Total maj.

PHILADELPHIA, Oct. 9.—The Congressional delegation will embrace eighteen Republicans and nine Democrats. Fifteen Republicans and three Democrats are elected to the lower branch of the State Legislature. Alexander (Republican) is elected State Senator in the First District.

PITTSBURGH, Oct. 9.—Returns continue to come in slowly. Large Republican gains are reported in various parts of the State. J. F. Negley, Republican, is returned to Congress from the Twenty-second District. The Republicans gains gained a Congressman in the Twenty-fourth District, William Moore, Republican, being elected over McClellan, Democrat.

NEW YORK, Oct. 9.—A Philadelphia special to the *Commercial* says: "Nearly all the returns from the State are received at the Republican headquarters, making Hartranft's majority 31,000. The Republicans gain seven Members of Congress and lose one in Luzerne District. Twenty Republicans and seven Democrats are elected. The Republicans have a majority of the Constitutional Convention and sixty members of the Assembly, against forty Democrats. The Senate stands seventeen Republicans and sixteen Democrats, but if Marclay is elected in the Clarion District the Republicans will have eighteen.

COMMENTS AND GENERAL ITEMS.

Special Despatch to The Chicago Tribune.

NEW YORK, Oct. 9.—The Anti-Administration party in New York take their reverses quietly and philosophically. The *Tribune* figures up that if Indiana has elected Hendricks, the Liberals are still ahead in the Presidential race, which, if correct, shows by what a thread the victory in November hangs suspended. It is perfectly apparent to all that Cameron's fraudulent tactics in Philadelphia must have beaten Buckalew in any event. Whatever majority was needed was ready in Philadelphia. Colonel Forney gave up the State very early last evening, as soon as he saw the returns from half a dozen wards in that city. Cincinnati's brilliant majority is regarded as the biggest revelation of Liberal strength yet shown in any State. This taken into consideration here that the colored vote was a new element yesterday in a Presidential year, equalling or exceeding majorities in all three States, and that the Grant Republicans have substantial losses to face in reckoning on the future, and can console themselves with the truism that revolutions never go backward. The State is still stout-hearted for Greeley and reform, and will clasp hands with the united South in November. Thus far, in the city, there has not been a word of recrimination among the allies.

Special Despatch to the Chicago Tribune.

NEW YORK, Oct. 9—12:30 p. m.—The news of Hendricks' election did not reach here until after midnight, too late to reach the public, which was led to believe all day that Indiana had gone Republican. This news will put new life into the Opposition, for the town elections in Connecticut also show a Liberal majority in that State of from 5,000 to 7,000. Counting the Electoral votes Greeley is sure of in the South, and in New York, New Jersey, Indiana, and Connecticut, he will lack but six Electoral votes to elect him. This estimate leaves uncertain North Carolina, Mississippi, Illinois, California, Minnesota, Nevada, New Hampshire, and Wisconsin, in which to secure six votes. The *Tribune* presents this cheering table, saying: "This assures it. Friends, in spite of fraud, we are on the homestretch, with every prospect of success."

Special Despatch to The Chicago Tribune.

MADISON, Wis., Oct. 9.—The Republicans are in high glee over the result of yesterday's elections, though anxious about Indiana, and are celebrating by a torch-light procession and meeting in the Assembly Chamber. The Democrats and Liberals are somewhat disappointed and discouraged, but propose to fight it out on this line.

CINCINNATI, Oct. 9.—The interest manifested in the elections to-day was intense. All over the city groups of people were collected discussing the news. All the city papers sold out large editions early this morning and printed extras during the day. This evening the newspaper offices were crowded.

Special Despatch to The Chicago Tribune.

WASHINGTON, Oct. 9.—Everybody here to-day, from the occupant of the White House down to the messengers in the Departments, has discussed nothing save yesterday's election. Even Judge Edmonds admits that the phenomenon is utterly unexplainable. It is a fair inference, from what the Administration managers openly state, that the majority for Hartranft is more than was wanted or calculated for, let alone what was expected. Indiana was given up at the Republican headquarters one week ago, notwithstanding Morton's despatch of Saturday last, claiming it by 3,000. The White House, since the returns began to come in, has been crowded, principally with office-holders. The President has been felcitated upon his endorsement, and on his chances for a second term, and has always replied in a stereotyped manner that it was nothing more than he expected when the people should have a fair chance to pass upon his official acts, and those for which his administration was responsible. Among the celebrities who waited on the President to-day, was Colonel Mosby, the ex-Confederate Guerilla. He congratulated the President on his success in the North, and assured him that Virginia would be the first Southern State to fall into harmony with those that have just voted.

