PONTIAC, Ill., Nov. 4—11 p. m.—Livingston County has gone Anti-Monopoly by at least 1,200 majority.

PEORIA, Peoria Co., Ill., Nov. 4.—The City and County election passed off to-day with but little excitement. In the county, the entire Republican ticket, including Miss Mary E. Whiteside, for Superintendent of Schools, is elected by majorities ranging from 1,200 to 2,000. In the city no definite returns are yet received, but the indications are that Col. John Warner is elected Mayor on the Democratic ticket by a handsome majority. The balance of the Democratic ticket in the city is probably elected, with possibly a few exceptions.

*Special Dispatch to The Chicago Tribune.*

MILWAUKEE, Nov. 4—Midnight.—Returns received up to 12 o'clock from one-third of the State, outside of Milwaukee, show gains for Taylor, Democratic-Liberal and Reform candidate, of about 600. The Reform party claim 3,000 majority, while the Republicans concede 5,000 Democratic majority in the State. The complexion of the Assembly is Reform, and of the Senate Republican. A very light vote was polled.

*[To the Associated Press.]*

MILWAUKEE, Nov. 4.—The First Ward of the City of Milwaukee gives Taylor, Dem., 468 maj.; the Seventh Ward, Taylor, 297; Fourth Ward, Taylor, 112; Eleventh Ward, Taylor, 523; Sixth Ward, Taylor, 880; Ninth Ward, Taylor, 654. All the Democratic Assemblymen were elected. It is estimated that the Democratic majority in the city will be over 5,000.

Madison City gives Taylor 121.

Janesville City—Washburn, 41. Scattering returns so far show that the Democrats have gained largely over the vote of two years ago.

MILWAUKEE, Nov. 4—9 p. m.—The City of Milwaukee, complete, gives Taylor, Democratic candidate for Governor, 6,360 majority. The county is estimated at 8,000. All the Democratic Assemblymen in the county are elected.

The *Daily Sentinel*, the Washburn organ, estimates from the way returns are coming in that Taylor will carry the State by 5,000. Many prominent Republicans now concede Washburn's defeat.

MILWAUKEE, Nov. 4.—On towns representing a total vote of 28,000, Taylor's gain is 3,400, exclusive of the vote of Milwaukee, in which Taylor gains 5,000.

*Special Dispatch to The Chicago Tribune.*

MADISON, Wis., Nov. 4.—Returns from ninety cities and towns, including Milwaukee and most of the principal cities, show a net Republican loss in the vote for Governor of 8,200 on Grant's majority of 18,600 last year. This includes one-third of the vote of the State and the localities where the greatest loss was expected. The Democrats claim the election of the whole ticket. The Chairman of the Republican State Committee does not concede this, but does not regard the prospects as encouraging. The election here was very quiet, but the vote was quite full, aggregating 1,700; and the majority against the Republicans is about the same as usual. Baker, for Lieutenant Governor, and Johnson, for Treasurer, on the Republican ticket, were cut considerably. The Opposition majorities are as follows: Taylor, 124; Parker, 234; Doyle, 182; Kuehn, 300; Sloan, 105; Searing, 193; Argard, 233; Dunning, for Assembly, 325. The latter is elected in the District by a handsome majority.

*Special Dispatch to The Chicago Tribune.*

MADISON, Wis., Nov. 4.—At midnight the election or the whole opposition State ticket by a majority of some thousands is conceded, with the Assembly pretty certainly against the Republicans, and possibly the Senate.

*Special Dispatch to The Chicago Tribune.*

FOND DU LAC, Wis., Nov. 4.—Taylor carries this city by 97 majority, and enough is known from the towns to warrant putting his majority in the county at 300. W. H. Hiner, Republican, is elected Senator in the Eighteenth District by 900; Wagner, Democrat, in the Twentieth District, by about 500. G. Hazen, Republican, in the First Assembly District, is elected by about 300 majority. Thomas Weeks, Democrat, in the Second Assembly District, has 300 majority. James Lafferty, Democrat, carries the Third Assembly District by 500 majority.

*Special Dispatch to The Chicago Tribune.*

Reedsburg, Wis., gives Washburn 10 maj.; Baker, 9 maj.

*Special Dispatch to The Chicago Tribune.*

APPLETON, Wis., Nov. 4.—Appleton gives 214 maj. for the Reform State ticket—a gain of 83. Returns received indicate that Schleching, for State Senator, and Richmond, for the Assembly, both Reform, are elected. The vote polled is very light.

