

This is the Firestone YEAR

Two Big New Savings for Car Owners and Truck Owners

Never before have Firestone Tires been so decidedly better than others as they now are. So, for months back dealers, car owners and truck operators have been saying: "It's the Firestone Year."

And on top of this quality advantage offered in the improved Gray Sidewall Fabric and Cord Tires, on top of the enlarged size and extra heavy tread, come these two other Firestone savings—

Much lower prices—and adjustments made on a bigger mileage basis.

NOTE THIS NEW SCHEDULE Fabric Tires 6,000 Miles Cord Tires 8,000 Miles Solid Tires 10,000 Miles

You can thank the rubber market for a part of the price saving. You can thank Firestone for 90% of whom are stockholders in the company—for a share of such quality. 6,000 miles, 8,000 miles, 10,000 miles—these are only beginning points from which you can figure the extra miles that have made this the "Firestone Year" an even greater meaning than ever to the Firestone pledge of

Don't Worry About the Thirty-Sixth State

The boys were meeting at my house the last time our little club was in session. The discussion turned to the "thirty-sixth state"—the one that decided nationwide prohibition. I was forced to "butt in" to keep peace in the family. When I passed around six bottles of BEAUFONT—The Real Ginger Ale—there was no more argument. That ale was THE thing, folks, and the club weathered the storm.

This drink comes from old Virginia and it's great. Once you try it you'll use no other. Try it folks; you'll not regret it.

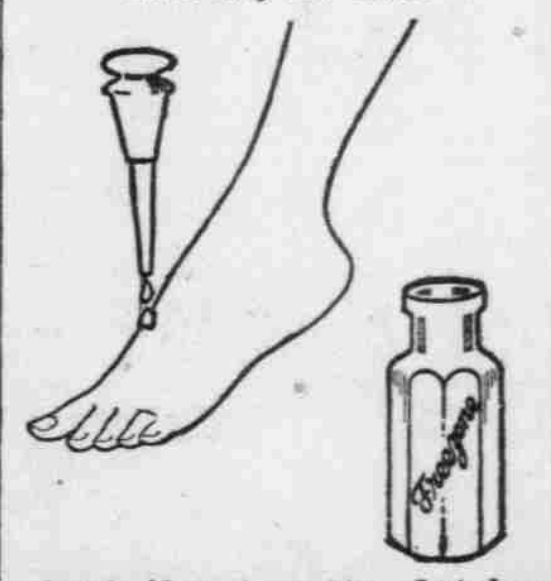

Believe me, Bo, I know. Yours, Jack Wise

PADEREWSKI—MASTER PIANIST AND NATION MAKER USES NUXATED IRON

To Obtain Renewed Energy, Power and Endurance Dr. Kenneth K. MacAlpine, for 16 Years Adjunct Professor New York Post Graduate Medical School and Hospital, Says That in His Opinion Nuxated Iron is

The Most Valuable Tonic, Strength and Blood Builder Any Physician Can Prescribe.

Ignace Jan Paderewski, one of the greatest musical geniuses of the age, at a time when his unending work for Poland overtaxed his strength and impaired his health had recourse to Nuxated Iron to help rebuild his wasted forces and restore his old-time health and strength.

With the tremendous strain imposed by over two years of almost ceaseless work in the cause of his fatherland, of which he is the foremost figure today, it is easily understood why Paderewski sought the sustaining tonic benefit of Nuxated Iron. Says Dr. James Francis Sullivan, formerly physician of Bellevue Hospital (Outdoor Dept. New York, and the Westchester County Hospital, "Lack of iron in the blood not only makes a man physically and mentally weak, nervous, irritable, easily fatigued, but it utterly robs him of the will force, that stamina and strength of will which are so necessary to success and power in every walk of life. Thousands of men and women are impairing their constitutions, losing New York, and to illness and literally losing their grip on health, simply because their blood is thinning out and possibly starving through lack of iron. Iron is absolutely essential to enable your blood to transform the food you eat into muscular tissue and brain. Without iron there is no strength, vitality and endurance to combat obstacles or withstand severe strains. To help make strong sturdy men of blood and iron there is nothing better than organic iron—Nuxated Iron. Mr. Paderewski says: "I am using Nuxated Iron very frequently and consider it an excellent tonic." A prominent New York Surgeon and Former Adjunct Professor of the New York Post Graduate Medical School and Hospital,

Ignace Jan Paderewski the new Polish Premier who took Nuxated Iron when he was in a weak and run-down condition and needed something to build up strength and energy. Dr. Kenneth K. MacAlpine, says: "If people would only realize that iron is just as indispensable to the blood as is air to the lungs and be just as particular about keeping up a sufficient supply at all times, there would in my opinion be far less disease resulting from anemic, weakened conditions. "Nuxated Iron, by enriching the blood and creating new blood cells, strengthens the nerves, rebuilds the weakened tissues and helps to instill renewed energy into the whole system whether the patients be young or old. In my opinion Nuxated Iron is the most valuable tonic, strength and blood-builder any physician can prescribe." If you are not strong or well you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of ordinary Nuxated Iron three times per day, after meals, for two weeks. Then test your strength again and see how much you have gained. Nuxated Iron, which is recommended above, is not a secret remedy but one which is well known to druggists everywhere. Unlike the cheap, imitative iron products, it is easily assimilated and does not irritate the stomach. The manufacturers guarantee successful and quick relief. It is dispensed by all good druggists.

Sold by Crystal Pharmacy, D'Alembert's Pharmacy, Balcom Drug Company and all other druggists.