Chandler has announced that he is going to be a Cabinet Minister under Grant's second term.

The President to-day received a despatch from Russell Errett, Chairman of the Republican State Committee of Pennsylvania, saying that, under no circumstances must Forney be allowed to stump the State for Grant and Wilson, because the people will not listen to him, and have lost confidence in him.

INDIANA.

INDIANAPOLIS, Oct. 9.—Returns indicate the following result in Congressional Districts: First, Second, Third, and Seventh Districts, Democratic; Fifth, Eighth, Ninth, Tenth, and Eleventh, Republican. The Fourth (Wilson's) and the Sixth (Voorhees') are very close and doubtful.

FORT WAYNE, Ind., Oct. 9.—Allen County, Marion Township, Hendricks 110 majority; loss of 2. Aberle Township, Brown, 31 majority; Republican gain, 11.

Steuben County, Brown, 875 majority; loss, 68.

Lake Township, Allen County, Hendricks, 146 majority, a gain of 59 over 1868. Monroe Township, Hendricks, 110 majority; gain, 24. Waterloo, DeKalb County, 200 majority for Brown. Auburn, DeKalb County, 26 for Hendricks; loss, 20.

INDIANAPOLIS, Ind., Oct. 9.—The following counties are reported as official majorities: Adams County, 390 majority for Hendricks, Democratic gain, 291; Clinton County, 300 majority for Hendricks, Democratic gain, 55; DeKalb County, 60 majority for Hendricks, no gain; Delaware County, majority for Brown, 1,185; Democratic gain, 100. Fulton County, 137 majority for Hendricks; Republican gain, 23. Henry County, Republican majority, 1,683; gain, 80. Howard County, majority for Brown, 964; Republican gain, 330. Lagrange County, Republican majority, 650. Owen County, ten townships, gave a Democratic majority of 191 on the State ticket. For Voorhees, Democrat, for Congress, 123. Hunter, the Republican candidate, leads his ticket throughout the district, and it is probable that Voorhees is defeated.

Putnam County, official majority, 605 Republican; gain, 143. Shelby County, 700 Democratic majority; Democratic gain, 130. St. Joseph County, Republican majority, 507; Republican gain, 46. Steuben County, Republican majority, 875; small Republican gain. Tippecanoe County, 18, Republican majority 40; Republican gain, 300. Union County, Republican majority 220; Democratic gain, 25. Vandeburg County, no gain. Warren County, Republican majority, 550; small gain. Wayne County, Republican majority, 1,600; no gain. Miami County, Republican majority 10; Republican gain, 200. Four townships in Gibson County, Republican gain, 24. Marshall, Democrat, majority, 477; Democratic gain, 50.

Nine townships in Green County give a Democratic majority of 44. Hendricks County, Republican majority, 200; Republican gain, 360. Clark County, 675 Democratic majority; Democratic gain, 75. Vigo County, Republican majority, 150 to 200; Republican gain, 300. Montgomery County, Hendricks' majority, 116; Republican gain, 121. Lake County, 380 Republican majority; Democratic gain, 53.

The Republican Central Committee figure the House of Representatives to stand as follows: Republicans, 53; Democrats, 35; doubtful, 12. The contest on the State ticket is so close that it will require almost the official vote to decide.

FORT WAYNE, Ind., Oct. 9.—This city never before polled so large a vote. Hendricks has a majority of 1,535,—a gain of 885 over 1868. His majority in the county is 2,933, with four townships to hear from, a gain of more than 250 over 1868. Shanks, Republican, is probably elected in this Congressional District by a small majority.

INDIANAPOLIS, Ind., Oct. 9.—The latest returns received to-night show gains for the Democrats on the State ticket, and indicate the election of Hendricks for Governor by a small majority. The Republicans gain two Congressmen and probably lose one.

