Side Line Dope.

Remember when the Candy League played in Pensacola. Whitman's team won the pennant two years in succession. And Norris Candy trimmed White & White. Them was the happy days. Imagine eighteen excited Frenchmen arguing with an umpire. Bonifay struck out eight Aviators last Sunday. He works again tomorrow.

T. T. Wentworth's bicycle riders showed lots of speed yesterday. Willie Stearns is captain of the local club, and Morris Johnson is secretary.

The Country Club golf links are busy these days. Many of the officers at the naval station turn in fine rounds.

Some of the best scores are turned in by the women golfers.

Tennis is popular in town and at the naval station. The officers have some warm sets at the Base Hospital courts.

Florida Prosperity. The Hartford (Ala.) Courant is impressed with the prosperity of Florida. It says: "The Florida newspapers and the Florida farmers are already rejoicing at their good fortune before the farmers of the north have begun to plant, for these people in Florida have already harvested a fine winter crop. In the west the long suffering and sun-baked farmer raises corn and wheat which are shipped east, at considerable expense, to the consumer. The Florida people find things so arranged that they can not only sell their products, but their climate as well and also persuade the consumers to come to their doors at their own expense and pay their board while consuming the products and enjoying the climate."

The market made a good deal of realising, however, and there were reactions of 10 to 15 points from the best during the early trading. Offerings seemed to be well taken on the early decline and the market turned firm late in the morning on covering by recent sellers and continued buying for foreign and domestic trade account. Camel Cigarettes

CAMEL cigarettes win smokers from the start because the expertly blended choice Turkish and choice Domestic tobaccos make possible Camel's delightful mellow-mildness with that all-there "body."

You'll find Camels good all the way through. It is a fact, you'll prefer Camels expert blend of choice Turkish and choice Domestic tobaccos to either kind of tobacco smoked straight! And, Camels may be smoked liberally without tiring your taste.

To know Camels best compare them in every possible test with any cigarette in the world at any price!

Camels are sold everywhere in scientifically sealed packages, or ten packages (200 cigarettes) in a glassine paper-covered carton. We strongly recommend this carton for the home or office supply or when you travel. R. J. REYNOLDS TOBACCO CO. Winston-Salem, N. C.
