

### BABY TERPS FLY TO MEXICO CITY

The University of Maryland's freshman football team is pictured at National Airport yesterday just before taking off for Mexico City and tonight's game there against National Polytechnic Institute, winner of 20 straight. Those boys near the right end of the

front row living it up Mexican style are the co-captains, Dick Lewis (left) and Fred Cole. Between them are Shirley Brown, Eastern Airlines stewardess, and Coach Whitey Dovell.

### English Horse In Laurel Cup

Longstone, American-owned, English-bred, 6-year-old, will fly here from England late next week for the \$20,000-added Turf Cup Handicap, the mile-and-a-half grass race which will feature the opening of the Laurel Race Course meeting October 29.

A brown horse by Lighthouse II out of Wayward Miss, Longstone was purchased last month by the Anglo-Irish agency for William Gilmore of California from Mrs. C. Evans. Now a member of Gilmore's Golden Gate Stable, Longstone will make his first American start in the Laurel opener. Willie Molter will train the horse at Laurel.

Winner of five out of 12 races this year, Longstone has seldom been out of the money. He won two out of seven as a 2-year-old, two out of nine the following year, three of 12 as a 4-year-old and two of 12 as a 5-year-old.

In the Turf Cup he'll be meeting such veteran campaigners as Blue Choir, Blue Prince, Nance's Lad and Piaton.

### Patterson Scores First-Round Kayo

LOS ANGELES, Oct. 14 (AP)—Floyd Patterson's Southern California debut was one of the shortest and most impressive on record. The Brooklyn light heavyweight knocked out Cal Brad of Los Angeles in 2:58 of the first round last night.

The No. 1 contender for Archie Moore's title and not yet 21, Patterson connected with an assortment of left hooks and right crosses that put Brad down for a count of eight after about a minute.

The final punch, a right to the jaw, sent Brad pitching forward on his face. He was counted out prone.

It was Patterson's 26th win in 27 starts and his 18th knockout.

### WOMEN'S GOLF

Mrs. H. M. Nelson is the Class B champion at Washington Golf and Country Club, claiming the Mirth Bowl Cup with a score of 192-36—154 for the two days of play which ended yesterday.

Mrs. E. K. Murphy, the defending champion, took gross honors with 193. Mrs. Donald Ball had the least putts, 32. Mrs. Paul E. Barefoot was second to Mrs. Nelson with 204-36—168, while Mrs. J. G. Schnitzer posted 194-24—170 and Mrs. C. R. Miles scored 200-30—170.

Mrs. Edward Miller scored 97-23—74 to win net honors in a ladies' day tournament at Indian Springs, while Mrs. Eli Amanuel scored low gross, 87.

Mrs. David Krooth scored 35 to win a tournament on the back nine with half handicaps.

Mrs. W. O. Webb scored 91-20—71, best in the tournament at Bethesda, with Mrs. Leslie Arty taking second with 99-19—71 and Mrs. Ellis Welch taking third with 105-25—80.

Mrs. William Hodges took only 30 putts to lead that department.

Mrs. W. Floyd Wood of Court House won the guest-day tournament at Belle Haven with 104-26—78, while Mrs. John Leonard of Court House was second with 93-13—80 and Mrs. Wendell B. Maroshek of Congressional was third with 105-24—81.

Mrs. W. H. McCormack of Fort Belvoir was gross winner with 85.

### Longchamp Victor, Runnerup Sought for D. C. International

Laurel officials marked time today in their efforts to complete the field for the fourth running of the \$65,000 Washington, D. C., International next month, hoping for favorable word from the owners of Ribot, Italian champion and winner of last Sunday's Prix de l'Arc de Triomphe at Longchamp, and Beau Prince II, outstanding French colt who was second in the race.

Count R. de Chambure's Picounda, third in the same race, was formally entered yesterday, joining five horses representing the United States, Ireland, England, Germany and Canada who will run in the mile and one-half race on the grass November 11. Acceptance of Ribot and Beau Prince II, however, would add a tremendous amount of prestige and color to the classic.

John D. Schapiro, Laurel president, called Ribot's invitation to Marquis Inessa Della Rochetta before the running of the Arc de Triomphe. George W. Steinmetz also has received the bid for Beau Prince II and it is believed that both will accept if their horses came out of the French race in sound condition.