The following is the result:

First District, Niblack, Liberal; Second District, Wolf, Liberal; Third District, Holman, Liberal; Fourth District, Wilson, Republican, by 600 majority; Fifth District, Coburn, Republican; Sixth District, Hunter, Republican, over Voorhees by 200 majority; Seventh District, Carson, Republican, over Manson; Eighth District, Tyner, Republican; Ninth District, Neff, Liberal, over Shanks, the present member; Tenth District, Saylor, Republican; Eleventh District, Packard, Republican.

EVANSVILLE, Ind., Oct. 9.—Pigeon Township, including Evansville, gives Brown 329 majority, and returns from the county incomplete.

The majority for Heilman over Niblack is 1,166 in Vanderburg County, and 902 in Evansville. Returns from the district indicate the election of Niblack to Congress by a very small majority.

INDIANAPOLIS, Oct. 9.—At 11 o'clock the Republican Central Committee figure a majority, on the actual official returns from 47 counties, and partial returns and estimated majority from the balance of the State of 228 for Brown, Republican. The Democratic Committee claim a net gain on the returns from 53 counties on the vote of 1868, which, with partial returns and estimated majorities from the balance of the State, will elect Hendricks by 1,000 majority.

The vote is so close that it may require the official majorities to determine the result. The Democrats are jubilant.

WARSAW, Ind., Sept. 9.—Kosiusko County gives Brown 541 majority; a Democratic gain of 188. The county ticket is Republican by 350.

LATEST.

Special Despatch to The Chicago Tribune.

INDIANAPOLIS, Oct. 9.—We regard Hendricks' election as sure, and are now wild with excitement. Morton concedes our victory for Hendricks, but claims the Legislature.

JOHN H. FINCH.

Special Despatch to The Chicago Tribune.

INDIANAPOLIS, Ind., Oct. 9.—The vote cast at the election in this State yesterday was unprecedentedly large. In the nine wards and two precincts forming the City of Indianapolis and centre township, the total vote was 13,744, an increase over the vote in 1868 of 64 per cent. That many fraudulent votes were cast cannot be seriously questioned, yet little was done in the way of challenging by either party. Owing to the inordinate length of the ticket but few returns were received from any quarter of the State till this afternoon. The few straggling returns sent in last night had the effect, along with the disastrous news from Ohio and Pennsylvania, to send the Liberals and Democrats home at an early hour very badly chopfallen. This morning, and throughout the day, the telegraph and newspapers were beseiged by throngs of anxious seekers after news, all evincing a painful degree of interest in the result. As a general thing the Browne men had all the hurrahing to themselves till a late hour this morning, when the news began to show up more favorable for Hendricks. Allen County led off with 3,100. Knox followed with a heavy gain; Kosciusko and Wabash followed suit, and soon the Democrats and Liberals were shouting and yelling like madmen over what seemed a certainty for Hendricks' success. The defeat of Voorhees and Manson was bitterly felt, but the defeat of Shanks in the Ninth District seemed to give general satisfaction to Republicans as well as Democrats.

The Legislature is still in doubt. So far as heard from the Democrats lose six and gain four. If the counties to be heard from go as at the last election there will be a Democratic majority of six on joint ballot.

Hendricks' majority, from present indications, will be between 2,000 and 3,000.

Special Despatch to The Chicago Tribune.

INDIANAPOLIS, Ind., Oct. 9.—Midnight.—The net gains in fifty-seven counties give Hendricks 2,070 increase, and this assures us the State by 2,500 majority. The Legislature is close, but the Liberals are ahead so far, and will probably remain so. One Liberal Congressman has been gained and one lost,—Voorhees, in the Terre Haute District. The Morton people give the Liberals 1,000, but on a less number of counties than the Liberals have made the count.

OHIO.

CLEVELAND, Oct. 9.—Returns from nine townships, including the City of Cleveland, give Wikoff 10,387 and Wiley 8,497. Returns from all the townships except four are received, and those, it is estimated, will give Parsons, Republican, for Congressman, 2,836.

LEBANON, Oct. 9.—Warren County (official): Secretary of State—Wikoff, 3,660; Wiley, 2,060; Congress—Smith, 3,561; Sohn, 2,029.

COLUMBUS, Oct. 9.—The Democratic State Convention concede the election of Republican Congressmen in all the Republican districts except Hamilton County, and 10,000 majority on State ticket.

