DECORATION DAY PICNIC PROMISES TO BE BIG AFFAIR

Keen interest is being manifested in the picnic which will take place at Fort Barrancas on Decoration Day, May 30, under the auspices of the War Camp Community Service.

Major Code, athletic officer at Fort Barrancas, promises a fast baseball game and a most interesting push ball contest in the afternoon.

The many bat houses have been completed and bathing can be enjoyed by those desiring.

Colonel Hughes has donated the use of the open air pavilion and the fine Barrancas band for dancing.

The ladies of Pensacola who are invited are expected to take basket lunches, enabling the men to enjoy some good home cooking. The ladies furnishing baskets are requested to send in their names, stating the number of men they will expect as their guests.

Those desirous of sharing this holiday with the service men should phone their names to W. C. C. S. office, phone 431, not later than 4.30 Wednesday, May 21, as the number of invitations is limited. Men from all branches of the service and all ex-service men are invited. Ladies who accept this invitation must state how many they are willing to prepare lunch for, as this picnic lunch will take the place of the mens usual mess.

W. C. C. S. is anxious to get in touch with all those people who made the picnic given by Col. Hughes on April 22 such a success.

Postmaster R. S. Hancock yesterday wired to National Chairman W. G. McAduo his acceptance of the position of chairman of the citizens' committee for Boy Scout week, which will be observed all over the country from June 8 to June 14.

The former secretary of the treasury was appointed national chairman by President Wilson. State and city organizations are being rapidly completed and Postmaster Hancock will start work on the Citizens' committee here as soon as the Salvation Army drive is over. He is zone chairman of this organization.

Mr. McAduo's telegram to Postmaster Hancock, received yesterday and promptly accepted, follows:

"Chairman J. F. C. Griggs, for your state Boy Scout week, July 8 to 14, has nominated you, and I take pleasure in appointing you chairman of the citizens' committee for your community, pursuant to President Wilson's proclamation. The splendid war service by the Boy Scouts of America is convincing evidence of the movement's value. The Boy Scouts program builds character and the preparation for citizenship, and training is of the highest educational value. Every mother knows that coughs and colds, neglected, may lead to the most dread diseases. Croup, bronchitis, pneumonia and consumption often have their beginning in a slight cold.

The wise mother gives **Foley's Honey and Tar** at the first signs of a cough or cold. She knows it stops coughs quickly, puts a soothing, healing coating on an inflamed and tickling throat, and gives a feeling of warmth and comfort to the sufferer.

Mrs. M. E. Schlarb, Ashland, Penn., writes: "Foley's Honey and Tar is the best cough and cold remedy I have ever tried. When my little girl gets a cold on her chest, I give her a few doses, and it relieves her right away."

"Dear Colonel: My attention has been called to the campaign you are to launch during the week of May 19-26 to raise a fund in the United States of \$13,000,000 for the permanent work of your organization in this country. "In view of the great work done by the Salvation Army here and overseas for our boys during the war, I am sure the American people will not fail to respond most generously to your worthy appeal.

"I sincerely hope the campaign will be a success and I beg to assure you of my desire to promote it in any way in my power.

BILL TO CREATE GLADES COUNTY IS PASSED OVER

(BY HERBERT FELKEL)

Tallahassee, May 20.—Informally passed over on the calendar by motion of Senator Johnson was the bill to create Glades county, which had been reported without recommendation, when it was reached by the senate. Senator Malone said he would consent for the bill to be informally passed but he wanted it understood that it was not to be taken up in his absence, that he wished the senate to regard it in the same manner as if he had introduced the bill, because it affected his district more than any of the other two. Senator Wilson, whose district is also affected, told friends of the proposed new county that he would consent to not consider the bill today, that he would do anything, in fact, to accommodate them, except vote for it.

DR. CESSNA FIGURES IN DAMAGE SUIT IN CITY OF CHICAGO

Chicago, May 20.—Miss Julia B. Murphy was awarded \$30,000 damages for malicious persecution here Saturday by the jury which heard her \$100,000 damage suit against Dr. Charles E. Cessna.

Miss Murphy charged that Dr. Cessna, after showering her with gifts and favors, suddenly changed his attitude toward her to the extent that he beat her and that, after she left his employ, he circulated defamatory statements about her.

She filed suit for \$50,000, charging assault, and Dr. Cessna retaliated by causing her arrest on charges of embezzlement.

Miss Murphy was acquitted of the embezzlement alleged and sued Dr. Cessna on charges of malicious persecution for \$100,000.

LIEUT. BRICEN TO SPEAK FOR SALVATIONISTS

HERO OF FAMOUS PRINCESS PAT REGIMENT WILL TELL WEST FLORIDA PEOPLE OF WAR EXPERIENCES.

Lieutenant William Bricen, member of the famous Princess Pat Canadian Regiment, who is one of the most forceful speakers in this country, will address large audiences in this zone beginning today in Pensacola in the interest of the Salvation Army Home Service Fund, May 19-26. Lieut. Bricen wears many medals and special citations for exceptional bravery in battle and is the man who killed the cousin of Count Bernstoff.

The executive committee of this zone is congratulating itself over securing Lieutenant Bricen for part of the campaign.

The boys who have returned from overseas have endorsed the Salvation Army and the people of this state know their boys well enough to know that in their usual frank manner they have given voice to their real feelings:

"The Salvation Army will get twice the amount it is asking for," is a favorite expression with them. Everywhere these returned soldiers are landing themselves together to aid in the Salvation Army Fund campaign, and they will go "over the top" in this instance just as they did when they started the Hun back toward Berlin. "The same spirit that put over past war campaigns will put over the Salvation Army Home Service Fund," said Earl Brewer, chairman, Gulf Division. "There is not now nor has there ever been the slightest doubt in my mind as to the possibility of the campaign being anything but a success.

"The Salvation Army has been doing for years a wonderful work among fallen humanity, and the time has now arrived when it is to reap its just reward in that the people of this country have at last realized what a wonderful power for good it is, and the people will all contribute in order that the Salvation Army may be enabled to carry on its great work."

"As the people of the Gulf Division are called upon during the campaign, I am sure they will all respond liberally."

Cured His RUPTURE

I was badly ruptured while lifting a trunk several years ago. Doctors said my only hope of cure was an operation. Trusses did me no good. Finally I got hold of something that quickly and completely cured me. Years have passed and the rupture has never returned, although I am doing hard work as a carpenter. There was no operation, no lost time, no trouble. I have nothing to sell, but will give full information about how you may find a complete cure without operation, if you write to me, Eugene M. Pullen, Carpenter, 718 Marcellus Avenue, Manassas, N. J. Better cut out this notice and show it to any other who are ruptured—you may save a life or at least stop the misery of rupture and the worry and danger of an operation.
