LADIES OF OLD PEOPLE'S HOME TO GIVE ENTERTAINMENT FOR BUILDING FUND.

Anxious to assist in any way they can to bring to a realization their joyful hopes of a new and comfortable home for Pensacola's old people the old ladies at the home have planned an entertainment to be given within a short time. The old ladies will be the only ones taking part in the play and are most enthusiastic for its success. Ever since the movement for a new Home has been inaugurated these old people have been desirous of assisting in some way, feeling what a blessing the present home has been to them. Speaking of her desire to help in some way one old lady said: "I may not be here to enter the doors of the new home but I would like to do something to help on the work so that some other helpless old person can enjoy the blessings I have shared."

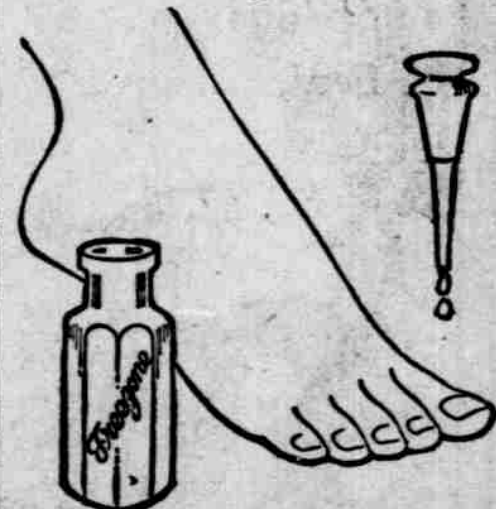

Of their own accord they are giving the entertainment, the program having been prepared by Mrs. Howard, matron of the home. They are delighted to have the opportunity to do their bit and it is expected that Pensacolians will show their appreciation of the effort put forth by these old ladies by a large attendance at the entertainment. The time and place of which will be announced later.

WOMAN'S AUXILIARY, FIRST PRESBYTERIAN CHURCH MEETS THURSDAY.

LIFT OFF CORNS!

Apply few drops then lift sore, touchy corns off with fingers

Doesn't hurt a bit! Drop a little Freezone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic!
A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation. Freezone is the sensational discovery of a Cincinnati genius. It is wonderful.

THE FORGOTTEN ROAD.

Know a little lonely country road, grass-grown and shady, and a little road and lost in an enchanted wood, though once it was a highway, broad and glad.

Very few its secret entrances find it is so hidden from the world of men.

Foot I found it and on foot return to feel its wistful mystery again.

There are few such roads left us today.

And yet we need them sorely—for with wings of dream and bird notes, my road lures men on to the hushed country of forgotten things.