Third District—Clinton County, Smith, Republican, majority, 1,280; Warren County, complete, Smith, Republican, 3,651; Sohn, Democrat, 2,029. Republican majority, 1,622.

Fourth District—Dark County, Winans, Democrat, 543 majority; Preble County, Gunckel, Republican, 443 majority; Montgomery, Gunckel's majority, 68. Gunckel's majority in the district is about 2,000.

Sixth District—Fulton County, official, Wikoff's majority, 1,004; Sherwood, Republican, for Congress, 972; Sherwood's majority in the district, 1,500.

Eighth District—Madison County, Lawrence, Republican, 217 majority; Champaign County, Lawrence, Republican, 861 majority; Miami County, Lawrence, 872 majority; Logan, Lawrence, 763 majority. Wikoff has 826 majority in Miami County.

Ninth District—Knox County, Morgan, Democrat, for Congress, 368 majority.

Tenth District—Hancock County, complete, Wikoff, 2,346 majority. Sloan's majority over Foster, 257.

Eleventh District—Gallia County, Bandy, Republican, for Congress, 924 majority; Wikoff, 1,100 majority estimated. Washington County, State ticket 380 Republican majority; Lawrence County, complete, Republican majority, 1,470; Republican gain over 1870, 809.

Twelfth District—Perry County, Jewett, Democrat, majority about 400.

Thirteenth District—Muskingum County, Marsh, Republican, for Congress, 4,354; Southard, Democrat, 4,493. The Republican ticket is elected.

Fourteenth District—Berry, Democrat runs behind as far as heard from, but will carry the District by from 3,000 to 3,500.

Fifteenth District—Sprague goes to Monroe with 2,600 majority. Monroe gives a Democratic majority of 1,750. Sprague's majority in the district is 850.

Sixteenth District—Belmont County, Danford 800 majority; Guernsey County, Danford 650 majority; Noble County, Danford 175 majority; Jefferson County, Danford County 1,077.

Nineteenth District—Portage County vote for Congressmen—Garfield, Republican, 3,235; Sutliff, Democrat, 2,576.

Fourth District—Greene County, Wickoff 3,865; Wiley, 1,825; Republican gain, 500. Madison County, Wikoff 1,812; Wiley, 1,590. Brown County, Wikoff 993; Wiley, 1,930—incomplete. Wikoff's majority in Champaign County, 829,—a Republican gain of 42 over 1871. Harrison County, Wikoff's majority, 556. Wayne County, Wikoff, 3,530; Wiley, 3,743. The Republican county ticket elected, except Sheriff. Muskingum County, entire Republican county ticket elected; Democratic majority on State ticket, 224. Montgomery County, Democratic; State ticket, 300 majority. Welch, Supreme Judge, about 100 behind, Scioto County, Wikoff, 560 majority.

LATEST.

Special Despatch to The Chicago Tribune.

COLUMBUS, O. Oct., 9.—The average Republican majority is about 10,000 on Welch for Supreme Judge. It will be much less. The majority against him in Hamilton County is 8,875, a loss of 10,421 on last year. If Green gains in in other cities proportionally, there is a possibility of his election. Returns are made on Secretary of State as the head of the ticket, and hence we must wait for full returns. We gain two members of Congress only.

A Philadelphia Police Officer Fatally Shot.

PHILADELPHIA Pa., Oct. 9.—Officer McGonigle quarrelled with John O'Bryan yesterday. They met to-day, and the officer beat O'Bryan, who took refuge in a saloon; McGonigle following, O'Bryan seized a revolver lying on a shelf behind the bar and fired two shots, one of which took effect behind McGonigle's ear, killing him instantly. O'Bryan was arrested.

Fire in Taunton, Mass.

TAUNTON, Mass., Oct. 9.—The Albion Lead Works, of this city, burned to-day. Loss, $75,000. Insured for $60,000.

—A young married woman in New York wears a breastpin which excites great admiration. It is apparently a beautiful carving, in some dark, glossy stone, of a lion's head heavily set in red gold. In reality it is the front of a favorite meerschaum belonging to her husband. He was an inveterate smoker, but to please her gave up the habit, and she wears this peculiar ornament as a trophy of her victory.

THE CAMPAIGN.

Address of the Pennsylvania Liberal Committee to the People of the State.

