# MEGRO SNATCHED A DROPPED PURSE

### GOT VERY LITTLE MONEY FOR HIS NERVE, BUT IT SERVES AS WARNING AGAINST CARRYING POCKETBOOKS EXPOSED.

William Leyland, 10 years old, leaving a grocery store on East Intendencia street last evening, was jostled by a large negro which caused the little boy to drop a package which he had just come from the store with. In stooping to pick up the parcel, the lad dropped the purse he was entrusted with, and which contained a small amount of change. With the speed of the wind, a half-grown negro, standing near the edge of the sidewalk at the time, jumped clear across the walk, snatched the purse and was off before the little victim could recover his bewilderment and raise an alarm.

While little money was lost, less than a dollar, this act might serve as a warning to shoppers not to carry their purses too exposed in a crowd, because of the likelihood of being suddenly relieved of the money and valuables.

### Why You Should Use Chamberlain's Cough Remedy.

Because it has an established reputation won by its good works.

Because it is most esteemed by those who have used it for many years, as occasion required, and are best acquainted with its good qualities.

Because it loosens and relieves a cold and aids nature in restoring the system to a healthy condition.

Because it does not contain opium or any other narcotic.

Because it is within the reach of all. It only costs a quarter. Obtainable everywhere.—Adv.

# AMUSEMENTS

### "Graft"—"Chaplin."

Today, is the day, that a great many Pensacolians have been waiting for the arrival of, especially so, after the keen disappointment of the non-arrival of the Universal's big serial picture, "Graft," which was advertised to appear last Thursday, and which was delayed owing to a large fire at Universal City, the birth place of "Graft." But, it is here at last; and, if precedent goes for anything, it will be appreciated more than it would have been, had it arrived last week. General Manager Gueringer, of the Fichtenberg Amusement Enterprises, wired Manager Jones of the Isis last night that he had viewed the first episode and that it was every nice thing that the Universal has claimed of it.

Charlie Chaplin, in a dual role, will be seen in his very latest Essanay feature release, in two reels, entitled, "A Night at the Show." Charlie plays the part of a tough in the gallery, and a swell in a box, at one and the same time. He bombards singers with ice cream and tomatoes, and makes things merry, as is to be expected when the funny Charlie is announced, during the entire two reels of the feature.

### Doll and Toy Fund Benefit.

"The White Pearl"—Friday is benefit day at the Isis, for the Doll and Toy Fund, under the auspices of the St. Nicholas Girls, headed by Mrs. A. C. Reilly. The attraction chosen by Manager Jones for the occasion is Marie Doro, one of the most charming young stars of the contemporary stage, who in her first screen appearance, in "The Morals of Marcus" acquired a degree of popularity beyond calculation, returns to the screen in her second film triumph under the management of the Famous Players Film Company, in an elaborate picture, "The White Pearl," by Edith Barnard Delano, author of the recent screen success, "Rags," the current Paramount picture at the Isis.

### "The Broken Law."

The photoplay feature entitled "The Broken Law," which was written and produced by Oscar C. Apfel for William Fox, is one of the most pretentious and elaborate offerings that has ever appeared on the screen. William Farnum, long celebrated as a "legitimate" star and more recently attracting world-wide attention as a "movie" favorite, appears in the principal role.

"The Broken Law" will be present-
