

Baking Powder Insurance

Insurance of pure and wholesome food, in the highest degree, is given to the users of

ROYAL Baking Powder

Royal has always been made with pure cream of tartar, which is derived from grapes. Hot breads, biscuits, cakes, made with Royal Baking Powder are eaten by all with full assurance that they are pure and wholesome; that their ingredients are beneficial, not harmful.

The Accumulated Experience of a Generation

confirmed by the evidence of many eminent chemists and physicians, teaches us that baking powders containing alum should not be used. It is in evidence that soluble salts of aluminum in quantity to retard digestion are formed in food made with alum baking powder.

The very highest medical authorities of the country are on record to this effect and against the use of alum in the preparation of food.

Do not buy any baking powder until you read the names of all the ingredients, which are printed on the label on the back of the can.

SUES FOR DEATH OF BROTHER 3 YRS. AGO

ACTION BROUGHT AGAINST THE S. A. L. LINE FOR ALLEGED KILLING OF FORMER PENSACOLA MAN.

Three years ago this month, or on November 22, 1912, Charles Harris, who had lately moved from Pensacola to Tampa, was killed by an engine on the Seaboard Air Line, in Hillsborough county, or near Tampa, Fla. He is survived by two brothers, George and Tom, and one sister, Mrs. Cora Holland, who has been named by the court as administratrix of the deceased man's estate.

An echo of this accidental killing came to light in this city yesterday, when the case of Mrs. Cora Holland, administratrix, vs. the Seaboard Air Line, was called up in the United States court. The railroad company is being represented by Blount, Blount & Carter, and Mr. A. C. Blount appears in the case. The plaintiff is represented by R. P. Reese and W. L. Zachary.

The case proceeded very near all the afternoon yesterday, and it came to light that there was some alleged discrepancy with the papers of administration. These can be corrected, it was claimed, with little trouble, and last night Mr. Zachary made a trip to Milton for that purpose. This morning the case will again be called in the federal court.

Plaintiff in this case is asking for the sum of \$5000, the beneficiaries in such judgment if obtained to be Thomas and George Harris, brothers, and Mrs. Cora Holland, a sister, and administratrix.

Chas. Harris, it was shown yesterday, was killed by a train of the defendant company, it was claimed in November, 1912, receiving his injuries on Nov. 22, and expiring as a result therefrom on Nov. 27, 1912.

DISCOVER MANY WITHOUT LICENSE

DEPUTIES YESTERDAY FOUND OVER TWENTY UNLICENSED PERSONS AND FIRMS IN THE CITY LIMITS.

Deputies from the sheriff's office, in their rounds for the purpose yesterday, discovered a total of twenty-six men and firms who had failed as yet to take out license to carry on business for the current year. In every case, warrants were served upon the parties, and they were all required to appear at some hour this morning, in the court of record and give explanation as to why the license had not been obtained.

The usual method of the court in the past has been to let all such defendants off with the payment of costs on condition that the proper license be obtained without delay. In case of failure to comply with these conditions, it is likely that a more severe penalty will be imposed.

One dozen additional persons have been required to appear in court and tell why they have been selling cigarettes to minors in violation of the state statutes. In every case those so far arrested have pleaded guilty. More than \$150 in cash has thus far been collected in costs from this type of cases.

The deputies are going over the city and county in an endeavor to enforce the license laws, and scores have been found unprovided with the necessary certificate. There are several deputies detailed for this kind of work, and they will again be out for the next several days.

A JOINT SERVICE ON THE MORNING OF THANKSGIVING DAY

A joint service will take place at 11 a. m. tomorrow, Thanksgiving Day, at the First Presbyterian church. This will be led by Rev. Mr. Moffett, of the church named, and the ministers of the city are urged by Dr. Moffett to be present, and the different congregations of the city churches and all visitors in the city are cordially urged to be present and hear the service.

Rev. E. R. Pendleton, the well-known pastor of the First Baptist church, will preach the sermon, and other ministers who will be in attendance will take some special part in the hour's service.

There will be an augmented choir, and some of the best songsters of the city will be heard under the direction of Mrs. Benn.
