Use Howard's Buttermilk Cream For Sunburn, Tan and Freckles

Tells all good drug and department stores not to take any one's money unless the slightest new vanishing cream quickly shows a decided improvement. Try it today at our expense.

The first application of Howard's Buttermilk Cream will astonish you. It creates beauty almost like magic. The most wonderful thing about it is the fact that whilst it turns the dull, most lifeless complexion to radiant beauty and makes red or rough hands or arms snowy white, yet there is not the slightest sign of its use after application. It actually vanishes from sight and the most heated atmosphere will not produce the least shininess or greasiness of the skin.

No matter whether you are troubled with a poor complexion, wrinkles, puffiness around the eyes, freckles, crows feet or lines around the mouth, ugly finger nails, or just a simple roughness of the face, hands or arms caused by wind or sun, you will find that any or all of these troubles will quickly disappear with the use of Howard's Buttermilk Cream.

To prove this to your complete satisfaction, get a small quantity today at D'Alemberte's Pharmacy with the understanding that they will return the purchase money to any dissatisfied user.

HIS VOICE WOULD CHOKE UP UNTIL HE COULD COUGH

Young Pensacola man had catarrh so bad; his voice was husky, head stopped up and breath foul.

DRECO RELIEVED IT.

"Sometimes while talking my voice would almost stop till I could cough up the mucus and clear it up," says Mr. R. O. Hoyt, of 406 E. Lloyd St., Pensacola, Florida.

"I've had catarrh of the head and throat for some time, which has been growing worse at the time; the dripping from the back of my nose into my throat getting worse all the time, and the head noises and roaring sound was almost unbearable at times.

"Every morning it required several hours to get all this phlegm loosened up. I was also constipated, having to take medicine almost daily for that trouble. My stomach got bad, which I believe came from the mucus I swallowed, and I became alarmed, thinking catarrh of the stomach was about to get me. I'd blow up terribly with gas and often had griping pains after meals. I got pretty nervous and didn't sleep well.

"As the new medicine, Drecto was said to contain the juices of roots and herbs, easily seen. The dripping had almost stopped; my head became clear; the roaring noises ceased; no more headaches; the gas stopped forming in my stomach and my bowels were moving regularly.

"I expect to take several more bottles of Drecto, and confidently expect a complete cure. All good druggists now sell Drecto, and it is highly recommended in Pensacola, by Balksom Drug Co.