*Special Dispatch to The Chicago Tribune.*

OSHKOSH, Wis., Nov. 4.—To-day has been bright and pleasant, but, owing to the general feeling of apathy, but little excitement was shown in the city. The result shows that Taylor carries the city by 169, while Washburn carried the city in 1871 by 152 votes. Winnebago County sends two Republican and two Reform members of the Assembly.

In the First District, Gabe Bouck is elected by 515 majority over Stephen Bowron. The fight in the city has been bitter and warmly contested on either side. Bouck was extremely popular with the younger voters, and his supporters created strong prejudice among all classes against Bowron on account of the latter being a Granger.

In the Second District, William Pitt Peckham, Lib., is elected over Philip Verdeck, Rep. In the Third District, Carlton Foster, Rep., is elected without opposition; and in the Fourth, Frank Leach, Rep., also without opposition.

The vote has been light all over the county. The following towns have reported: Alforna—Washburn, 67; Taylor, 12. Oshkosh—Washburn, 81; Taylor, 44. Vinland—Washburn, 86; Taylor, 58.

*Special Dispatch to The Chicago Tribune.*

RACINE, Wis., Nov. 4.—Racine City gives Taylor 144 majority; Herrick, Reform, for Senator, in the city, 569 majority; Bliss, Reform candidate for the Assembly, 246 majority. Herrick's majority in Racine County is about 600.

*Special Dispatch to The Chicago Tribune.*

KENOSHA, Wis., Nov. 4.—Taylor, for Governor, has 39 majority in the city complete. Houston, for the Assembly, has 70 majority in the city. The balance of the State ticket is about the same as Governor.

The Town of Pleasant Prairie reported 36 majority for Houston. Taylor's majority in the Town of Pleasant Prairie is 8.

## MICHIGAN.

*Special Dispatch to The Chicago Tribune.*

GRAND RAPIDS, Mich., Nov. 4.—The election of member of Congress for this district, to fill the vacancy caused by the death of the Hon. Wilder D. Foster, occurred to-day. Mass meetings were held here last evening by both parties, the Hon. William B. Williams, of Allegan, the Republican nominee, speaking at Luce's Hall, and several speakers addressing a crowd in front of Sweet's Hotel in behalf of Charles C. Comstock, Esq., the Democratic candidate.

At the opening of the campaign it appeared that the strength of the candidates was about evenly balanced, owing to Mr. Comstock being put forward as a People's man, and an impression that the Liberal party had a hand in his nomination. But it soon became understood that the Convention which nominated him, and all the primary and county meetings upon which it was based, were composed entirely of Democrats. It was called as a Democratic Convention, and its resolution to style itself a "People's Convention" was an afterthought, to which the people do not generally respond. The large proportion of the Republicans who no longer felt bound to the old organization, and other independent voters, generally viewed it as simply a straight-out contest between the two old parties, and with much the same feelings as those of the woman whose husband was fighting with the bear. Comstock is one of the old-line Democrats who boast that they never change. He does a large manufacturing business in this city, and is personally very well liked. He will undoubtedly carry this city, although it has a small Republican majority, and may possibly carry this county, which is also Republican; but the four other counties comprising the district may be pretty confidently reckoned to give perhaps half their usual Republican majorities, which would elect Williams by 1,500 majority, or more.

*Special Dispatch to The Chicago Tribune.*

GRAND RAPIDS, Nov. 4.—The vote for member of Congress to-day has been very light all over the district. The cities and large towns are all heard from. This city, usually Republican, is Comstock's residence, and gives him 351 majority. Allegan, where Williams lives, gives Williams 145 majority. Holland gives 110 majority for Williams; Lowell, 30 majority for Williams. The majorities for Comstock are as follows: Grand Haven, 83; Ionia, 114; Muskegon, 173; besides the above named cities, returns are received from one-quarter of the country towns. The total vote, so far as received, gives Comstock, the People's candidate, 497 majority in the whole district. The full vote will reduce this to about an even thing between him and Williams, the Republican. It will be impossible to learn to-night which one is elected.

