THIS week will be devoted to the exposition of Fall Footwear for women, "Junior" women and children, in all the "HAHN" Stores. The purpose is three-fold. First, and mainly, to demonstrate the super-value and ultra-distinction of "HAHN" footwear. Second, to thoroughly acquaint the public with our delightful, new creations. Third, by accessible display, to illustrate the authentic Fall modes for each purpose and occasion of wear.

We trust you will honor us by your presence this week.

**Formal Footwear**

Evening Slippers and Street Pumps, of course, are first consideration in this grouping. Plain or fitted-patterns in tailored pumps of dull or patent leather, of silver and gold cloth, black and white satin and buck are shown. Satin in Vogue this season, and many women will wear black satin boots in preference to slippers. Formal footwear is shown at \$8, \$10, \$12 and intermediate and slightly higher prices.

**For Junior Women**

This New Department is devoted to the particular footwear needs of the High School, Seminary and College Miss. In it are featured boots for general service, dress boots and party slippers. And in every instance, the design is a lively up-to-the-minute style. The instantaneous popularity with which this section has met speaks volumes for the merchandise it carries. \$5 to \$12. Special Shoes for "Junior Men" at \$4 to \$8.50.

**Postume Footwear**

Fashion says, "Footwear to Match the Costume, this Season." As brown is the leading fall color, so have brown and tan boots, in all the shade variations and combinations been given first consideration in our collections. But gray patent, black oze, buck and dull kid, solid or in combination, are also in demand. Costume Boots in striking variety, at \$8, \$10, \$12 to \$17.50; lace and button tops.

**Spatz; Boot-Tops**

These are highly-important items of footwear accessories in well-shod circles, this fall. Black, browns, tans, field mouse, faun and grays are shown, in satin, moire, felt, velours, broadcloth and kersey. Moderately priced at \$1.59 to \$5 the pair. Rhinestone, cut steel and French bead buckles are also greatly in demand for evening wear. These are shown in many beautiful designs.

**Street Modes**

Footwear for street wear, for shopping tours, and for all general purposes should be distinctive of line, but substantial withal. Welton boots, with solid leather heels are best. Dull black, glazed black, brown and tan are the proper shades. Lace and button styles are shown, with lace leading in preference. Louis, Cuban and military heels are shown, the military type being the most practical. \$7, \$7.50, \$8.50, \$10, \$12.

**"Gro-Nups"**

Too much stress cannot be placed on the importance of this children's part of the "HAHN" stores. The "GRO-NUPS" motto has always been: Only the BEST is Good Enough for Growing Feet! "GRO-NUPS" shoes represent the best quality, best made, best wearing, best fitting shoes possible to obtain for girls and boys. And the greatest values: \$3 to \$8.50.

**The Stocking Shop**

This well-stocked section plays an important part, and a highly-valued one, in the scheme of things for fall. For every-day wear, hosiery that will give good service. For dress, the proper match for the footwear. For evening wear, the proper harmonization, both as to design and coloring, with the gown. And, for whatever purpose, moderate price and full values. Such is the service in the HAHN "Stocking-Shop."

**Specialized Lines**

Special attention is called to these two groupings. The first is composed of twenty-two fall styles of Women's Boots, Pumps and Oxfords at \$8.50. The second is the line of "Special" "GRO-NUPS" School Shoes for boys and girls at \$5. Be sure to see these lines, for they are the season's greatest "treat" in extra value-giving, and reflect remarkable merchandising achievement.
