NEW YORK STOCK MARKET

WASHINGTON

Washington The principal shipping on the back

of the movement in the steel business and at the

of the stock exchange. With activity and the

demand for steel products in the production of

the copper and iron industries. The current

prices for steel are high, and the tendency is

for these prices to continue high.

NEW YORK.

COTTON MARKET.

Chances favor a decline in prices for cotton

market today. There are indications that the

supply of cotton will not be adequate to meet

the demand, but the prices are already high.

CHICAGO GRAIN

MARKET.

Real Estate Transfers.

The sale of a large number of

real estate properties is

under consideration. The

market for real estate is

active, and the prices are

high. The sale of these

properties will add to the

supply of money in the

market.

THE LADY AND THE TALE.

A Vegetable Caterpillar.

A vegetable caterpillar is

a common insect that

infests vegetables. The

caterpillar feeds on the

leaves of the vegetables,

and the damage it does

is considerable. The

vegetable caterpillar is

a pest that must be

controlled.

WHERE RUSS MADE A MISTAKE.

A Couple in New York City.

A couple in New York City,

who were going to attend a

theater, made a mistake in

their plans. They went to

the wrong theater, and had

to wait for another one to

open.