*Special Dispatch to The Chicago Tribune.*

DETROIT, Mich., Nov. 4.—The biennial charter election passed off quietly here to-day, with a light vote. Local issues broke over party lines very greatly, and the tickets were so badly scratched that the counting was delayed until a very late hour. Moffatt, Republican, has been re-elected by nearly 1,500 majority, and the remainder of the Republican city ticket was also elected by good majorities, except Police Justice Harbaugh, who was defeated by E. V. Cicott, and a Justice of the Peace. A large majority of those elected are anti-park men. The next Common Council will stand as follows: Republicans, 13; Democrats, 11; and the next Board of Democrats is also Republican.

DETROIT, Nov. 4.—The municipal election in this city passed off very quietly. Twelve precincts heard from give Moffat, Republican, for Mayor, 680 majority. His majority will probably reach 1,000. The Republicans elect the City Clerk, Attorney, and Director of the Poor. The Democrats elect the Police Justice, and, probably, the Treasurer and Justice of the Peace. The Republicans will have a majority of 1 or 2 in the City Council, and a majority of the Board of Estimates.

Meagre returns from the special election in the Fifth Congressional District leaves the matter in doubt. The cities of Grand Haven, Ionia, Holland, and fifteen towns, give Williams, Republican, a majority of 200,—a large Republican loss from the vote of 1872.

DETROIT, Mich., Nov. 4—Midnight.—The vote in the Fifth Congressional District was very light and extremely close. Present indications are that Williams, Republican, is elected by a majority not exceeding 200 or 300. Grand Rapids City gives Comstock, Democrat, 351 majority; Grand Haven, 83; Muskegon, 173; Ionia, 114; Spring Lake, 47. Williams has 110 majority in Holland; 145 in Allegan; 30 in Lowell; 61 in Saugatuck. Other towns in Allegan County will raise his majority to 600.

In Detroit, Moffat's majority for Mayor will reach nearly 1,500. The Republicans carry the entire city ticket except Police Justice and Justice of the Peace.

## NEW YORK.

*Special Dispatch to The Chicago Tribune.*

NEW YORK, Nov. 4.—The returns, though meagre, indicate that the State has gone Democratic by a large majority. Hardly a township heard from at this early hour has failed to show large Democratic gains. The revulsion by which the immense Republican majority of last year has been overcome is the result almost wholly of the dissatisfaction inspired by the panic. The local forces affecting the contest are trivial, and could not possibly have wrought this astonishing result. It is the same cause which has changed all the other States which has drawn New York into the arms of the Democracy. This dissatisfaction and depression is widespread, and men, seeing the result of to-day, say that had the panic occurred a year previous, Greeley would to-day be President.

The result in the city at 9:30 p. m. cannot be safely foretold, for, at this hour, the result in not a single election district is known outside of police headquarters. About 6:30 p. m. returns from two districts were sent out, but these were evidently incorrect, and then not another item was allowed to reach the papers for three hours. Grave suspicions that the returns have been tampered with at headquarters are already around and circulated, and these are strengthened by the continued delay.

*Special Dispatch to The Chicago Tribune.*

NEW YORK, Nov. 4—11 p. m.—Nothing like full returns have yet been allowed to leave the police headquarters, and only the general results are known. Tammany Hall openly charged the Commissioners with doctoring the returns, in order to beat the Democracy out of two Senators, and appointed a Committee of Safety to watch the count. The few facts known show that the Tammany ticket has swept the field by a heavy majority, that of Comer, for Sheriff, being full 25,000. All the Assemblymen are Tammany.

Cox is elected Congressman by a heavy majority.

The Judiciary-elect are all Tammany.

The election was quite orderly.

*To the Associated Press.*

NEW YORK, Nov. 4—p. m.—The election of the Tammany county ticket is generally conceded, with doubts about Donahue for the Supreme Court, and the contest is exciting only in the Assembly and Senate Districts. Tom Murphy and Col. Lester Arthur are said to have charged Sheridan Shook and Commissioner Van Nort, two other representative Republicans, with deserting the combination ticket, and giving their support to William Walsh for County Clerk against the Republican and Apollo Hall candidate, Jacob M. Patterson. Murphy, in retalition, is threatening to call off his Republican voters from McCool, the combination candidate for Sheriff, but he, in turn, is said to be urging his followers to defeat Murphy's plans and to vote for Walsh. The fight in some of the Senate and Assembly Districts is bitter, and the Police Commissioners are showing their hands. Some Tammany inspectors have been arrested and Apollo Hall Democrats substituted. This is in the interest of the combination.