Another Letter from Charles O'Conor on the Situation.

Liberal Meetings at Mendota, Illinois.

ADDRESS OF THE PENNSYLVANIA LIBERAL STATE COMMITTEE.

Special Despatch to The Chicago Tribune.

NEW YORK, Oct. 9.—The following address from the Liberal State Committee of Pennsylvania has been issued:

To the People of Pennsylvania:

The successful consummation of a measure of fraud in this city, that must appall alike the guilty authors and their no less guilty respectable abbettors, has made Philadelphia appear to give the unexampled majority of over 20,000 in favor of continued corrupt rule in Pennsylvania. With every channel of power ready to aid in executing the systematic defiance of the popular will; with the debauched or pliant canvassers to register 25,000 fradulent names; with the most desperate repeaters of three cities to vote the registry, with abundance of money plundered from the people to pay them; with the election officers selected expressly to receive every vote offered in favor of the ring; with a police force to pilot repeaters to their localities, and protect them in polling illegal votes; with officers of the law to guarantee their immunity from punishment; with a large preponderance of our citizens who claim to be the champions of morality and reform giving their unqualified sanction to what they know to be a deliberately planned pollution of the ballot box, the result is but the logical result of the rule that is now supremely enthroned in our city and State. Nor was this gigantic system of fraud confined to Philadelphia. In the principal cities and towns throughout the State, thousands of illegal votes have been polled. The Liberal cause was thus overwhelmed in Reading, Chester, West Chester, Columbia, Harrisburg, Pittsburgh, and other localities, while the rural districts give large and uniform gains. I am warranted in announcing that the large majority polled for Hartranft is wholly fraudulent. Friends of good government, let no triumph of lawlessness deter you from giving your best energies to the cause. The highest prerogative of a free people has been violently usurped by insolent and debauched power, nd the people must resent it, and resent it promptly, or give unquestioned license to wrong. Now more than ever in the contest is the election of Horace Greeley to the Presidency a supreme necessity. if peace and honest government are not to perish from the annals of our history. Right will triumph sooner or later, and it will yet triumph in this desperate struggle if the people shall prove faithful to themselves, to their laws and to their country."

A. K. MCCLURE,
Chairman of Liberal Republican Committee.

LIBERAL GATHERINGS IN MENDOTA, ILL.

Special Despatch to The Chicago Tribune.

MENDOTA, Ill., Oct. 9.—Hon. Lyman Trumbull addressed a large meeting at this place to-day. His masterly arguments in favor of the Liberal cause left no doubt in the minds of his hearers of the necessity of a change in the administration of the general Government. In the evening Hon. G. D. A. Parks, of Joliet, Liberal candidate for Congress in this district, addressed a large meeting at Pool's Hall. He completely answered the speech of his opponent, Franklin Corwin, delivered here some weeks since, in which he contended that the election of Horace Greeley would result in the restoration of slavery, payment of the rebel debt, etc.

The friends of reconciliation and reform in this part of the State do not propose to abate their efforts for the success of the cause, knowing that the principle they advocate are just. They will work without faltering for their success.

JUDGE EUSTACE AND GENERAL BLACK SPEAK AT EUSTACK, ILL.

Special Despatch to The Chicago Tribune.

BUSHNELL, Ill., Oct. 8.—The Liberal meeting at this place has been in every way a success. Although a local meeting, it was well attended. Judge Eustace delivered an impressive and convincing argument in the afternoon. To-night General Black spoke in the Opera House to a large and enthusiastic audience. He showed up the treatment of the soldier by the Grant Administration in its true colors, their failure to donate lands to them, and on the other hand the millions of acres given to corporations. His speech throughout was able and eloquent, and calculated to do great good in our city. M. C. Quinn, of Peoria, held the large audience to a late hour by his wit and eloquence.

Set down McDonough County for 400 Liberal majority.

ANOTHER LETTER FROM CHARLES O'CONOR ON THE POLITICAL SITUATION.

