## Senator Is Accused

By the Associated Press

D. A. Rhoades, vice president and general manager of the Kaiser Aluminum & Chemical Corp. has described as "completely erroneous and mislead-ing" a statement by Senator Murray, Democrat, of Montana. Eugene P. D. Hathaway, 71, vice president and treasurer of Guy, Curran & Co., Washington dry goods firm, died yesterday at his home at 3360, Mount at Marray made with the Kaiser firm 'had not complied with its contracts to supply nonintegrated aluminum users." He said Senator Murray made the statement in a letter to Mobilization Director Arthur S.

Flemming. Kaiser Aluminum, Mr. Rhoades' statement said, "at all times has exceeded its obliga-tions to supply nonintegrated users under the company's con-

A Commerce Department offi-cial recently testified before a House subcommittee that many complaints have been received from small makers of aluminum products that the big producers are holding back aluminum for their own use and depriving their independent customers.

### **Entertainer Slain**; **Dancer Questioned**

LAS VEGAS, Nev., May 27 (P). -The death of one entertainer and the arrest of another for investigation of murder marred the public opening last night of the Moulin Rouge, Las Vegas' first inter-racial luxury hotel.

The body of Wardell Carl Gray, 34, Los Angeles, a saxophonist with Benny Carter's band, was found in a wheat field yesterday. Investigators said it was believed he had been slugged with a blunt instrument. His with a blunt instrument. neck was broken and there were ounds on his head.

Mr. Gray had played with Benny Goodman and Count Ba-

Last night tap dancer Theodore Homer Haley, 29, also scheduled to appear in the open-ing Moulin Rouge show, was ar-rested in Las Vegas and booked for investigation of murder. Sheriff W. E. Leypoldt said that when Mr. Gray was last seen alive early yesterday Haley was

### EX-SPEED KING NOW IS URGING SPEED CONTROL -

NORTH PLATTE, Neb. (P). - King Rhiley, former racing car driver who once held the record for the Pike's Peak racing car climb,

says, "We've got to come down in speed."

Mr. Rhiley, now 70, said during a visit here: "The fu-ture holds an automobile of unimagined quality for us. But we've got to come down in speed and control it as somewhere not over 80."

### **Hatoyama Rejects** Call to Drop Treaty

TOKYO, May 27 (P).—Prime Minister Hatoyama today blunt-ly rejected a Socialist suggestion that Japan abandon the United

that Japan abandon the United States-Japan mutual defense pact in bargaining for peace with Russia. "Japan's peace," he told his critics in the Diet (Parliament), "is guaranteed by the United States-Japanese defense treaty." He said Japan's hope for pea ful diplomacy with all the world, free and Communisi, "is based on our collective defense."

He also rejected the doctrine of "neutralism" for Japan in world affairs and at the Japan-Russia peace talks scheduled to open in London in June. ondon in June.
"It is impractical for Japan to

think of taking a neutral stand in world affairs, but Japan will take an independent attitude at the London talks." He said the United States had no intention of interfering with Japan's negotiations at London, and that he had no intention of consulting with the United States about those negotiations.

### Lattimore Leaves For European Tour

NEW YORK, May 27 (AP). Owen J. Lattimore, contro-versial Far Eastern affairs expert, left by trans-Atlantic plane yesterday for a four-month lecture tour in Europe. His wife Eleanor accompanied

Mr. Lattimore won State Department approval for the trip last week after his attorney complained his passport was being held up deliberately to prevent the trip.

He was indicted in 1952 on

charges that he gave false tes-timony when he denied pro-Communist activities or associa-Mr. Lattimore's first lecture engagement is May 30 at Oxford, England.

## Bar Group Honors

The 62 craft include 6 submarine chasers and 56 motor topedo boats. They are to be turned over to United States Navy officials at Kiel, Germany, during July and August.

These vessels are part of 186 which Russia agreed to return October 20, 1953.
