**VETERAN HAL CHASE SHOWS HOW TO PLAY FIRST**

FIRST BASE IS EASY BUT NO SNAP

BE ALERT FOR BAD THROWS

FIRST BASEMAN MUST BE AN EXPERT CATCHER-PRACTICE CATCHING

PLAY DEEP FOR A LEFT HAND BATTER

POSITION FOR RIGHT HAND BATTER

DEVELOP SPEED FOR GOING AFTER BUNTS

Hal Chase

BY JOE TAYLOR.

First base is generally regarded as an easy position. While it is true that first is easier than the other in-field jobs, it is by no means a soft snap. A first sacker must be able to catch all kinds of throws—high, low or wide. He must be an expert fielder of bunts, a good thrower and fast on his feet.

A tall rangy youth with a long reach generally makes the best first baseman. Quite often it has proved an advantage to be lefthanded in this position as a southpaw can throw to the other bags without having to turn, thereby saving valuable seconds in making a play.

With a left-handed batter at the plate play deep to cut down the hard smashes towards right field. For a right-handed hitter play in closer.

Like a catcher the first baseman must be an expert on foul-flies and short flies toward right field. Learn to touch the bag with either foot and to shift feet quickly to avoid collisions with the runner.

In fielding bunts work with the

second sacker and shortstop in covering second and first when the first baseman fields the ball.

With a man on first you must hold the runner close to the bag. Don't draw the pitcher into making too many throws to catch a runner napping, as it tires his arm, but always be ready to catch the chap who wanders too far off the bag.

Note to the captain—Cut this out and give it to the first baseman on your team.

**Side Line Dope.**

Well, Vincent Richards had all the big ones falling while they let him use his racket.

It wouldn't make much difference who made the goods he played with, 'twas the goods he had, made Richards a star.

Most likely Eller would have pitched a no-hit game Sunday no matter what "official league ball" he used. That reminds us—Eller is credited with the first no-hit game of the year. "Dutch" Leonard had that honor last year, and was the only pitcher in the big show to achieve that feat in 1918.

Who said Walter Johnson was slowing up? He whiffed 28 Yankee batters in order in Sunday's 13-inning tie.

Cleveland has bailed two hours in which to play baseball this year, first by the well, so to speak, known daylight saving law and now by setting the clock back to central time.

The L. & N. Shop boys seem to have about as much "pep" as any outfit in town.

They will play the third of a three game series at the East Hill Play Grounds this afternoon.

Mack Lewis gets all the material out, organizes two teams and sics 'em on each other.

Both Bond and Carroll must have something on the ball.

McGovern shows well at third and Wentworth is trying to follow Babe Ruth.

The Ship Yard team is getting in shape under the direction of Manager Rogers.

New material will be added to the team, it is expected, and the bodys will probably play a good game Sunday.

The Knights of Columbus and the Pensacola Regulars keeping in condition and the time ought to soon be ripe to start that Twilight League.

**MAMMOTH ARENA TO BE BUILT FOR WILLARD-DEMPSEY**

Toledo, May 14.—Tex Rickard, promoter of the Willard-Dempsey championship bout to be held here July 4, is here with his architect, J. L. McLoughlin of San Francisco. McLoughlin built the arena for the Jeffries-Johnson fight at Reno and says this one will be several times larger. It will be designed to seat 50,000. Prices range from \$10 to \$50, war tax included, and 2,500 are to be issued at the highest price.

**CARMEN WIN FROM APPRENTICE BOYS IN HOT CONTEST**

The Carmen of the L. & N. shops, better known as the "Nut Jammers," defeated the fast Apprentice Boys 7 to 6, at East Hill playgrounds yesterday afternoon in one of the fastest and most interesting games of the season. The attendance was large.

A few costly errors in the third and fourth frames accounted for the big score. After that the teams settled down and played errorless ball.

The game was won in the last of the ninth, when with two men down and Bell on second, "Ross" McGovern poked one of Lewis' spit-balls to the pavement for three sacks. Bell scoring. This, with "Hy" Wentworth's circuit clout were the features of the afternoon.

The batteries were: For the Nut Jammers: Garrett, Bell and Brown; For Apprentices: Ellis, Lewis and C. Geist. Struck out by Ellis, 6; Lewis, 3; Garrett, 2; Bell, 4. Hits off Ellis, 3; off Lewis, 2; off Garrett, 6; off Bell, 5.

The Apprentices won the first two games of the series, 3 to 1 and 4 to 2. It is estimated that 250 rooters from the shops were present to see yesterday's game. Another series will be played next week.

**PENSACOLA WILL PLAY K. OF C. CLUB SUNDAY AFTERNOON**

The Pensacola Regulars will play the Knights of Columbus club a return game at Maxent Park Sunday afternoon at 2:30 o'clock. The Regulars beat the Knights last Sunday by the score of 4 to 1, mostly by taking advantage of infield errors.

Walker Bonifay pitched good ball for the K. of C. last Sunday as did McVoy for the Pensacola's. "Dad" Sanchez and "Lefty" Bonifay also played good ball, it will be remembered.

**SERVICE MEN MAY RECLAIM WAR POLICIES**

The Bureau of War Risk Insurance has reached the following important decision regarding the re-instatement of government insurance which former sailors, soldiers and marines have allowed to lapse.

Any man who held the government term insurance and who failed to continue payment of premiums after being discharged, thereby lapsing his insurance, may re-instate it regardless of the time of default.

All service men are urged to take advantage of this opportunity, navy men may obtain fuller information and application forms by writing to Ensign E. P. Thornton, District Insurance Officer, No. 1 Canal street, New Orleans, La., stating full name, rating, home address, date and place of discharge, amount of insurance and premium and last month for which premium was paid.

Ex-service men of the army and marine corps are invited to request fuller information at the nearest chapter of the American Red Cross, or by writing to the Insurance Section, Bureau of War Risk Insurance, 119 D St., S. E., Washington, D. C.