The Arc de Triomphe is Europe's richest race with a value of \$67,325, but the International purse, a guaranteed \$50,000 to the winner plus all expenses, might lure them to America.

Richard B. Strausburger's Worden II, winner of the 1953 International, was third in the Arc de Triomphe, and last year Jean Decrion's Banassa finished second in both races.

Picounda, a 3-year-old filly trained by William Clout, has won three of her six races this year, finishing second twice and third once. One of her best efforts was a second to Doube by three-quarters of a length in the French Oaks. The daughter of

### Four to Oppose Nashua in Cup

NEW YORK, Oct. 14 (AP)—Mighty Nashua and four rivals were named today for the \$75,000-added Jockey Club Gold Cup tomorrow at Belmont Park.

The two-mile race will be the last of the year for the Belair Stud ace, winner of the Preakness and Belmont Stakes and conqueror of Swaps in the \$100,000 match race at Washington Park.

The other entries are Christiana Stable's Thinking Cap, winner of the Travers and Lawrence Realization; Mrs. Herard Smith's Sweet Chariot; Grandview Stable's Mark Puzzle and the Foxcatcher Farm's Chevalation.

As 3-year-olds, the first four will carry 118 pounds while Chevalation, an older horse, will tote 124.

Nashua will go to the post a solid favorite, although it's the greatest distance he has run. Strongest rivals are expected to be Thinking Cap and Chevalation.

With Eddie Arcaro riding, Nashua has been impressive in workouts at Belmont this week. He did the mile and three-quarters in 3:03, streaking the last quarter in 28½ seconds.

After this race, Nashua will be taken to the Belair Farm in Maryland to rest up for winter racing in Florida.

### Badgers to Meet Trojans Before 70,000 Tonight

LOS ANGELES, Oct. 14 (AP)—Unbeaten Wisconsin from the Big Ten and once-upset Southern California from the Pacific Coast Conference hook up tonight in an intercollegiate football game which is expected to attract 70,000 fans into Memorial Coliseum.

The Badgers, who were upset by USC in the 1953 Rose Bowl game, are mild favorites to win despite the fact that half of their superb quarterback department, Jim Miller, may not get to play.

Jerry Cvenegros, first-string tackle, is another doubtful performer, both he and Miller having suffered ankle injuries in the Purdue game.

Thus the full quarterbacking duties may fall to Jim Haluska, a senior who has completed 23 out of 37 passes for 356 yards this season.

The Trojans also have questionable talent, what with End Chuck Griffith, a young giant, and two reserves, Halfback Ernie Zampese and Karl Rubke, nursing injuries incurred in their 7-0 loss to Washington last week.

The Badgers are rated the sixth best in the Nation at this moment, while the Trojans were dropped by Washington from the top 10 last week.

The game may develop into a duel between the fullbacks, big Charley Thomas of Wisconsin, who has been compared to his predecessor, Alan Ameche, and the Trojans' C. R. Roberts.

Coach Jess Hill this week promoted the speedy, 210-pound Roberts to the starter's role over another hard runner, Gordon Duval.

Thomas weighs 219 and is even faster than Ameche, according to observers from Madison, hometown of the Badgers. This is the first meeting between the teams since the 7-0

Rose Bowl game and Ivy Williamson, the Wisconsin coach, would like revenge. But he also has an important Big Ten game next week with Ohio State which he must win to stay in the front ranks for the coming Rose Bowl classic. USC is not eligible for the bowl this year.

Halfbacks Pat Levenhagen and Bill Lowe round out the Badgers' starting backfield, and the Trojans will have Roberts. Halfbacks Jon Arnett and Don Hickman and Quarterback Jim Contratto ready for the kickoff.

Game time is 8:30 p.m. (Pacific standard time).

### Woodward Scores First Victory in Last 21 Games

Woodward Prep's first football victory in its last 21 games was the cause of rejoicing today at the YMCA building, which houses the school.

A touchdown and an extra point with six minutes to go yesterday at National Training School held up for a 7-6 victory for the visitors. Mac Tignor passed 20 yards to Al Farrington for the score and the same pair combined for the extra point.

