Ends Dry, Hoarse or Painful Coughs Quickly

A Simple, Home-Made Remedy, Inexpensive but Unequaled.
 The prompt and positive results given by this pleasant tasting, home-made cough syrup has caused it to be used in more homes than any other remedy. It gives almost instant relief and will usually overcome the average cough in 24 hours.
 Get 3/4 ounce Pinex (50 cents worth) from any drug store, pour it into a pint bottle and fill the bottle with plain granulated sugar syrup. This makes a full pint—a family supply—of the most effective cough remedy at a cost of only 64 cents or less. You couldn't buy as much ready-made cough medicine for \$3.50. Easily prepared and never spoils. Full directions with Pinex.
 The promptness, certainty and ease with which this Pinex Syrup overcomes a bad cough, chest or throat cold is truly remarkable. It quickly loosens a dry, hoarse or tight cough and heals and soothes a painful cough in a hurry. With a persistent loose cough it stops the formation of phlegm in the throat and bronchial tubes, thus ending the annoying hacking.
 Pinex is a highly concentrated compound of genuine Norway pine extract, rich in vitamin and is famous the world over for its splendid effect in bronchitis, whooping cough, bronchial asthma and winter coughs.
 To avoid disappointment in making this, ask your druggist for "3/4 ounce of Pinex," and don't accept anything else. A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. The Pinex Co., Ft. Wayne, Ind.

Allie J. Murphy, son of Assistant City Comptroller Dan Murphy, who is now stationed at Galveston, Texas, is among the large number of carnival visitors, having arrived a couple of days ago for a short visit to his parents. Yesterday he mingled with the happy carnival crowds, and enjoyed one more good time among the folks with whom he had spent practically all of his younger days.

Captain Theo. Croft, one of the bar pilots at the Port St. Joe, was among those from out of town who enjoyed himself immensely in the city yesterday. Captain Croft for a long time was second mate on the government dredge, resigning a few months ago to take up pilotage at Port St. Joe. He met many friends who were glad to meet him in the carnival crowds.

Recognized Advantages.
 You will find that Chamberlain's Cough Remedy has recognized advantages over most medicines in use for coughs, and colds. It does not suppress a cough but loosens and relieves it. It aids expectoration and opens the secretions, which enables the system to throw off a cold. It counteracts any tendency of a cold to result in pneumonia. It contains no opium or other narcotic, and may be given to a child as confidently as to an adult. For sale by all dealers. (Adv.)

SUNDAY BOOZE SALES ALLEGED

Charged with selling booze on Sunday, warrants have been sworn out against John Marshall, a negro, and John Frazier, a Greek, the negro being an employe of a saloon on South Palafox street. The Greek has a place of business adjoining a saloon on Palafox street, about a block north of the saloon where the negro was alleged to have disposed of a pint and a half pint of whiskey to a deputy sheriff, whom the darkey did not know.

The Greek was also alleged to have sold whiskey to a deputy, who, the officer alleged, right along to others who called for it, and particularly to enlisted men of the army and navy. Deputies were out in full force Sunday night, having been given a tip that there was a quantity of liquor being sold at places where there had been obtained no license, and it was also alleged that drinks were procurable at saloons. With the exception of the case where the negro, Marshall was alleged to have disposed of the bottles held as evidence, however, no sales were established. In fact all saloons during Sunday had their first curtains up and the interior could easily be viewed from the street.

NEGRO BURGLAR OPENED FIRE ON TWO POLICEMEN

YELLOW NEGRO, WHO HAD FORCED WAY TO HOME ON CERVANTES STREET, TRIED TO SHOOT DOWN THE SUMMONED OFFICERS.

Boldly entering the house of F. F. Patterson, 23 East Cervantes street, at 11:30 o'clock yesterday forenoon, a yellow negro came near shedding blood before he finally made a getaway while a chasing policeman emptied his revolver at the fleeing fugitive.

Officer Nell was the policeman, and up to late last night the burglar had not been apprehended, although several officers were detailed on the case to look him up.

It was asserted that the negro had been sitting near the Patterson home for an hour or so previous to his attempt at burglary. Being evidently provided with a key, he walked to the rear door and gained entrance. A negro woman, it was reported, knew that he was not authorized to so enter the residence, and she telephoned the police station that the darkey had entered the house. Officers Nell and Schmitz, responded to the call, and as Officer Nell arrived at the back door, the negro leaped from a side window of the residence, and opened fire on the officer, but his aim was bad. All this time, however, the officer was busy with his revolver, and the negro ran. Firing at the fleeing darkey, the officer's aim also was uncertain, and the disturbed house burglar escaped uninjured.

It was also remarkable that the officer was not wounded, as in all, a dozen shots were fired. Both revolvers were emptied.

A description of the negro was given by Officer Nell, and it was read out to the officers in ranks yesterday. All hunted for such an individual during the night. The description fits almost exactly with that given by the victim of a highwayman who held up and relieved a man the night before, near the corner of Chase and Baylen streets, of a few dollars.
