

## THE DEMAND FOR 666 CHILL AND FEVER TONIC IS FAR GREATER THAN THE SUPPLY

For the Past Twelve Months the Demand for 666 Has Been Far Greater Than the Supply, But We Have Increased Our Plants and From Now on We Hope to Fill Orders More Promptly.

666 has proven it will cure Malaria, Chills and Fever, Bilious Fever, Colds, and LaGrippe. It kills the parasite that causes the fever. 666 is the most speedy remedy we know. A few doses will break the fever and if then taken as a tonic the fever will not return. You can take 666 while the fever is on or off.

666 is a fine tonic for pale people. It builds up the blood corpuscles to a red, healthy condition, giving a natural, healthy complexion. 666 is especially exposed to the weather, as they can take it, eat anything they want and go right on with their work with no fear of being salivated—adv.

### A Mother's Happiness Made Perfect

Of Utmost Importance That She Have Every Care.

The expectant mother's physical comfort should be our first thought, and all about her should see to it that her preparation for baby's coming be complete.

There is a most splendid remedy to prepare women for the greatest time in their lives, known as Mother's Friend. It is applied to the muscles of the abdomen, gently rubbed in, and at once penetrates to relieve strain on nerves, cords and ligaments. It makes the muscles so pliant that they expand easily when baby arrives; the hours at the time are fewer and pain and danger at the crisis is naturally avoided.

Mother's Friend enables the mother to preserve her health and strength, and she remains a pretty mother by having avoided discomfort and suffering which more often than otherwise accompanies such an occasion when nature is aided. Every nerve, muscle and tendon is thoroughly lubricated. Discomfort during the period is counteracted, and the skin, after the crisis, is left smooth and natural.

Write to Bradford Regulator Company, Dept. B, Lamar Building, Atlanta, Georgia for their Motherhood Book and obtain a bottle of Mother's Friend from the drug store today without fail.—Adv.

The remaining elements of Schlitz Famo—protein substances, mineral matter, water, organic acids, aromatic compounds, carbonic acid gas—are easily digested or absorbed, and are essential. Invalids may partake of Schlitz Famo freely.
