Florida Military Academy

Victorious training for full-blooded boys. The fascinating activities of real military life. The sound, well-taught study courses that prepare for college and business. The home comfort and home care that prevent homesickness.

The military school breeds winners. It develops obedience, independence, fearlessness, presence of mind, soldierly bearing, coolness in emergencies and perfect gentility. It makes a boy strong in body, clear in mind and clean in morals. It is not a reformatory—mer a prison.

The Florida Military Academy is a great success. Its educational advantages equal those of the best Northern schools. West Point and universities honor its certificates. Its students are ambitious and able. Charges are reasonable. We want to send you our handsome catalogue, full of real pictures and vital facts. Write for it before deciding on a school. Next term begins Sept. 26th.