NEW YORK, Oct. 4—8 p. m.—The State election returns are coming in by towns pa and districts. Sixty-four of these show total Republican majorities of 3,881; Democratic majorities, 2,195; net Republican majority, 1,186. The vote for Secretary of State as compared with the same vote in 1871, is used as a basis of comparison, and shows total Republican gains of 683; total Democratic gains, 2,162; net Democratic gains, 1,479.

NEW YORK, Oct. 4—9:15 p. m.—No definite returns received from any part of this city. It is claimed that the city has gone Tammany Democratic by from 15,000 to 20,000 majority. If the latter figures prove correct, there is not much doubt but that the State has gone Democratic by several thousand. The election of S. S. Cox to Congress is conceded.

Returns from Brooklyn indicate that the Democratic candidate for Mayor has been elected, and the Democratic majority of that city for Secretary of State will probably reach 5,000.

Fifty-seven additional towns from the interior of the State give a net Republican majority of 2,200; net Democratic gain, 1,893. Net Republican majority in the 117 towns thus far, 1,336; net Democratic gain, 2,872.

Brooklyn—Eighth Ward, complete: Filger, Dem., for Secretary of State, 147 maj., being a gain of 564 over the vote of 1871.

Sixty-five towns additional to those sent give a net Republican majority of 3,616. Net Republican majority in total of 182 towns and cities, 5,229. This includes Syracuse City, Republican majority 197, and Auburn City, Republican majority, 736. Nothing up to 10 p. m. from the city election.

NEW YORK, 9:30 p. m.—For Secretary of State—Brooklyn, Twenth-third Ward, complete, Thayer, 730 majority.

Eighteenth Ward, complete, Weller, 775; Thayer, 510. Twenty-first Ward, complete, Weller, 1,125; Thayer, 1,031.

Rensselaer County gives the Republicans a majority of 1,000.

Thirty-nine additional towns and districts give a net Republican majority of 5,771; net Republican majority in 221 towns and districts, 5,801.

Poughkeepsie City gives the Democrats a majority of 870, a Democratic gain over 1872 of 936.

The Republicans undoubtedly carry Putnam County. Hamilton Fish, Jr., is elected to the Assembly.

St. Lawrence County gives Thayer 4,000 majority.

Franklin County gives about 800 majority for Thayer.

Seneca County complete gives Willers 925 majority.

Tioga County complete gives a Republican majority of about 700. Heavy Democratic gains in all the above counties over the vote of 1871.

NEW YORK, Nov. 4—10 p. m.—In this city, so far, the vote upon the State ticket is greatly mixed, owing to the attempted combination between the Apollo Hall and Republicans. Despite the early closing of the polls and the expectation of early returns from the most remote parts of the city, the account of the elections has been slow, the delay being due to the necessity the officials are under of canvassing a very long list of names embraced in the general ticket. At this hour, returns of votes for Sheriff are still lacking in a number of districts, but the total figures received so far leave no doubt of the election of Connor for Sheriff, and Walsh for County Clerk, by very large majorities. The vote for Sheriff thus far stands: Conner, Democrat, 21,092; McCool, 11,518. For County Clerk, Walsh, Democrat, 19,806; Patterson, Republican, 12,456.

NEW YORK, Nov. 4—11:30 p. m.—Returns from over one-third of the city indicate a majority for Conner, for Sheriff, of 25,000; Walsh, County Clerk, 18,000.

Ten Electoral Districts in the Sixth Congressional District give S. S. Cox, 1,193; Wadsworth, 458.

The vote on the Judicial Amendment to the State Constitution there is so trifling as to be scarcely worth mentioning, certainly not worth canvassing to-night.

NEW YORK, Nov. 4.—11:35 p. m.—The returns of half of the city gives Conner a majority of 14,000. Walsh a majority of 7,553.

The Sixth Congressional District gives Wadsworth, 3,151; Cox, 7,627.

NEW YORK, Nov. 4.—11:40 p. m.—Returns from fifty-three additional districts and towns in the State show a net Republican majority of 1,134. At this hour the total returns from 256 districts and towns show a net Republican majority of 6,800, a net Democratic gain over the vote of 1871 of 7,527.

Elmira gives 235 Democratic majority.

In Brooklyn, Hunter, Democrat, for Mayor, is elected by about 7,000 majority.