NEW YORK, Oct. 9.—The *Herald's* Richmond (Va.) despatch has a letter from Charles O'Conor to James Lyons, of that city, dated Sept. 30, in which O'Conor says that he has not indicated any alteration in his resolve not to be a candidate, as set forth in his communication to the Louisville Convention. He adds: "It may be true, as you suggest, that the people will not vote for any man who will not announce in a public manner that, if elected, he will serve them. If so, they will never vote for me. I should regard such an announcement as one made of soliciting their support. If the Southern people did not know, before I said anything on the subject, that one of the candidates is a man of transcendant ability, they are singularly slow of apprehension. The desolation of which they complain is attributable to him, and the long and bloody war that filled his bloody chasm with fratricidal slaughter, and involved the whole country in debt and demoralization, is due to the unequal energy, combined with folly, of this one exceedingly able, exceedingly amicable, exceedingly mischievous man. I regard the possibility of his election with inexpressible aversion. If ideas of heathen time prevailed, I would cheerfully surrender my person as a sacrifice on the altar of that deity, whose controlling events might thus be propitiated and induced to save my country from impending ruin."

Mr. O'Conor did not wish this letter published, but Mr. Lyons thought otherwise.

NOTES FROM OUR CORRESPONDENCE.

NEKOMA, ILL.—A Greeley pole and flag were raised at Nekoma, on October 5. "The flag, which is 9 feet by 15, was made by the Postmaster of the place, he doing every stitch of the sewing himself, on a sewing machine." The Hon. J. W. Olson, of Galva, made an address on the occasion. This place has usually supported the Administration; but now the majority is for Reform."

GALESBURG, ILL.—Oct. 5, there was a joint discussion at Galesburg, between the Hon. J. C. Stoughton, Liberal, and the Hon. George W. Kretsinger, of Knoxville, Republican. "The moment Mr. K. stopped speaking, and Mr. S. rose to reply, all of the 'Tanners' and many others commenced a series of yells, which they kept up for some time. Then the 'Tanners' began to leave the hall, occupying some time,—giving vent, as they left, to ungentlemanly expressions; and, for some time after they were on the street, kept up such a hallooing that nothing could be heard in the hall but their yells. Some of the 'Tanners' were negroes. Mr. K. also gathered up his traps and left the hall as soon as the squawking rabble had left, although the train he was to go on did not leave till the same time as the one on which Mr. Stoughton was to go. Galesburg gave Grant 1,017 majority in 1868, but will not do it in November next by several hundred."

WATAGA, ILL.—"Captain F. M. Grant, Liberal, of Galesburg, spoke to a good house here on Friday night last. The Hon. N. E. Worthington, of Peoria, Liberal candidate for Congress in the Fifth District, speaks here on Monday night, the 14th; at Victoria, the 15th; Rio, the 16th; Henderson, the 17th. He has challenged Barrear, of the Grant party, to stump the district with him; but Barrear will not do it. Sparta Township, 194 majority for Grant four years ago; he will not get so much this time."

ELGIN, ILL.—At Elgin, on Saturday night, a large crowd gathered in the Market Square, to hear a Grant oration by a poor negro named "Josh" Bonaly. It was a most ludicrous exhibition, and elicited the heartiest merriment. "While 'Josh' was speaking, a Grant Club, bearing torches, marched into the square, but beat a retreat as soon as they discovered who the speaker was."

SENATOR SCHURZ AT MONEE, ILL.

MONEE, Ill., Oct. 8.

To the Editor of The Chicago Tribune:

SIR: Carl Schurz addressed a large and enthusiastic meeting at this place, composed of delegations from Kankakee, 323 strong, and from other parts of Will County, making a solid audience of at least 1,500, who interrupted him with frequent applause as he fired the solid shots of argument against the corruptions of the present Administration. This part of his oration being finished, the orator proceeded to address the audience in German, while a portion withdrew to listen to the Hon. S. D. A. Parks, who gave the reasons why he went from the Republican party.

Senator Schurz received bouquets in abundance. He has the German heart, as well as the American heart, with him.

Many of the honest German farmers who hesitated have to-day resolved to vote for the Philosopher of the Press. Old Will County will cast a handsome vote for the Liberal party.

MISCELLANEOUS.

Special Despatch to The Chicago Tribune.

TUSCOLA, Ill., Oct. 9.—General Black addressed a large assembly this afternoon, at Tuscola. The speech was well received. This county is alive in the cause of reform. The enthusiastic reception accorded General Black shows the people to be in earnest. Tuscola will give a rousing Liberal majority in November.