NTS came back to get a touchdown with 50 seconds to go when Rudy Lawson passed 30 yards to James Adams, who ran another 20 yards across the goal. Lawson tried to rush the extra point around end, but was stopped. NTS lost its first game against one victory this season.

It was the first Woodward win since October 17, 1952, when Woodward beat George Mason, 6-0. Woodward lost 18 games and tied two before yesterday.

### Service Teams Play on Road

Football teams from Fort Belvoir, Bolling Air Force Base and Quantico will face formidable opponents on the road this week end.

Fort Belvoir, conqueror of Quantico last week in a big upset, journeys to Camp Lejeune, N. C., to meet the Lejeune Marines tomorrow, while Quantico plays Holy Cross at Worcester, Mass.

Bolling Air Force, unbeaten but hit hard recently when a number of its stars were burned by the lime markings on a wet field at Fort Lee, plays at Fort Jackson, S. C., Sunday.

Seven of the most severely burned Bolling players were allowed to suit up during the week for workouts, but Linemen Don Chelf, Al Barry, John Troha and Menil Mavraldes, as well as Halfback Chet Hanulak, are not expected to be in action for this game.

Belvoir added strength to its backfield this week with the arrival of Joe Hall, formerly of Georgia Tech. Hall was with the Los Angeles Rams as a defensive halfback before entering the service, but he can be utilized as an offensive back, too.

**Baltimoreans Hold Payne Cup Lead**

BALTIMORE, Oct. 14 (AP)—There still was a two-way fight between Baltimoreans in the Maryland State Golf Association's Payne Cup tournament today as play got under way in the third and final round at Hillendale.

Mrs. Maurice Glick of Woodholme carded an 8-over-par 82 yesterday to take first place with a 36-hole total of 158, while Mary Ann Downey of Baltimore Country Club, the first-day leader, slipped to an 84 and trailed Mrs. Glick by a stroke.

Mrs. C. E. Richards of Baltimore was third at 165 and Mrs. Frank Cush of Argyle and Mrs. C. M. Ness of Green Spring Valley were tied for fourth at 167. Capt. Lucille Busch of Argyle had a 169.

### MARLBORO RACE NOTES

By JOSEPH B. KELLY  
Star Racing Editor

Some of the happiest people at Marlboro are owners of horses which have won a purse or part of one at this record-breaking meeting which ends tomorrow.

Due to a retroactive purse arrangement between the Marlboro management and the Horsemen's Benevolent and Protective Association, horsemen will receive about a 30 per cent payment on top of purses won at the meeting.

Marlboro purses are based on the pari-mutuel handle. The original condition book which lists the races and purse values at Marlboro was written for \$100,000. This was 10 per cent less than Marlboro expected to pay, if the betting equaled that of last year. Since the current betting not only equaled last year's, but is running about 20 per cent ahead, the horsemen will receive an retroactive payment on all money won at the 10-day session.

This will be the largest retroactive payment ever made at a Maryland minor track. Hagerstown, Timonium and Bel Air operate under similar agreements.

The richest race of the Maryland minor season is listed at Marlboro tomorrow with the running of the Bob Hall Purse, worth \$9,000.

Entries closed yesterday with nine horses and J. Fred Colwill, Marlboro's racing secretary, has assigned top weight of 123 pounds to Scotch Dare. Other contestants are Phantom Gold, Twilight Mist, Cherry Branch, Alabama, Pleasant Al, Scrub, Weber J. and Fast Mystery.

Tommy McGovern clings to the lead in the Marlboro jockey race with seven winners. He is being chased by Charles M. Clark, who has six, and four others who are tied for third with five each. The deadlocked quartet, Willie Clark, Fred Kratz, Mike Sorrentino and Tony Russo.

McGovern may be in some trouble with stewards after a rough ride aboard Fast Mystery in yesterday's third race. Fast Mystery finished second to the winning Calova, but if the latter had been beaten, undoubtedly Jockey Russo would have claimed a foul against Fast Mystery.

Betting on Marlboro's eight-race program yesterday amounted to \$470,611. Until this meeting, a \$400,000 handle on a weekday at a minor track was something to talk about, but the wagering has not dipped below that mark any day at this session.