NEW YORK, Nov. 4—Midnight—Additional returns from thirteen districts in the State give 1,380 net Republican majority, making a total Republican majority in 252 towns of 7,180.

Albany County gives 1,500 majority for the Democratic State and county ticket. Dayton, Democrat, is elected Senator, and three out of the four Assemblymen elected are Democrats.

The Republican candidate in the Fourth Assembly district is elected by a majority of 23.

Monroe County, complete, gives Thayer 600 majority. Lord, Democrat, for Senator in the Twenty-eighth District, is elected by about 2,000 to 3,000 majority.

NEW YORK, Nov. 4.—Returns from the city are still incomplete. The Republicans elect five out of the twenty-one Assemblymen. The Tammany candidates for the Judgeship are elected by large majorities. Returns of the State ticket from the Sixteenth Assembly District give a Democratic majority of 20,840. The Democrats and Liberals to-night claim the State 15,000 to 20,000. Brooklyn, complete, gives Hornuel, for Mayor, 5,950; Willers, Democrat, for Secretary of State, 1,202.

NEW YORK, Nov. 5—1 a. m.—Eighteen wards in Brooklyn give the Democrats a majority for the State ticket of 1,038.

NEW YORK, Nov. 5—1:10 a. m.—Up to this hour the total returns from 384 towns outside of this city and Brooklyn, show a net Republican majority of 13,201, and a net Democratic gain of 16,139 over the vote of 1871.

There is a large city majority against the appointment of Judges, and an immense majority in favor of the annexation of Westchester County.

Rochester, complete, gives Willers 778 majority; Raines, Treasurer, 2,164 majority.

A dispatch from Buffalo says that Raines ran 800 ahead of the Democratic ticket in that city.

NEW YORK, Nov. 5—2 a. m.—The Democratic State ticket majority in this city is about 25,000, and the majority on the county ticket about 29,000.

Returns from 37 additional districts and towns, including the City of Rochester, show a net Democratic majority of 1,314, which is a net Democratic gain of 1,662. This reduces the net Republican majority in 421 towns and districts to 1,887, and increases the net Democratic gain outside of this city and Brooklyn to 17,807. Kings County, including Brooklyn, gives a Democratic majority of 3,500 on the State ticket.

FIGHTS.

A few fights have occurred. In several districts both the inspectors and poll-clerks failed to make their appearance at the appropriate time, but the vacancies were speedily filled by others who were sworn in.

A number of Tammany men, with bags of tickets in their hands, were standing on Third avenue at half-past 5 o'clock, when the lamps on the avenue were suddenly put out. One man was struck from behind with a sand-bag, and was clung to the ground. A struggle ensued for the bag of tickets, but the Third avenue car, which came along, was hailed, and friends of the wounded man succeeded in putting him on the car which was driven rapidly down town.

While some men were discussing politics in a liquor saloon in East Fifty-fourth street, this morning, a row occurred, and Morris Sallinger was stabbed in the abdomen. Six men have been arrested to await an investigation.

THROWING VITRIOL.

A German named William Tabor was this afternoon severely injured by having a bottle of vitriol thrown in his face while standing at a polling-place in the Fourth Ward.

ARRESTS.

Commissioner Davenport sat in the United States Courts up to 2 o'clock to dispose of arrests which were made during the day by Special Deputy Marshals, whom he had sent out in large numbers to scour the city. A large number of arrests were made. The majority were bailed and released at once. Patrick McGuire, arrested in the Eighteenth Assembly District, had $6,000 in his possession.

ALBANY, Nov. 4.—The indications are that the Democrats have carried this county by 1,000 majority.

*Special Dispatch to The Chicago Tribune.*

BUFFALO, N. Y., Nov. 4.—At the city election to-day most of the Democratic ticket was elected. Dr. Lewis P. Dayton, Democratic, Mayor, by 800 majority; the Hon. John Ganson was elected State Senator, Democratic, by 1,200 majority.

BUFFALO, Nov. 4.—This city gives Willers, Democrat, for Secretary of State, 740 majority; elects a Democratic Senator and two Democratic and one Republican Assemblyman.

## NEW JERSEY.

NEW YORK, Nov. 4.—Returns from New Jersey up to 1 a. m. are mere scattering township and district returns, and indicate nothing as to the general result. The election is for the entire Assembly, about half of whom are renominated.

