

ARRANGEMENTS FOR PATRIOTIC PAGEANT BEEN COMPLETED

Arrangements for the patriotic pageant to be held during Mardi Gras were completed at a meeting of the carnival association held last night.

The floats are nearing completion and are reported to be the most beautiful ever exhibited here. They will represent the allied nations, the subjects being America, France, Belgium, Great Britain, Italy, Greece and All Nations. There will also be floats built and manned by men of the marine corps, the navy and the soldiers at Ft. Barrancas. Officers of the army and navy and city and county officials will participate in the parade, as will the ladies of the patriotic league.

Grand Marshal Felo McAllister and Chairman Jas. A. White, of the parade committee, have announced the following line of march for the parade, which will start promptly at three o'clock Tuesday afternoon: from Garden and DeVillier, east on Garden to Palafox, south on Palafox to Zarragossa, east on Zarragossa to Jefferson, north on Jefferson to Government, west on Government to Palafox, north on Palafox to Wright, east on Wright to Zarragossa, north to north side of Wright, west on Wright to Palafox, south on Palafox to Garden, west on Garden to DeVillier.

Music will be furnished by the naval band, the military band, Deep Water City band, and the Great United States Shows band.

Detachments from Ft. Barrancas and the naval air station will take part in the parade.

Owing to the fact that Pensacola is the only point enjoying reduced railroad rates for Mardi Gras a large attendance is looked for from West Florida and Alabama. As the pageant is to be held in the afternoon, visitors may return to their homes the same night. This will enable many to visit Pensacola for Mardi Gras who otherwise could not do so.

The purpose of the pageant is to stimulate interest in the war savings campaign and in the forth coming Liberty loan. With this in view the army and navy are cooperating fully in making the celebration a great success. It is predicted that it will surpass in beauty anything of the kind ever attempted in the South. Motion pictures will be made of the pageant and they will be shown in theatres throughout the country, through the medium of the University current events weekly, thus giving Pensacola much favorable and valuable advertising.

ADD TWO NAMES FOOD SAVING ROLL

Two names were added to the food conservation honor roll yesterday bringing the total for Pensacola to eight. Enrolling for strict observance of the food regulations is for the period of one week, though nearly all of those enrolled at present are permanently enrolled.

The two listed yesterday are: Mrs. K. Pope Reese.

Mrs. C. F. Zeek. Others who wish to enroll to assist the government in saving food for our allies, and for our own men, are urged to telephone Miss Helen Carter Emergency Home Demonstration agent, at 916. Pledging support simply means that the meatless and wheatless days will be observed strictly.

The Camp Ax Murderer.

Captain Whisler, murdered four men at the Camp Funston cantonment bank, wounded Kearney Wornall, the cashier, stole about \$63,000 and escaped. Later Whisler committed suicide, leaving two notes, one to a woman. He told her not to "blame herself" for what he had done.

adding that he had often thought of committing suicide and had determined to become "a pirate right." Upon regaining consciousness Wornall identified Whisler's body as that of the murderer.

The loot was found in Whisler's apartment.

Howe were appointed inspectors for the election.

Tonight at 8 o'clock a general meeting of the entire membership will be held in the San Carlos hotel, when a president will be elected to succeed Dr. Louis deM. Blocker, who has announced that he will not be a candidate for re-election.

FIND ON CHARGE VIOLATING CURFEW

Virginia Dean, white, arrested at the instance of Probation Officer Sam Pinney on a charge of violating the new curfew law, was fined \$25 in the city court yesterday when testimony was offered tending to show that the defendant had accompanied a girl not sixteen years of age to the moving picture shows and thence to a dance, last Saturday night, the girl reaching the home of her aunt, who is her guardian, after midnight.

It was announced later in the afternoon that the case would likely be appealed to the circuit court, which promises a test of the curfew ordinance.

EVERY MERCHANT TO SELL THRIFT STAMPS

From the greatest merchant on Palafox street to the corner vendor of peanuts, every merchant in Pensacola is expected to sell Thrift stamps and to give Thrift stamps in change, where customers are willing, according to Ben S. Hancock, director of the campaign for this county.

A special effort is being made to enlist the cooperation of the merchants as they come in direct contact with the chance purchaser of the stamp, one who is willing to buy, and help the government, if appealed to at the proper time.

Placards have been received to be placed outside stores, announcing the fact that Thrift stamps can be purchased there. These will be furnished all dealers who will sell stamps.
