"BIG FOUR" OFFICIAL DECLARES RAILROAD EXECUTIVES CANNOT RECOGNIZE SENIORITY RIGHTS

According to Washington Dispatches Everything hinges on the Conferences of Big Four Heads and Union Leaders On Tuesday of Next Week

Charles C. Biddle, July 29—The preservation of the Big Four Railroad system is at stake, according to dispatches from three railroads. The Big Four is the only remaining system that can be saved by a conference of the heads of the railroads and the union leaders at Washington. The conference is scheduled for Tuesday of next week.

The Big Four has been threatened with a strike by the Brotherhood of Locomotive Engineers, the Brotherhood of Railroad Trainmen, and the Brotherhood of Railway Clerks. The union leaders are demanding seniority rights, which the railroad executives are refusing to grant.

LEADING CITIZEN CONTEST WINNERS AWARDED PRIZES

Miss Cowdery and Mrs. J. W. Lasner Win First and Second Prizes — M. G. Moss Named Leading Citizen

The "Leading Citizen" contest sponsored by the Lakeland Evening Telegram is concluded with the announcement of the winners. Miss Cowdery and Mrs. J. W. Lasner have been selected as the winners of the first and second prizes, respectively. M. G. Moss has been named the "Leading Citizen".

Miss Cowdery and Mrs. J. W. Lasner were both recognized for their contributions to the community. Miss Cowdery has been active in women's clubs and has volunteered at the local hospital. Mrs. J. W. Lasner has been involved in community service and has raised funds for local charities.

The contest was open to all citizens and required participants to write a essay on a topic of their choice. The essays were judged based on content, style, and presentation. The winners were selected based on the quality of their essays.

Summary of the Strike Situation

Chicago, July 29—By the Associated Press.—As the strike of railroad employees enters its second week, it has been regarded as being on a bigger scale than the previous one. The labor leaders have stated that they will not yield to the railroad companies' demands.

The strike began on Tuesday, with both the railroad and the workers going on strike. The company threatened to replace the strikers with strikebreakers, but the workers have refused to return to work.

The government has been called in to mediate the dispute, but the parties have not yet agreed on a solution. The strike is expected to continue for some time.

Christian Social Service Cure for Social and Industrial Ills

Fundamental Change Necessary if Programs for Present Day Are to Be Met

Chicago, July 29—(By the Associated Press.)—The spirits and working of our industrial and social bodies can only be improved by fundamental change, according to the report of the Social Service Commission. The commission has been established by the Social Service Board to examine the current social and industrial conditions.

The commission has found that the existing systems are not sufficient for the current social and industrial conditions. The commission has recommended changes in the existing systems to improve the working of these bodies.

Government Ready to Begin Coal Movement

Each State Being Asked To Take Care of and See That There Is No Profiteering

Washington, July 29.—All rail companies notified that sales of coal on the banks of the major railroads are not to be profiteering. The government has been asked to take care of the coal and ensure that there is no profiteering.

The government has been directed to ensure that the coal is not sold at a higher price than the current market price. The government has also been asked to ensure that the coal is not transported to other states.