NEWARK, N. J., Nov. 4.—Returns from the State are so scattering that no satisfactory estimate can be made at midnight, but the Republicans claim the Legislature by a reduced majority.

## MINNESOTA.

ST. PAUL, Minn., Nov. 4.—The returns so far are meagre, but the indications all point to the election of the entire Republican State ticket by a handsome majority. Davis running ahead of his ticket. There has been a good deal of scratching. The returns from the city will not be in until a very late hour, on account of mixed ballots. There will be considerable change in the Legislature.

ST. PAUL, Minn., Nov. 4.—A very few returns received from the middle and lower parts of the State, and it is impossible at this time to make an approximate estimate of the result. Davis, Republican, for Governor, is away ahead of his ticket, and will have 1,200 or 1,500 majority. The only place where he runs behind is in Minneapolis, and there less than 200. In many places the farmers have voted for Davis, and then turned round and supported the remainder of the Grangers' ticket.

Grinager, Republican, for State Treasurer, is behind in many localities, as is also Jennison, for Secretary of State, but not enough to endanger their election, unless they meet with disasters in the southern part of the State. In this city the tickets were so badly split that returns from not a single precinct are in at this hour, 12 o'clock.

## MASSACHUSETTS.

*Special Dispatch to The Chicago Tribune.*

BOSTON, Nov. 4.—The vote in this State to-day has been a very light one, notwithstanding the most favorable weather. Returns to this hour (8 p. m.) indicate the re-election of Washburn, Republican, to the Governorship, by a majority of about 17,000 against 74,000 last year. Both branches of the Legislature will be Republican by about a two-thirds vote, which is in this State a heavy gain for the Democrats. Last year the Legislature was divided as follows: Senate, 39 Republicans and one Democrat; House, 251 Republicans, 29 Democrats.

The feature of the election to-day is the revelation it makes of the weakness of party ties. The Independent tickets have been the popular ones everywhere, and no opportunity seems to have been lost for rebuking the trading politicians. Gen. Banks is elected to the Senate as an Independent, beating his regular Republican opponent two to one in a district which goes for Washburn by a majority nearly as large. In the Tenth and Eleventh Wards of this city Lane, Ind., is elected over Stevenson who was nominated by both the Republicans and Democrats. Stevenson is a liquor-dealer. He was beaten by a majority of more than two to one. In the Plymouth District, Hawes, Independent, is elected over Coe, regular Republican, by a heavy majority.

In one Worcester District, George F. Verry, Democrat, is elected by a majority of over 1,700. He is anti-prohibition. In the Newton District, Walter J. Mason, Liberal Republican, is elected over J. K. Pike, regular. Ezra Parmenter, Democrat, is elected in the Cambridge District over Fuller, Republican. Jacobs, Democrat, is re-elected in Boston. Except the last, all these are in the place of regular Republicans in last year's Senate. The returns for Representatives show almost as astonishing features, Democrats and Independent being elected in many towns heretofore considered sure for the regular Republicans.

It is too early to give definitely the complexion of the Legislature, but that there is no doubt that the regime of the Custom-House party in local politics has received a startling rebuke. The party whip has been cracked with notable inefficiency. The growing disgust with the prohibitory liquor law has had much to do with the break, but there is a defiant spirit of rebellion against cut-and-dried political work and set up tickets that is exceedingly promising. The era of independent thinking has apparently dawned in this State. The bold tone of the Boston *Advertiser* and other Republican journals, when the Administration forces were striving to impose Butler on the party, has produced good results in many ways; and the end is not yet. The falling off in Washburn's majority is owing partly to the light vote and, partly to the defection of the Butler crowd, who declined to vote. It is nearly twenty years since anything so unexpected as this collection of Independent successes has happened in Massachusetts politics.

Henry Pierce, Rep., is elected to Congress in the Third District in place of Whiting, deceased. No Democrat could be found to run against him. Charles Hale, late Assistant Secretary of State, is elected to the House from the Fourth Ward of Boston. John Quincy Adams is elected from Quincy.

This city gives a majority for Gaston of 1,333; two years ago the combined majority against Washburn was but 341, and he had a plurality over the Democratic vote of 712; last year Washburn's majority over Bird was 5,423. Worcester gives Gaston a majority of over 16,000. The oldest inhabitant can hardly remember the last time that Worcester gave a majority to a Democratic State ticket. Lowell also gives Gaston a majority.

