CHARLIE BUTLER COURT OF RECORD HEARS ARGUMENTS IN A CIVIL SUIT

The court of record put in a long holiday yesterday in the hearing of a single case, and was obliged to adjourn the day at the conclusion of the addresses of the attorneys to the jury. The case was that of the Alger-Sullivan Co. vs. Theo. Baars, and revolves around the question as to who should pay for certain lumber and materials used in the ships of the Bullock-Caldwell Co. now in the hands of receivers.

A decision will doubtless be rendered this morning. A. W. Ranney and other members of the lumber firm are here from Century to push the case. A. C. Hout and J. E. D. Yonge appeared for the plaintiff and Judge Avery for the defendant.

Beauty More Than Skin Deep.

There is an old saying that beauty is only skin deep. That may be so with those who get their beauty out of a box but not the genuine sort. Beauty is really only another word for good health and no woman who is bilious and constipated can reasonably hope to be beautiful.
