

WAR demanded of the UNDERWOOD factory — the largest in the world — over 100,000 typewriters for the use of the United States and its Allies. That we were able to supply this demand is a bright page in our history of success.

PEACE now recalls us to the needs of the public to which we owe our thanks, not only for its continued endorsement of our product, but for the patriotic patience it has shown during the period when all UNDERWOODS were devoted to the necessities of war.