Some of the fishing towns on the Cape cast a considerable vote for Butler. The Labor-Reform ticket received less than 100 votes in this city, and probably not 1,000 in the State.

The liquor question will be a vexed one in the new Legislature. Undoubtedly an effort will be made to repeal the Prohibitory law, but it is hardly possible that it will succeed. As to the railroad and Hoosac Tunnel matter, most of the members of the Legislature are uncommitted to any particular scheme.

Boston sends the Lower House 23 Republicans and 16 Democrats—a Democratic gain of 8; to the Senate, 3 Democrats, 1 Independent Republican, 1 Liberal Republican, who was also on the Democratic ticket.

Norfolk County, complete, gives Washburn 4,311; Gaston, 3,607; scattering, 4; Washburn's majority, 640; majority last year, 4,574. Two years ago, when there were four candidates in the field, his majority was 598. His majority over the Democratic candidate, J. Q. Adams, was 1,877.

In the whole State, two years ago, Washburn's majority was 13,968 over all, and 27,404 over Adams. The Prohibition and Labor party candidates received together 13,446 votes.

*Special Dispatch to The Chicago Tribune.*

BOSTON, Nov. 5—1 a. m.—Eight cities gave Democratic majorities, namely, Boston, Charlestown, Lowell, Haverhill, Newburyport, Springfield, Holyoke, and Worcester. The Senate will stand: Republicans, 27; Democrats, 11; Independent Republicans, 2—a clear Democratic gain of 9. To the House there are elected 155 Republicans and 69 Democrats. Twenty-two other districts are not yet heard from. This is a Democratic gain of 31. The Legislature will be the ablest for many years, and the presence of a minority of considerable strength and much talent will be fortunate on every account.

Seven additional towns in Worcester County add 166 to Washburn's majority.

The following is a recapitulation of the vote by counties:

| | *Washburn.* | *Gaston.* | *Scattering.* |
|---|---|---|---|

| Totals | 69,426 | 57,330 | 426 |

Dukes and Nantucket Counties have not been heard from. They cast but few votes, and will not relatively change the result. Suffolk, Hampden, Hampshire, Franklin, Berkshire, and Norfolk Counties are complete. In all, 311 towns have been heard from, and thirty are wanting. These returns show a plurality for Washburn of 11,896, and a majority of 11,470. The towns to be heard from may increase his majority to 13,000.

Gurney, Democratic candidate for Register of Probate in this county, has 233 plurality.

H. S. Washburn, the only regular Republican candidate in this county against a Democratic candidate, has a plurality of 103.

Mayor Henry L. Pierce's majority for Congress is 5,819 in a total vote of 7,878; last year Mr. Whiting received a majority of 2,792 in a total of 8,931.

*[To the Associated Press.]*

BOSTON, Nov. 4.—Scattering returns from all parts of the State show rather a light vote as compared with 1871 and 1872, and indicating the re-election of Gov. Washburn by from 8,000 to 10,000 maj. Anti-Prohibition was a power of strength to the Democrats, and their candidate, Mr. Gaston, received a heavy vote in several of the larger cities and towns from the opponents of prohibition. The contest for State Senator in the Fifth Suffolk District resulted in the election of Jonathan A. Langdon, on the Republican ticket, by over 1,000 majority, over John L. Stevenson, who was a candidate on both the regular Democratic and Republican tickets. In the Second Middlesex District, Gen. N. P. Banks was also elected Senator, over the regular Republican candidate, by a handsome plurality.

Returns from Governor in 62 towns foot up: Washburn, 11,895; Gaston, 7,605.

LATER.

BOSTON, Nov. 4—10 p. m.—The vote of Boston, with the exception of three wards, returns from which are not in, gives Gaston about 1,500 plurality, Lowell gives Washburn 1,594; Gaston, 2,170; Worcester gives Washburn 2,162; Gaston, 3,780, and also elects the Democratic Senator and members of the House. The vote of 122 cities and towns foots up: Washburn, 33,023; Gaston, 30,947. Last year the same towns gave Washburn 46,160; Bird, 2,411. Washburn's plurality last year was about 25,000, which the returns so far indicate has been brought down about one-half. At this election the Republican ticket for State officers is elected, and the Republican Councellor ticket, together with a Republican majority in both branches of the Legislature.

