 for selling liquor on Sunday.

The following amounts of fines were imposed in the various precincts: First precinct, $65; Third precinct, $5; Fourth precinct, $65; Fifth precinct, $9 50; Sixth precinct, $8; Seventh precinct, $12; Eighth precinct, $5. Total, $57.50.

A COW CASE.—A man named Thomas O'Day swore out a warrant against a lady named Jane E. Smith, charging her with the larceny of a cow, and she and the cow were brought before Justice Morsell by Officer Guy, of the Fourth precinct. About twenty witnesses were examined. O'Day's witnesses testified that he had raised the cow from a calf, and it was lost last June, while Jane Smith's witnesses testified that she raised the cow, and it strayed away from her last June, and yesterday she saw it on the streets and drove it home. Justice Morsell rendered a decision in favor of the defendant.

STOLEN GOODS RECOVERED.—Several days since, John Williams (colored) robbed an old colored woman, near Foggtown, of a lot of wearing apparel. He was arrested and confessed the theft, telling where the goods could be found. Lieut. Hurley proceeded to a junk store, near the Navy Yard bridge, and recovered the stolen property. The thief was sent to jail.

EXECUTIVE CLEMENCY.—Charles Miller and Nicholas Foreman, convicted of assault and battery, have been pardoned by the President. The former was sentenced to six months, and the latter three months in jail. They were released yesterday.

A NEW PRESIDENT.—At a meeting recently held by the directors of the Washington and Georgetown Railroad Company William Dunning, esq., was chosen president of the road, vice S. S. Ilker, resigned.

ERROR.—In our Criminal Court report yesterday we were in error in saying that Mr. Charles W. Cunningham was fined $25 for committing larceny. It should have read for committing assault and battery.

A COMPLIMENT TO A WORTHY MINISTER.—The following resolutions were adopted unanimously by the official body of Gorsuch M. E. church:

WASHINGTON, D. C., March 18, 1868.

Whereas, with the conference year just expired, our pastor, Brother Jas. N. Davis, has terminated the third year of his ministerial relations to us, therefore be it

1. *Resolved*, That in the discharge of the functions of his sacred office Brother Davis has, by his earnest preaching, his opportune counsels, his visitations upon the sick and distressed, and his assiduous and unwavering attempts to do good, under all circumstances, entwined about him the affections and veneration of his charge, the respect of the community, and the good will of all, while, by his persevering efforts, he has materially assisted the progress of vital godliness within and without the church.

2. That we appreciate to the utmost the self-sacrificing spirit which has characterized Brother Davis' entire official connection with us; in that he has, at all times, ignored domestic ties and claims, and in all weathers, and under all circumstances, in sickness and in health, in season and out of season, devoted himself without stint to the service of his Master and the promulgation of the gospel.

3. That we view with no slight degree of satisfaction the healthful and prosperous condition to which he has educated, and in which he leaves his charge, and the excellent condition of all the church papers, documents, &c., which have been placed in his charge.

4. That, in bidding adieu to Brother Davis as our pastor, we are severing ties which have become strong and pleasant, to which we will ever advert with pleasure and satisfaction. That we wish Brother Davis God speed in the new field to which he has been called, assuring him that we shall ever cherish with livelinest joy his many virtues and his labors among us.

5. That a copy of these resolutions be presented to Brother Davis.

WM. R. HUNT,
Recording Steward.

THE WASHINGTON SCHUETZEN VEREIN.—Last evening this association of Germans held a meeting at Trades' Union Hall, corner of Eighth and E streets—Mr. B. Henze in the chair, and Mr. Rudolph Springgood, secretary.

An election was held for the choice of a person to take charge of the bar and cater to the desires of the association at the Schuetzen Park during the coming season. Several persons applied for the place, but Mr. Charles Worch was the successful candidate for the sum of $2,200 for the privilege.

No other business of importance to the public was transacted.

Quite a large number of Americans were present at the meeting, and manifested a good degree of interest in its affairs. Long live the Schuetzen Association.

