

Attention to Automobile Owners!!

A Completely Equipped and Modern Sales, Battery and Mechanical Departments Will Be Ready For Your Inspection and Patronage

ON OR AFTER TUESDAY, JUNE THE TENTH

We have the necessary equipment enroute, and upon its arrival will immediately begin to install same, which will be completed and ready for business on or about June 10th, from that date on we will be in a position to give you the SERVICE you have so long, wished for and for which WE have been so anxious to give. Extensive improvements are now being made at our plant and salesroom which when completed will be **THE MOST MODERN EQUIPPED SHOP IN THE STATE OF FLORIDA**

MECHANICAL DEPARTMENT.

MR. CHAS. E. ABBOTT, Manager.

The fact of Mr. Chas. E. Abbott, who is in charge of our mechanical department, and who has been for more than ten years steadily operating a shop, his thorough knowledge and ability as a mechanic is well known to his many friends and patrons, and he will have associated with him a corps of competent, skilled mechanics, all of which will be under his personal supervision, thus assuring you at all times you will receive only the very best of work.

BATTERY AND ELECTRICAL DEPARTMENT

MR. SAM PEAKE, Manager.

Mr. Peake, who will be in charge of our battery and electrical department, is considered one of the best battery men in the South. He is indeed most thoroughly qualified, having had years of experience, and this you'll readily learn on all work that you may entrust to him. Call in to see him. He will frankly advise you as to your battery needs, with out any compensation for the advice given.

SALES DEPARTMENT

This department is now being thoroughly remodeled. Many improvements are being added and when completed will be the largest and best equipped sales department in the city. Courteous and competent men will serve you, and after June 1st we will give you a SERVICE in this department that will be the best ever rendered.

PLENTY OF NASH CARS FROM JULY FIRST

We have been indeed most unfortunate in getting NASH AUTOMOBILES due to the tremendous demand for them which has been far in excess of production, and capacity. But now with the additional enlargement of the NASH factory which is nearing completion, we hope very shortly nothing unforeseen occurring to be in a position to supply all the NASH cars that may be wanted by June 15th. or not later than July 1st. The car with the

Here Are a Few Pointers to Remember

NEW EQUIPMENT

In equipping our new and enlarged plant we have added all the most modern facilities to cover the various branches of our business. Our workmen are experts, this you will discover with all work you leave with us. The proof of our better facilities will be shown in BETTER work here at all times.

MODERN MACHINERY

Modern machinery, the very latest labor saving types of machines form the equipment of this plant. Our aim has always been to provide the very best and newest machinery and to this end there is nothing lacking when it comes to modern equipment.

SERVICE

This has always been a most important factor in the building up of our present business, and now with new machinery, modern equipment, we will be better qualified than ever to give you even a BETTER service and greater EFFICIENCY than ever.
