PRE-INVENTORY SALE
This is our first inventory sale—it marks the first milestone in our first six
months of successful business. Business HAS been tremendous to such an extent
that there are numerous odd pieces and odd lots in our warehouse which
our buyers return from the great purchasing market with entire new stocks. These
pieces must go—and we cut prices to the very limit to assure quick removal.

AUTO-WINNER!
Master Victor Sillers
2316 G Street N. W.

This 7-year-old boy is the proud possessor of this wonderful automobile. He
stuffed his key and opened the lock fastened to the steering wheel of the auto, and
was advertised to deliver it to the holder of the lucky key. It has been turned over
with the workings of auto, and
