#### WHEELON—GIFFORD.

Lady Lake, Fla., October 24—Mr. Chas. A. Wheelon of Pierre, South Dakota, and Miss Etta B. Gifford of Lady Lake, Fla., were married by Rev. J. C. Porter in the Lady Lake Baptist church at 9 o'clock Wednesday evening, October 23.

The bridesmaids were Misses Jones and Vinson, the groomsmen Messrs. Thompson and Sumner. The ushers were Masters Leo French and Edmund Frazee. The wedding march was played by Mrs. Dyches, accompanied by Mr. Jesse Mote on the cornet.

The bride looked lovely in white silk and lace. The bridesmaids were attired in white nun's veiling and lace. The gentlemen wore regulation black.

The church was artistically decorated. The entrance from the vestibule was draped with filmy lace curtains and trailing vines. Tall arches of flowers and evergreens were placed over the entrance to each aisle. Another large arch stood in front of the rostrum, with unique floral designs and monogram suspended from the center, under which the bride and groom stood. There was a great profusion of lovely flowers in jars and vases and other artistic decorations. The elegance and taste displayed in all the floral arrangements reflect great credit on the ladies of the town.

The church was crowded at an early hour.

The bride and her parents, formerly from Pierre, S. D., have resided at Lady Lake about a year. The bride, by her lovely disposition and charming manner, has won the love of all, and will be greatly missed. Her numerous friends wish her the happiness she so richly deserves.

Mr. Wheelon, during his short stay here, has won golden opinions and instead of taking his bride back to Dakota would be welcomed as a citizen of our town. The happy couple will leave soon for a tour through Florida, and will visit Atlanta, New Orleans, Chicago and other places before going to Dakota.

The bride received many handsome presents. M. A. W.

#### SENATOR PARALYZED.

Washington, D. C., Oct. 24.—Ex-Senator VanWyck, of Nebraska, was stricken with paralysis at a hotel in this city on Monday, and has been in a precarious condition ever since.

## AT ATLANTA.

Atlanta, Ga., Oct. 24—President's Day at the Cotton States exposition broke bright, balmy and beautiful. Incoming trains brought thousands of visitors, and the streets were crowded at an early hour. The president remained in his apartments at the Aragon until the committee called for him. Secretary Carlisle and vice-President Steveson were out early, however, for a stroll. The throng collected around the hotel long before the carriages arrived for the distinguished visitors. Calls were made for the president, but he did not respond.

#### PARTY MEETING.

New York, Oct. 24—One of the largest mass-meetings ever held in this city crowded Cooper Union tonight. The meeting was held under the auspices of the state democratic committee and the principal speaker of the evening was Senator David B. Hill. Long before the hour set for the opening of the proceedings, crowds began to gather about Cooper Union, and within a few minutes after the doors to the hall were thrown open every seat was occupied, every aisle was jammed and hundreds had to be turned away unable to gain admission.

#### THE WOMEN.

Baltimore, Md., Oct. 24.—The most successful convention ever held by the W. C. T. U., and in many respects the most important ever held by women in any age or in any country, had a brilliant closing tonight. The perfect organization and well-arranged methods of work has given unquestionable proof of the ability of the White Ribboners to conduct the business of such a convention with the best possible results.

#### KILLED HIS COUSIN.

Albany, Ga., Oct. 24.—Hon. W. J. Ford, a prominent citizen of Worth county, was shot and instantly killed by his cousin, Dr. Ashton T. Ford, Tuesday night at 6 o'clock. It appears that the tragedy grew out of the sickness of little Ilene, the daughter of W. J. Ford, and her treatment by Dr. Ford. Ilene did not improve as fast as her father thought she ought to have done, and he called to her bedside another physician.

#### COINAGE SUSPENDED.

The New Orleans Mint Will Be Practically Dismantled.

Washington, D. C., Oct. 23.—silver coinage, except that of subsidiary silver, has been ordered suspended after Nov. 1 next by Secretary Carlisle. In carrying out this policy the New Orleans, La., mint will be practically closed and dismantled after that date, and its seventy employees furloughed without pay.

## CORBETT'S ULTIMATUM.

Hot Springs, Ark., Oct. 24.—James J. Corbett gave out the following: "Unless Robert Fitzsimmons, or his representative, agrees to a referee before 12 o'clock today, and deposits \$10,000 by 12 o'clock Friday, rendering this fight absolutely certain, I declare the match off."

#### PATENT TO ALL.

"When I was a young man," said Candidate Campbell to one of his Ohio audiences the other night, "I was a republican; but I married a democratic girl, and you see the result."

"Yes—baldheaded," said a small boy in the gallery.—Boston Herald.

#### A BIG MILLING PLANT.

Fernandina, Fla., Oct. 24.—John Paul and others of LaCrosse, Wis., who own more than 250,000 acres of timber land between here and Jasper, along the proposed line of the Fernandina Western railroad, are here for the purpose of selecting and purchasing a site for a big saw mill.

#### SHOT HIMSELF.

Tallahassee, Fla., Oct. 24.—About 6 p. m. Tuesday, while returning from a fishing trip to Dickerson's Bay, Mr. Dukes, from near Thomasville, Ga., shot himself accidentally while attempting to take his gun from the back of his wagon. He received the load in his breast, and died instantly.

#### CITY MARKETS.

The question of granting the privilege of establishing markets in different parts of the city for the sale of fresh meats is now before the city council. Some three years ago the city built the union market at a cost of about \$3600, and bonded the city to do it.

Since that time the market has been netting the city an annual income of \$600 per annum, or 10 per cent on \$6000, which is a neat little sum to go into the city's coffers. Now several parties have the idea that they could make money if they had the privilege of establishing small markets in different parts of town and three or four applications are now before the council for permits.

One has already been granted to open a market out near the old exposition grounds. It is feared that to permit these markets to be opened will practically break up our present market, which is a credit to the city.

J. L. Smoak's shop is the best place in town to get your wagons and carriages repaired and painted. He has one of the best painters in the state and guarantees satisfaction in all work. It will be to your advantage to call and examine his painting before having your buggy painted. His prices are suited to the hard times.
