The daily use of Cuticura Soap, assisted by occasional touches of Cuticura Ointment does much to keep the skin clear and soft and the hair lustrous and glossy.

**HOLLAND WARNED NOT TO USE SHIPS**

AMSTERDAM, Sept. 26.—German papers have printed warnings to the Netherlands government against resuming trade relations with the entente. The Teutons say that Holland's ships will be seized by the entente. Referring to the seizure of Dutch vessels, the Cologne Gazette says: "The Netherlands government will not yield unless it obtains guarantees that its ships, if sent out, will not be seized in America as were those taken there last March."

**TO SPEED NOLAN BILL**

Advocates of the Nolan minimum wage bill in the Senate will endeavor to have it considered at an early date by the Committee on Education and Labor. The bill will be handled by this committee, of which Senator Hoke Smith of Georgia is chairman. It is important, in the opinion of supporters of the bill, to have it brought up in the Senate ahead of the revenue bill. Otherwise, there will be long delay.

**What Theaters Offer Next Week**

Nora Bayes, who appears as the star of the new musical play, "Look Who's Here?" at the Belasco Theater next week, beginning Sunday night, is so well known to local theater patrons as to scarcely need any further introduction. Miss Bayes is undoubtedly the most popular and talented singing comedienne before the public.

H. H. Frazer evidently has another world beater in Miss Bayes and her new play, as she has drawn capacity houses since the opening of the season three weeks ago, and the advance sale for every performance next week indicates that Washington will be no exception to the rule.

**NATIONAL**

John Cort, producer of "Fiddlers Three" and "Gloriana," is bringing "Flo-Flo," his musical comedy success of last season, to the National next week, opening with a Sunday night performance. It is credited with sparkling lines, catchy lyrics, a "perfect 30" chorus, and the most sonorous and stirring songs ever seen on a New York stage.

The plot concerns Angelina Stokes, who loves a boy from Oshkosh, but is being forced into a marriage with a fake count by a worldly mother. Included in the cast are Rena Parker, Andrew Tombs, James E. Carson, Thomas H. Brown, Arthur Miller, Leon Leonard, Edna Morn, Louise Beaudet, Armand Robt, Marjorie McClintock, William Hugh Mack, and Annie Hinkel.

**B. F. KEITH'S**

Joseph E. Howard, the musical comedy star and composer, with Ethlyn Clark and a company of forty players, in "The Song Bird Revue," will be the stellar feature at B. F. Keith's Theater next week, with a spectacularly staged fourth Liberty bond drive as the extra added attraction, with eminent speakers, marching band, and the Camp Meigs Military Band of sixty soldier musicians.

Van and Schenck, "The Pennant-Winning Battery of Songland," are a special inclusion; Kate Elinore, "The Goddess of Billikin," and Sam Williams, will offer "A Reel of Real Fun." Clarence Oliver and George Olin will present Hugh Herbert's comedy, "Discontent." Others will be Leo Beers, the distinctive entertainer; Stan Stanley, "The Bouncing Fellow," and the Stanleys in amusing antics. Betty Bond in "Going Up in Vaudeville," Mitchell and King, "Imitators Unique," and the Hearst-Pathé new pictorial and actual war films.

**POLIS**

"Funnier than Potash and Perlmutter," appears to be the consensus of opinion of Washington theatergoers, on "Business Before Pleasure," the third of the famous series which will be held over next week at Polis's Theater.

As "fillium" magnates "Abe" and "Mawruss" again reveal their delightful eccentricities, their thoroughly human traits, and their charming naïveté at every turn. Critics and public have agreed that in their new vehicle Barney Bernard

**STRAND**

"Hobbs in a Hurry," the fastest, most amusing, and most agreeably exciting photoplay, which William Russell has ever had, will be the chief attraction at Moore's Strand Theater the last three days of the current week, beginning Thursday.

"The Romance of Tarsan," a sequel to "Tarsan of the Alps," in which are visualized the closing chapters of Edgar Rice Burroughs' remarkable narrative of the little English boy reared with the beasts in the jungle, will be the offering throughout next week at the Strand.

The same cast supports Elmo K. Lincoln.

The feature will, as usual, be supported by news and comedy subjects and orchestral accompaniment.

**GARDEN**

On Friday and Saturday of this week at the Garden the offering will be Bluebird's outdoor classic, "That Devil Bateese," with Monroe Salisbury pictured in the role of a French-Canadian woodsman of the great Northwest.

Next week will bring to the Garden Sunday afternoon Tuesday, "Killed by the Storm," a gripping film play, starring Emily Stevens. On next Wednesday and Thursday the feature will be by the World Famous "The Nymph of the Foot-hills," a drama of many tense moments amid scenes of great natural beauty.

Each daily feature will be supplemented by short reels and orchestral accompaniment.

**COLUMBIA**

William S. Hart will be seen at Loew's Columbia Sunday and for the first half of the week in his new photoplay, "The Border Wireless."

Becoming a bandit by a desire for revenge against a railroad that has taken his father's ranch, Mr. Hart, as Steve Ransom, finally reforms and succeeds in defeating the plans of German spies on the border to send a wireless message to Berlin, telling when General Pershing will sail for France.

Comedy and the Hearst-Pathé current event reels will also be shown in addition to the feature.

Thursday and for the last half of the week Dorothy Gish will be seen in her new photoplay, "Battling Jane."

**SOUZA'S BAND HERE MONDAY**

The Great Lakes Naval Station Band, led by Lieut. John Philip Sousa, will start on an Eastern tour in the interest of the Liberty loan tomorrow. The itinerary includes Peoria, Ill., September 27; Columbus, Ohio, September 28; Pittsburgh, September 29; Washington, D. C., September 30; Baltimore, October 1; and Philadelphia, October 2.

**CATARRHAL DEAFNESS MAY BE OVERCOME**

If you have Catarrhal Deafness or head and ear noises or are growing hard of hearing go to your druggist and get 1 ounce of Parmit (double strength), and add to it 1/4 pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day. This will often bring quick relief from the distressing head noise. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone who has Catarrhal Deafness or head noises should give this prescription a trial.

**"Suicide by Inches"**  
THOUSANDS of people commit suicide by inches!  
If one should take minute daily doses of some irritant or poisonous drug, no particular effect might be noticed until accumulation of the poison made its action evident.  
Yet how many realize that irritant and poisonous substances are formed constantly, even in health, during food digestion and the preparation of its waste for elimination?

If the bowels act regularly and thoroughly, such dangerous matter is safely gotten rid of.  
But if constipation exists, there results stagnation of intestinal waste, increased production of poisonous substances, and their absorption into the blood, which carries them all over the body.  
The result is disease or disorder, which, if neglected or allowed to continue, cripples or kills.  
The victim of such self-poisoning commits suicide by inches.  
Constipation is a bad habit. It is a sin against the body.  
But there is an even worse habit, a crime against Nature, the taking of pills, castor oil, laxative mineral waters, and salts to "force the bowels to move." Because such drugs do not cure constipation. They make constipation a habit. They do not prevent "suicide by inches."

On the other hand, the Nujol Treatment not only overcomes constipation, but prevents stagnation and makes self-poisoning impossible.  
Nujol is not a drug, does not act like any drug; it is absolutely harmless. Nujol helps Nature re-establish easy, daily, thorough, bowel evacuation.

**Warning:** NUJOL is sold only in sealed bottles bearing the Nujol Trade Mark. Insist on Nujol. You may suffer from substitutes.