THE enterprising and energetic firm of Coyle & Towers, No. 314 Pennsylvania avenue, between Ninth and Tenth streets, ever alive to the cultivated and refined taste of our citizens, have received a large number of most beautiful paintings, lithographs, chromos, &c., which they offer to the public at prices most reasonable. The variety embraces scenic views, historical representations, celebrated characters, &c., and are well worth a visit to observe, if not to purchase.

ANOTHER ARREST.—Yesterday Detectives Clarvoe and Higley arrested Mrs. Robinson, corner of Twelfth and O streets, on the charge of receiving goods knowing them to be stolen. This is the woman in whose house were found a large number of articles, mentioned by us in yesterday's issue, as having been received by these officers when they arrested young Ferry and two others. They will all have a further hearing today at 10 o'clock.

DEATH OF AN ESTIMABLE CITIZEN.—Mr. George E. Falconer, a young man well known in the city and highly esteemed by his acquaintances, departed this life on Monday last. Mr. F. was Worthy Patriarch of Columbian Encampment and Past Grand of Beacon Lodge, No. 15, I. O. O. F., and was strongly attached to that order. He died in his 27th year. The funeral will take place from 280 Seventh street, at 2 p. m., to-day.

LOST BOY.—Yesterday evening, at about 9 o'clock, a telegram was received at police headquarters, from the Seventh ward station-house, stating that they had a little boy about 8 years old, named Thomas Connell. He could not inform the officers in what part of the city his parents reside.

THE COURTS.

CRIMINAL COURT—*Chief Justice Cartter.*—This court was engaged with the following cases, yesterday:

Joseph Carroll, assault and battery. Recognizance forfeited and bench warrant ordered.

THE CONGRESS STREET M. P. CHURCH.—A preliminary meeting of the members of this church was held in the lecture room of the church on Monday night, at which the Rev. P. H. Sweet presided, and after offering up a fervent prayer, he stated that the meeting was called for the purpose of taking some initiatory steps relative to the removal of their pastor, Rev. D. A. Shermer.

Mr. Fuller said he thought it but justice to the congregation and the pastor that the church give some expression to the trouble that had come upon them. Their pastor, he said, had been placed in a false light, as also the church before the Conference. He moved that notice be given from the pulpit of a meeting of the church members, male and female, for the purpose of giving an expression of opinion relative to the removal of Rev. Mr. Shermer.

The Chair thought it proper to have an interchange of opinion from the members of the church upon the subject. Mr. Fuller's motion was carried.

Mr. Breenmerman suggested that Mr. Cathel, the representative from the church to the conference, be requested to be present at the next meeting and give a statement of what took place at the conference, and what conversation he had had with the president of the conference.

Mr. Joseph Libbey said he would take the opportunity of correcting a statement that he was opposed to Mr. Shermer. He was not, he said; yet he did not know how much he was attached to Mr. Shermer until the day previous. He was now satisfied that nine-tenths of the congregation were anxious for Mr. Shermer to remain. There was not one of the members of the church who was more in favor of the pastor than he. He spoke at some length concerning the prosperous condition of the church, and the improvements that had been made to the church edifice during the stay of Mr. Shermer.

The Chair said there had been a similar difficulty in the early history of the church, and called on Mr. Blackman to speak relative thereto; who said the church had hardly got over the effects of that difficulty yet. The church at that time nullified the action of the Conference. The affair was a very unfortunate one, and he hoped that this would not go so far.

Mr. Libbey said that at that time many of the members of the church withdrew.

Mr. Currey moved that the Chair appoint a committee to draw up a letter to the president of the Conference, asking him to undo what he has done, if possible and compatible with the interests of the churches.

Mr. Peter Cassin thought it proper and expedient that some one should write to the president and ask him to meet them at their meeting.

Mr. George Browning said they had no need of the president; he had sent out his decree and could not well do anything towards changing the appointments now, as it might throw some church out of a pastor for two years.

Mr. Browning said he had heard from good authority that Mr. Cathel, their delegate to the Conference, before he left the Conference for his home, had approached the president of the Conference and asked him who they were to have for their next pastor, when the president pushed him from him.

A motion to invite the president of the Conference, Rev. S. R. Sutherland, to
