The word "Pianola" is a trade-mark name. It is the name of one kind of player-piano—not the name of all player-pianos. It is the name of the world’s best player-piano—the "real Pianola" Player-Piano, made by the Aeolian Company of New York.

"Pianola" is the name of an automobile, but all automobiles are not "Pianolas." For the same reason all player-pianos are not "Pianolas."

The "Pianola" is the world's best player-piano. The name "Pianola" will not be coupled with the names of the world's best pianos, for "Pianola" pianos are known as:

Steinway "Pianola" Pianos
Webster "Pianola" Pianos
Stanhope "Pianola" Pianos
Wheelock "Pianola" Pianos
Aeolian "Pianola" Pianos

The real "Pianola" Player-Piano, the only player-piano approved for use in the "Aeolian Vocalion" in each of the world’s largest concert halls, is only $67.95. The Aeolian Vocalion is the world's most perfect player-piano. It is the only player-piano approved for use in the world's largest concert halls. It is the only player-piano that has been used in the world's largest concert halls. It is the only player-piano that has been used in the world's largest concert halls.
