

TWELVE YEARS AGO, Thomas A. Edison jams his derby down over his ears and goes for a spin with a friend in an electric runabout.

Left—THE MOST POWERFUL RADIO ever installed on shipboard is this outfit aboard the S. S. Pan-America, the vessel that carried the Secretary of State to South America recently. Its range of 10,000 miles enabled the ship to keep in touch with official Washington the entire trip.

Below—EDISON SLUMBERS. Despite rumors to the contrary the electrical wizard occasionally does sleep. From a nap made in the Blue Ridge Mountains in July, 1921, during a camping trip with President Harding and Henry Ford.

**Hand Scrubbing and Polishing Doomed!**

No more slow, back-breaking, expensive work in scrubbing, waxing and polishing floors. Thoroughly clean, wholesome floors—lustrous, mirror-like polished floors—are now yours. And time, labor and money saved.

**UTILITY ELECTRIC FLOOR MACHINE**

See it at NEW YORK ELECTRICAL SHOW Booth 45, Grand Central Palace THE KENT CO., INC., 250 W. 57TH ST.

**SWEEPER-VAC**  
With Motor Driven Brush

Cleans either by suction alone or by suction plus motor-driven brush.

Two cleaners in one at the price of only one. See it at the show.

**Consumer Satisfaction**

BASED upon twenty-five years of experience, the Sibley-Pitman Electric Corporation has added its approval to the products of certain manufacturers of national standing so that the purchase of any appliance which it distributes, at any one of its dealer stores, carries with it the guarantee of consumer satisfaction.

It has been a source of gratification to this organization to have cooperated with the Empire Home Building Ass'n and the Home Owners Service Institute in the proper wiring and the electric equipment of the Standardized Electric Economy Homes.

Using G. E. construction materials which we distribute, our dealers, located conveniently throughout the Metropolitan area and suburban territory, can be depended upon always for reliable service.

Either for cash or under convenient credit terms, which we cheerfully arrange for them, Sibley-Pitman dealers are ready to install additional convenience outlets, wire old homes and homes under construction, or install our approved and famous labor saving devices, The Premier Duplex Cleaner, Thor Washer, Thor Ironer, Mermaid Dishwasher, Hot Point Heating appliances, G. E. Fans and Radiolas—all with the same guarantee of consumer satisfaction.

**The Charm of Lustre Ware**

ANNOUNCING the new "ROYAL ROCHESTER" line of heat-proof vitrified china-bodied electric coffee percolators in soft, glowing lustre colors. Delicate shades in orchid, orange, sea green and pearl—in several attractive combination sets for breakfast, tea and after-dinner coffee service. An achievement in electric table service.