Banks' plurality for State Senator is over 1,500.

Charles Hale is elected to the Legislature from Boston by a large majority.

BOSTON, Nov. 4—11 p. m.—The vote of Boston, complete, was: Washburn, 7,725; Gaston, 9,114; scattering, 69. Total vote, 16,909, which is a little more than half of that of last year.

The *Journal* office at midnight had returns from 311 towns, giving Washburn 69,426; Gaston, 57,530; scattering, 426.

Of the 40 Senators, the Republicans elect 26. The House will probably be three-fourths Republicans. In the Senate two to one are opposed to the Prohibitory Liquor law.

## KANSAS.

*Special Dispatch to The Chicago Tribune.*

LAWRENCE, Kan., Nov. 4.—In this county the Farmers' ticket is elected over the Republican ticket by about 500 majority. Harry Bronson, a leader in the Farmers' movement, is elected to the State Senate to fill a vacancy.

Miami County also elects the Farmers' ticket by 500 majority, including two members of the Legislature. There are no State officers voted for in Kansas this fall. The election is for members of the House of Representatives, and for county officers. From present appearances, the farmers will hold the balance of power in the Legislature, and be able to elect the United States Senator to fill Caldwell's vacancy.

LAWRENCE, Kan., Nov. 4.—The Farmer's Movement carries this county by about 600 majority over the regular Republican ticket. Bronson is elected Senator to fill a vacancy, and the following members of the House are chosen: Fifty-third District, J. Watts; Fifty-fourth, L. G. Edson; Fifty-fifth, William Roe. J. C. Horton, regular Republican, is elected in the Fifty-second District.

*Special Dispatch to The Chicago Tribune.*

KANSAS CITY, Mo., Nov. 4.—Reports from Miami County, Kansas, say that the entire Granger ticket, including two Representatives, is elected. Wyandotte County, Kansas, as far as heard from, reports R. B. Taylor, Republican, elected Representative in the Twenty-seventh District by a large majority.

TOPEKA, Kan., Nov. 4.—John Martin, Independent; Ira Johnson, Granger; and J. Welchans, regular Republican, are elected Representatives in this county. The Republican county ticket is elected.

JUNCTION CITY, Kan., Nov. 4.—The election in this State to-day for members of the Legislature and county officers resulted in this (Davis) county in the election of A. G. Stickney, Independent Republican and farmers' nominee, for Representative. John Price was re-elected Treasurer; B. R. Richie was elected Sheriff.

## VIRGINIA.

RICHMOND, Nov. 4.—The election in this city passed off very quietly, the polls in every precinct closing without any disturbance. The voting on the part of the whites has been quite dull, but the colored vote has not been so good. Some leading Republicans concede the election of Kemper by 15,000 to 20,000 majority. There are no returns in yet from the city precincts, but the indications are that Kemper's majority will not be less than 500 in Richmond.

RICHMOND, Va., Nov. 4.—Returns from nineteen out of the twenty-one precincts in this city show that the first estimates as to the Conservative majority were largely behind the official returns. These precincts give Kemper over 1,750 majority. The remaining two precincts will not reduce this majority more than 100. Partial returns from thirty counties indicate that the State has gone Conservative by a large majority over Walker's majority in 1869.

## MISSISSIPPI.

JACKSON, Miss., Nov. 4.—But little interest was shown in the election to-day. From all quarters the vote is reported one-third short, the falling off in Jackson, being from 500 to 600. Ames has a majority in the city estimated at 300, which is a small Republican loss. The Independent candidates for county offices were numerous, as the Democrats had no ticket in this county. There was much delay in counting the votes.

VICKSBURG, Nov. 4.—The election passed off quietly, only about half the usual vote being cast. Alcorn has probably carried this city and county. Scratching prevailed to an unprecedented extent at all the polls. Nothing can yet be given as to the general result.

## MARYLAND.

BALTIMORE, Nov. 4.—The Democrats in this city elect their entire ticket, including eighteen delegates and one Senator, by from 12,000 to 14,000 majority. Walford, Democrat, for Comptroller of the State Treasury, with six wards to hear from, has a majority of 11,333. Nothing definite from the State.

## ARKANSAS.

LITTLE ROCK, Ark., Nov. 4.—The election to-day passed off quietly. It rained nearly all day. The entire Republican ticket was elected.
