**and BIGGER!**

**This '55 Buick must have something that folks just won't do without!**

**PICK YOUR CAR FROM THE HOTTEST-SELLING BUICKS IN HISTORY**  
There's a Buick to fit every purse and purpose—the bedrock-priced SPECIAL, the high-powered CENTURY, the extra-spacious SUPER (illustrated here in the Riviera model), and the custom-built ROADMASTER.

Two months ago, in the public print, we said that this looks like Buick's biggest year—and we weren't fooling.  
But what has happened—and continues to happen—is almost beyond belief.  
People buy up these stunning new Buicks practically as fast as we get them from the factory. Buick production—already revised upward several times—keeps forging ahead to new highs every month to meet the mounting demand.  
And Buick sales keep soaring higher and higher and higher—outstripping by far the phenomenal success of last year—the success

that moved Buick into the "Big Three" of America's best sellers.  
What is it about the '55 Buicks that folks by the hundreds of thousands just won't do without? It's many things.  
It's styling that's boldly distinctive and fresh as tomorrow. It's beauty of line and beauty of interior décor. It's a ride that's level, firm and steady. It's a new sweetness of handling. It's great power—walloping new V8 power of record might.  
But above all, it's a new kind of performance, from a new kind of automatic transmission that was born of flight thinking.

It's Variable Pitch Dynaflo\*—engineered from the principle of the modern plane's switch-pitch propeller—and what it brings you in the way of pure thrill, mere words can't describe.  
Just you drop in on us this very week and try it. That way you can see what a terrific automobile—and a terrific buy—the hottest-selling Buick of all time really is.  
\*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.  
WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

**Local Delivered Price of the 1955 Buick SPECIAL \$2630.00**

2-Door, 6-Passenger Sedan, Model 48 (illustrated) is  
Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities. Even the factory-installed extras you may want are bargains, such as: Heater and Defroster—\$82; Radio and Antenna, \$93.
