

Be truthful.
The people are wondering if Thompson of the Colored American has any recollection.

E. E. Cooper ought to know that no one he abused last week was ever dismissed from the Railway Mail Service for robbing the mails.

Neither did any grand jury ever indict any man he attempted to abuse last week.

R. W. Thompson ought to know also that no one he mentioned last week ever had his wife to come to the Government Printing Office and have one dismissed for non support.

The public should beware of bogus newspapers agents.

The BEE is the leading paper in the United States.

The American negro should have some manhood.

It is the bad man who does bad deeds.

Think well of those who tell the truth.

The colored soldier is still in the dark.

He has been promoted from private to lieutenant.

They fought bravely at Santiago.

They saved the lives of many hundred Rough Riders.

They have been compensated by being promoted to lieutenant.

The day will soon come when the colored soldier will be wanted.

The nation will have a greater war with other nations soon.

Don't forget, The BEE's prediction.

Don't be alarmed the country is safe.

E. E. Cooper can change quicker than any man who attempts to run a newspaper.

His democratic proclivities caused him to leave Indianapolis, Ind.

He will leave Washington shortly.

Mark The BEE's prediction.

Honest men will do honest deeds.

Be truthful in all things.

You cannot help from succeeding if you do well.

Don't forget that your duty is first to your race.

Why did E. E. Cooper leave Indianapolis, Ind?

Don't let everybody speak at once.

The BEE has an interesting story concerning the colored editor.

Do your duty to your fellow man.

"The world is a stage and the people are players."

Dr. Phil. B. Brooks is making himself a great physician.

Dr. Curtis of the Freedmen's Hospital is no longer chief.

Miss Ebersole is the boss of that institution.

Dr. Curtis is not in it.

He is chief in name but not in fact.

Will Miss Chief Ebersole inform The BEE, whether colored doctors are admitted to the operations?

The civil service is not to be lifted from the Government Printing Office.

Does it pay to elect civil service Presidents?

Does it pay republicans or democrats?

Don't forget that your duty is to do right.

Not a District republican has been appointed yet.

This is a white man's government.

Negroes must be content with what they get.

Negro leadership is a failure.

If you want to find second class donkeys, just take a peep in the office of the Colored American.
