**NEGLECTING THAT COLD OR COUGH**

Why, when Dr. King's New Discovery so promptly checks it.

It's natural you don't want to be careless and let that old cold or cough drag or that new attack develop seriously. Not when you can get such a proved successful remedy as Dr. King's New Discovery.

Cold, cough, grippe, croup does not resist this standard reliever very long. Its quality is as high today as it always has been—and it's been growing steadily in popularity for more than fifty years.

Tardy Bowels, Inert Liver They just won't let you put "pep" into your work or play. Sick headache comes from retaining waste matter and impurities in the body.

**NAME "BAYER" ON GENUINE ASPIRIN**

For Pains, Colds, Headache, Toothache, Neuralgia, Lumbago, Rheumatism.

You want relief—quickly and safely! Then insist on "Bayer Tablets of Aspirin." stamped with the "Bayer Cross." The name "Bayer" means you are getting genuine Aspirin prescribed by physicians for over eighteen years, and proved safe by millions of people.

**Chronic Rheumatism Is Not Dangerous**

It is, However, Very Painful and if Not Properly and Promptly Treated the Trouble Will Return and Eventually Cripple You.

Chronic rheumatism effects the hips, shoulders, knees and other large joints. Sometimes it is confined to just one joint. Again it may travel from one part to another part of the body.

The attacks cease and for weeks there is no re-appearance of the trouble—the patient is seemingly well. The pains return, however, and unless the proper treatment is used, the sufferer becomes a rheumatic cripple.

If you are now nursing a rheumatic knee, shoulder or some other joint, or have suffered in the past from this trouble, you should do something at once to prevent future attacks.

There is no treatment better suited for the relief of Chronic Rheumatism than Plough's Prescription C-2223. This treatment contains some of the most valuable medicinal ingredients known to the medical profession; in fact, it was for seven years used by a successful doctor.

Plough's Prescription C-2223 is supplied in concentrated liquid form to be taken in small doses. It acts directly on the blood—eliminating all the impurities that are causing the aches and pains.

As it is very important that the liver be active and the bowels open, 2223 Liver Pills are recommended for use in connection with the liquid Prescription Treatment.

So great is the faith of the manufacturers in Plough's Prescription C-2223 that they will refund the price paid for two \$1.50 bottles if satisfactory relief is not secured by the patient.

Your druggist should be able to supply you with Plough's Prescription C-2223 at \$1.50 a bottle; 2223 Liver Pills at 25c; or the 2223 Laboratory, Memphis, Tenn., will send both pre-paid on receipt of \$1.75. Write for sample of pills and leaflet.—Adv.

**ROBERTS IS GLAD HE FOLLOWED HIS DOCTOR'S ADVICE**

Successful Cattle Dealer Says He Gained Sixteen Pounds in Sixty Days by Taking Tanlac.

"One of the best doctors in Colorado advised me to take Tanlac, and it has not only overcome my troubles but I have gained sixteen pounds since I began taking it sixty days ago," said A. F. Roberts, who lives at Rocky Ford, Alberta, Canada, a few days ago.

Mr. Roberts is one of the largest cattle dealers in this section of the country, and before moving to Canada, a short time ago, he had spent most of his life in Colorado.

"I can now understand why Tanlac enjoys such wide popularity both in Canada and the United States," continued Mr. Roberts, "and since it has done me so much good, I know that it is a very dependable medicine and deserves all the praise that is being given it. For the past two years I suffered from stomach trouble, and when I commenced taking Tanlac, it was almost impossible for me to retain anything. I was very nervous and never got a good night's sleep, and finally got so weak and run down that I was hardly able to get about. I often had dizzy spells, and was bothered a great deal with constipation."

"My physician certainly knew what he was doing when he prescribed Tanlac for me, for it has done the work for me, as I am healthy and strong now as I ever was in my life. In fact it has done much more for me than I expected it would do. I have a fine appetite and everything I eat agrees with me perfectly, and I never had the slightest sign of stomach trouble of any kind. I am no longer bothered with constipation, and never have those dizzy spells any more. I have regained all my strength, too, and that nervousness has left me, and I sleep like a log every night. In fact, I am simply enjoying perfect health again, and I give Tanlac credit for all."

Tanlac is sold by leading druggists everywhere.—Adv.

**SAGE TEA TURNS GRAY HAIR DARK** It's Grandmother's Recipe to Bring Back Color and Lustre to Hair.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold. Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair. Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous.—Adv.

**START TOMORROW AND KEEP IT UP EVERY MORNING**

Get into the habit of drinking a glass of hot water before breakfast.

Millions of folks bathe internally now instead of loading their system with drugs. "What's an inside bath?" you say. Well, it is guaranteed to perform miracles, according to hot water enthusiasts.

There are vast numbers of men and women who, immediately upon arising in the morning, drink a glass of hot water with a teaspoonful of limestone phosphate in it. This is a very excellent health measure. It is intended to flush the stomach, liver, kidneys and intestines of the previous day's waste, sour bile and indigestible material left over in the body which if not eliminated every day, becomes food for millions of bacteria which infect the bowels, the quick result is poisons and toxins which are then absorbed into the blood, causing headache, bilious attacks, foul breath, bad taste, colds, stomach trouble, kidney misery, sleeplessness, impure blood and all sorts of ailments.

People who feel good one day and badly the next, but who simply can not get feeling right are urged to obtain a quarter pound of limestone phosphate at the drug store. This will cost very little but is sufficient to make anyone a real crank on the subject of internal sanitation.—Adv.

**YOU NEVER CAN TAME A WILD-CAT** Mr. Dodson Warns Against Use of Treacherous, Dangerous Calomel.

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with your bile it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it.—Adv.

**BEFORE YOU SAY GOODNIGHT**

Prepare for a Clear, Bright Day Tomorrow by Taking "Cascarets" for Liver and Bowels

Drive away those persistent enemies of happiness—biliousness and constipation. Don't stay headachy, sick, tongue coated, sallow and miserable! Get rid of colds, indigestion, upset stomach, or that misery-making gas.
