Kneipp Malt Coffee

Absolutely Free from Adulteration

[A standing reward of \$1000 in gold is offered to expert chemists who are able to disprove this assertion.]

Kneipp Malt Coffee tastes better than real coffee. It has a perfectly delicious flavor, delightful aroma and most wonderful health-giving effects. It is a blood purifying, nerve-strengthening, body-energizing and invigorating food beverage. No matter how sensitive your stomach, Kneipp Malt Coffee will agree with you—any quantity, any time, day or night, before or after meals. It flushes and keeps clean the organs of digestion, giving to the stomach a sweet, normal sense of rest and comfort. It is rich and strong, nourishing and refreshing, and has a decided mellow flavor like that of the rarest Mocha and Java.

To secure the genuine, be sure to look for the picture and signature of Father Kneipp on every package.

"It Is the Way You Make It."

Two tablespoonfuls ground Kneipp Malt Coffee in one pint of cold water. Add a mere pinch of salt. Let it come just to a boil, then simmer 6 minutes. Don't boil. Use sugar and cream.

and have a constant supply of fresh running water, for kitchen, bath, garden, stable, etc., just as if you lived in the city and had city water.

Ericsson invented the Monitor which saved the Union—the Screw Propeller which revolutionized commerce, and greater than both, the Hot Air Engine, which noiselessly pumps fresh water whenever you want it, to any part of the house or premises, independent of wind, weather, or machinists. It requires scarcely any space, is absolutely safe, odorless, and runs by itself with a little coal fire.
