

Shipping Information and Marine News of the World

Vessels Arriving at and Departing from Port of New York, Saturday, January 3. Southern line reached Virginia, with greatly increased intensity, and with the high area to the northward has caused severe gales and general rains and snow in the Atlantic states and snow westward to the Mississippi River, with quite a heavy fall of snow over portions of Western New York, Western Pennsylvania and Ohio. There were also heavy rains in the North Atlantic states.

Forecast for Special Localities.—Eastern New York, snow north and west, snow or rain southeast portion to-day; colder, with northeast to north gales; to-morrow, probably fair.

Local Official Record.—The following official record from the Weather Bureau shows the changes in the temperature for the last twenty-four hours, commencing with the corresponding date of last year:

Table with columns for Date, Temperature, Wind, and Weather. Rows include 1913, 1914, and 1915 data for various locations like Albany, Buffalo, and New York.

United States Department of Agriculture Weather Bureau observations, taken at 8 p. m., 7th meridian time.

Table with columns for Station, Temperature, Wind, and Weather. Rows include Albany, Buffalo, New York, and other locations.
