Teach Science Abroad, Eisenhower Proposes

Army Payoff Charge Denied By Cap Maker

Senate Probes Order: Witness to Produce Records

By CECIL HOLLAND

A New York military maker refused to answer a Senate
report on war profiteering today. He was called before the
Senate committee by a subcommittee on war profits and
war contracts. The maker was called to explain why
he had produced a ship for the navy and had not been
punished for it.

The Senate committee was investigating the activities of
the war profits and war contracts during the war.

The maker said that he had produced a ship for the
navy and had not been punished for it.

Stevenson is Accused Of Aiding Big Business
