

DON'T SPEND A LOT OF MONEY REPAIRING YOUR OLD, SMALL SCREEN TELEVISION SET!

It will still be an old set—and nothing you do will make the small screen any larger or the cabinet any newer. Repairs may run as high as \$30, \$40, even \$50 . . . and one repair generally means another is due soon. For just a few dollars more, you can own a brand new, latest 1959 MUNTZ 21" TV. Instead of spending a lot of money on having your old, small screen set repaired . . . trade it in, regardless of its age or condition, on a nationally famous Muntz.
